CHIEF'S MESSAGE

Being a Probation Officer in Colusa County is a great responsibility that requires the highest levels of dedication, honesty and integrity.

We are agents of the Court, sworn to uphold the laws of the State of California and those of the United States of America. It is our

responsibility and duty to ensure not only the compliance and rehabilitation of individuals placed under our care, but to provide public

safety to the community as a whole. In addition, we must be objective in the performance our duties, recognizing the inalienable rights

of all persons, appreciating the inherent worth of the individual, and respecting those confidences. As Peace Officers we must represent

our profession and uphold the public trust, displaying integrity and honesty, not only in our employment, but in our personal lives,

remembering we are always held at a higher standard. It is the expectation that we will constantly strive towards these objectives as well

as the ideals of our chosen profession.

This policy manual is designed to provide guidance and direction to the members of the Colusa County Probation Department. It should be

used in accordance with sound reason, judgment and discretion in our efforts to provide the highest quality of service to our community.

- (d) Successfully pass an annual criminal history background check indicating that the individual is not prohibited by law from receiving or possessing a firearm.

206.5.2 MAINTAINING A CALIFORNIA IDENTIFICATION CARD CCW ENDORSEMENT

In order to maintain a CCW Approved endorsement on an identification card issued under California law, the retired officer shall (Penal Code § 26305):

- (a) Qualify annually with the authorized firearm at a course approved by this department at the retired officer's expense.

Colusa County Probation Department

Probation Policy Manual

Retiree Concealed Firearms

- (b) Remain subject to all applicable department policies and federal, state, and local laws.
- (c) Not engage in conduct that compromises public safety.

206.6 DENIAL, SUSPENSION, OR REVOCATION

A LEOSA identification card may be denied or revoked upon a showing of good cause as determined by the Department. In the event that an identification card is denied, suspended, or revoked, the former officer may request a review by the Chief Probation Officer. The decision of the Chief Probation Officer is final.

206.6.1 DENIAL, SUSPENSION, OR REVOCATION OF A CALIFORNIA CCW ENDORSEMENT CARD

A CCW endorsement for any officer retired from this department may be denied or revoked only upon a showing of good cause. The CCW endorsement may be immediately and temporarily revoked by the Assistant Chief when the conduct of a retired peace officer compromises public safety (Penal Code § 25470).

- (a) In the event that a CCW endorsement is initially denied, the retired officer shall have 15 days from the date of denial to request a formal hearing. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received.
- (b) Prior to revocation of any CCW endorsement, the Department shall provide the affected retiree with written notice of a hearing by either personal service or first-class mail, postage prepaid, return receipt requested to the retiree's last known address (Penal Code § 26315).
 - 1. The retiree shall have 15 days from the date of service to file a written request for a hearing.
 - 2. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received (Penal Code § 26315).
 - 3. Failure to submit a timely written request for a hearing shall be deemed a waiver of such right.
- (c) A hearing for the denial or revocation of any CCW endorsement shall be conducted before a hearing board composed of three members, one selected by the Department, one selected by the retiree or the retiree's employee organization, and one selected jointly (Penal Code § 26320).
 - 1. The decision of such hearing board shall be binding on the Department and the retiree.
 - 2. Any retiree who waives the right to a hearing or whose CCW endorsement has been revoked at a hearing shall immediately surrender the identification card. The Department will then reissue a new identification card which shall be stamped "No CCW Privilege" (Penal Code § 26325(b)).
- (d) Members who have reason to suspect the conduct of a retiree has compromised public safety shall notify the Chief Probation Officer or the authorized designee as soon as

Colusa County Probation Department

Probation Policy Manual

practicable. The Assistant Chief should promptly take appropriate steps to look into the matter and, if warranted, contact the retiree in person and advise the individual in writing of the following:

1. The retiree's concealed firearm CCW endorsement is immediately and temporarily suspended.
2. The retiree has 15 days to request a hearing to determine whether the temporary suspension should become permanent revocation.
3. The retiree will forfeit the right to a hearing and the CCW endorsement will be permanently revoked if the retiree fails to respond to the notice of hearing within the 15-day period.
4. In the event that personal contact with the retiree cannot be reasonably achieved in a timely manner, the Assistant Chief should attempt to make the above notice of temporary suspension through another law enforcement officer. For example, if a retiree was arrested or detained by a distant agency, the Assistant Chief may request that a law enforcement officer from that agency act as the agent of the Department to deliver the written notification.
5. Notification of the temporary suspension should also be promptly mailed to the retiree via first-class mail, postage prepaid, return receipt requested.
 - (a) The Assistant Chief should document the investigation, the actions taken, and, if applicable, any notification made to the former member. The memo should be forwarded to the Chief Probation Officer.

206.7 FIREARM QUALIFICATIONS

The Rangemaster may provide former officers from this department an opportunity to qualify. Written evidence of the qualification and the weapons used will be provided and will contain the date of the qualification. The Rangemaster will maintain a record of the qualifications and weapons used.

