

RULE 501 Technical Report and Analysis Fees

(Amended 2/19/91; Recodified 12/17/19)

- 1 TECHNICAL ANALYSIS AND REPORT FEES:** Whenever the Air Pollution Control Officer finds that an analysis of the emissions from any source is necessary to determine the extent and amount of pollutants being discharged into the atmosphere which cannot be determined by visual observation, he or she may order the collection of samples and an analysis made by qualified personnel. The time required for collecting samples, making the analysis and preparing the necessary reports shall be charged against the owner or operator of said premises at the actual cost of work performed.

Information, circulars, reports and technical works prepared by the District when requested by government agencies, individuals or groups may be charged a sum not to exceed the cost of preparation and distribution of such document.
