

Our Mission

Bright Vista Youth Center is dedicated to helping Colusa County youth, aged 12 -17, learn techniques that will enhance their social, coping, and leadership skills through supportive workshops and structured daily activities. Our engaging drop-in center will explore youths educational and career interests and prepare them for independent living to improve confidence and ensure success in their future.

WHAT IS BRIGHT VISTA?

Colusa County Behavioral Health, Health & Human Services, Probation, and Colusa County Office of Education welcome all youth ages 12 to 17 to learn, play, and socially interact in a safe center at Bright Vista. This is a wonderful opportunity for youth to build lifelong skills while interacting with their peers during the summer break and after school hours. We offer various workshops, wellness groups, healthy snacks, and numerous recreational activities, all at no cost.

MEMBERSHIP INFORMATION

Bright Vista is funded by Mental Health Services Act Prevention and Early Intervention making this program a free resource for our community. Youth are welcome to access and utilize the youth center once a membership packet is completed with their caregiver. County staff will always be onsite during operating hours to supervise youth, assist with activities and groups, meet with parents, & answer any questions about the program.
