No Corporal Punishment Agreement

I am aware that:

- The RFA Written Directives states that each child receiving foster care, including relative and NREFM placements, is not to be subject to:
 - o Corporal or unusual punishment
 - o Humiliation
 - o Mental abuse
 - o Withholding of monetary allowance
 - o Punitive interference with the daily functions of living, such as eating or sleeping
- Corporal punishment is punishment to the body which may include, but is not limited to:
 - o Spanking
 - o Slapping
 - o Shoving
 - o Hot sauce or other irritants on the tongue
 - o Soap in the mouth
 - o Withholding a meal
- There are alternative methods of changing behavior such as:
 - o Praise
 - o Behavior modification
 - o Grounding
 - o Limiting privileges
 - o Individual discussion

I understand that corporal punishment may not be used on a foster child or any other child in or out of my care.

If I am finding it difficult to honor the no corporal punishment rules, I agree to contact the child's Social Worker as soon as possible in an effort to develop an acceptable plan to deal with the child's behavior.