Chapter 3 - General Operations

Use of Force

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, members authorized to use force are expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner (Government Code § 7286).

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Conducted Energy Devices policies.

Nothing in this policy is intended to limit members' lawful ability to defend themselves.

Retaliation prohibitions for reporting suspected violations is addressed in the Anti-Retaliation Policy.

300.1.1 DEFINITIONS

Definitions related to this policy include:

Deadly force - Any use of force that creates a substantial risk of causing death or serious bodily injury, including but not limited to the discharge of a firearm (Penal Code § 835a).

Feasible - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person (Government Code § 7286(a)).

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when persons allow themselves to be searched, escorted, handcuffed, or restrained.

Serious bodily injury - A serious impairment of physical condition, including but not limited to the following: loss of consciousness; concussion; bone fracture; protracted loss or impairment of function of any bodily member or organ; a wound requiring extensive suturing; and serious disfigurement (Penal Code § 243(f)(4)).

Totality of the circumstances - All facts known to the officer at the time, including the conduct of the officer and the subject leading up to the use of force (Penal Code § 835a).

300.2 POLICY

The use of force by officers authorized to use force is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Colusa County Probation Department

Probation Policy Manual

Use of Force

Officers authorized to use force must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of duties.

The Colusa County Probation Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force in the performance of their duties requires monitoring, evaluation, and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE

Any officer present and observing another law enforcement officer or an employee using force that is clearly beyond that which is necessary, as determined by an objectively reasonable officer under the circumstances, shall, when in a position to do so, intercede (as defined by Government Code § 7286) to prevent the use of unreasonable force.

When observing force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject (Government Code § 7286(b)).

300.2.2 FAIR AND UNBIASED USE OF FORCE

Officers are expected to carry out their duties, including the use of force, in a manner that is fair and unbiased (Government Code § 7286(b)).

300.2.3 DUTY TO REPORT EXCESSIVE FORCE

Any officer who observes a law enforcement officer or an employee use force that potentially exceeds what the officer reasonably believes to be necessary shall immediately report these observations to a supervisor (Government Code § 7286(b); Penal Code § 832.13).

As used in this section, “immediately” means as soon as it is safe and feasible to do so.

300.3 USE OF FORCE

Officers authorized by the Chief Probation Officer to use force in arresting a probationer or preventing a probationer from escaping custody shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident. Officers may only use a level of force that they reasonably believe is proportional to

Colusa County Probation Department

Probation Policy Manual

Use of Force

the seriousness of the suspected offense or the reasonably perceived level of actual or threatened resistance (Government Code § 7286(b)).

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the approved or authorized tools, weapons, or methods provided by the Department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST

Officers authorized by the Chief Probation Officer and California Penal Code § 830.5 may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance (Penal Code § 835).

An authorized officer who makes or attempts to make an arrest need not retreat or desist from the efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose the right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit (Government Code § 7286(b)). These factors include but are not limited to:

- (a) The apparent immediacy and severity of the threat to officers or others (Penal Code § 835a).
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time (Penal Code § 835a).
- (c) Agent/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The conduct of the involved officer leading up to the use of force (Penal Code § 835a).
- (e) The effects of suspected drugs or alcohol.
- (f) The individual's apparent mental state or capacity (Penal Code § 835a).
- (g) The individual's apparent ability to understand and comply with officer commands (Penal Code § 835a).
- (h) Proximity of weapons or dangerous improvised devices.

Colusa County Probation Department

Probation Policy Manual

Use of Force

- (i) The degree to which the individual has been effectively restrained and the individual's ability to resist despite being restrained.
- (j) The availability of other reasonable and feasible options and their possible effectiveness (Penal Code § 835a).
- (k) Seriousness of the suspected offense or reason for contact with the individual prior to and at the time force is used.
- (l) Training and experience of the officer.
- (m) Potential for injury to officers, suspects, bystanders, and others.
- (n) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (o) The risk and reasonably foreseeable consequences of escape.
- (p) The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (q) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (r) Prior contacts with the individual or awareness of any propensity for violence.
- (s) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the individual can comply with the direction or orders of the officer.
- (c) Whether the individual has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 USE OF FORCE TO SEIZE EVIDENCE

In general, authorized officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence.

In the instance when force is used to seize evidence, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration, or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Colusa County Probation Department for this specific purpose.

Colusa County Probation Department

Probation Policy Manual

Use of Force

300.3.5 USE OF FORCE TO PREVENT INGESTION OF EVIDENCE

Officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband (see the Medical Aid and Response Policy).

300.3.6 ALTERNATIVE TACTICS - DE-ESCALATION

As time and circumstances reasonably permit, and when community and officer safety would not be compromised, officers should consider actions that may increase officer safety and may decrease the need for using force:

- (a) Summoning additional resources that are able to respond in a reasonably timely manner.
- (b) Formulating a plan with responding officers before entering an unstable situation that does not reasonably appear to require immediate intervention.
- (c) Employing other tactics that do not unreasonably increase officer jeopardy.

In addition, when reasonable, officers should evaluate the totality of circumstances presented at the time in each situation and, when feasible, consider and utilize reasonably available alternative tactics and techniques that may persuade an individual to voluntarily comply or may mitigate the need to use a higher level of force to resolve the situation before applying force (Government Code § 7286(b)). Such alternatives may include but are not limited to:

- Attempts to de-escalate a situation.
- If reasonably available, the use of crisis intervention techniques by properly trained personnel.

300.3.7 RESTRICTIONS ON THE USE OF CAROTID CONTROL HOLD

Officers of this Department are not authorized to use a carotid restraint hold. A carotid restraint means a vascular neck restraint or any similar restraint, hold, or other defensive tactic in which pressure is applied to the sides of a person's neck that involves a substantial risk of restricting blood flow and may render the person unconscious in order to subdue or control the person (Government Code § 7286.5).

300.3.8 RESTRICTIONS ON THE USE OF A CHOKE HOLD

Officers of this Department are not authorized to use a choke hold. A choke hold means any defensive tactic or force option in which direct pressure is applied to a person's trachea or windpipe (Government Code § 7286.5).

300.4 DEADLY FORCE APPLICATIONS

Where feasible, the officer shall, prior to the use of deadly force, make reasonable efforts to identify as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts (Penal Code 835a).

If an objectively reasonable officer would consider it safe and feasible to do so under the totality of the circumstances, officers shall evaluate and use other reasonably available resources and techniques when determining whether to use deadly force. To the extent that it is reasonably

Colusa County Probation Department

Probation Policy Manual

Use of Force

practical, officers should consider their surroundings and any potential risks to bystanders prior to discharging a firearm (Government Code § 7286(b)).

The use of deadly force by authorized members is only justified when the officer reasonably believes it is necessary in the following circumstances (Penal Code § 835a):

- (a) Officers may use deadly force to protect themselves or others from what they reasonably believe is an imminent threat of death or serious bodily injury to the officer or another person.
- (b) An officer may use deadly force to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended.

Officers shall not use deadly force against a person based on the danger that person poses to self, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the officer or to another person (Penal Code § 835a).

An “imminent” threat of death or serious bodily injury exists when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the officer or another person. An officer’s subjective fear of future harm alone is insufficient as an imminent threat. An imminent threat is one that from appearances is reasonably believed to require instant attention (Penal Code § 835a).

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and may involve additional considerations and risks. When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others (Government Code § 7286(b)).

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.4.2 DISPLAYING OF FIREARMS

Given that individuals might perceive the display of a firearm as a potential application of force, officers should carefully evaluate each tactical situation and use sound discretion when drawing a firearm in public by considering the following guidelines (Government Code § 7286(b)):

- (a) If the officer does not initially perceive a threat but reasonably believes that the potential for such threat exists, firearms should generally be kept in the low-ready or other position not directed toward an individual.
- (b) If the officer reasonably believes that a threat exists based on the totality of circumstances presented at the time (e.g., high-risk stop, tactical entry, armed

Colusa County Probation Department

Probation Policy Manual

Use of Force

encounter), firearms may be directed toward such threat until the officer no longer perceives such threat.

Once it is reasonably safe to do so, officers should carefully secure all firearms.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why the officer believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms as specified in department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

300.5.1 NOTIFICATION TO SUPERVISORS

Any use of force by an officer shall be reported immediately to a supervisor in circumstances including but not limited to the following (Penal Code § 832.13):

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the Conducted Energy Device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

As used in this section, “immediately” means as soon as it is safe and feasible to do so.

300.5.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2 (see the Records Maintenance and Release Policy).

300.6 MEDICAL CONSIDERATIONS

Once it is reasonably safe to do so, properly trained officers should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident (Government Code § 7286(b)).

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing

Use of Force

pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until medically assessed.

Based upon the officer's initial assessment of the nature and extent of the individual's injuries, medical assistance may consist of examination by an emergency medical services provider or medical personnel at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain (sometimes called "excited delirium"), or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away (see the Medical Aid and Response Policy).

300.7 SUPERVISOR RESPONSIBILITY

A supervisor should respond to any reported use of force, if reasonably available. The responding supervisor is expected to (Government Code § 7286(b)):

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the individual upon whom force was applied. If this interview is conducted without the individual having voluntarily waived *Miranda* rights, the following shall apply:
 - 1. The content of the interview should not be summarized or included in any related criminal charges.
 - 2. The fact that a recorded interview was conducted should be documented in a property or other report.
 - 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.

Colusa County Probation Department

Probation Policy Manual

Use of Force

- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas.
 - 1. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the individual may pursue civil litigation.
 - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy noncompliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 ASSISTANT CHIEF RESPONSIBILITY

The Assistant Chief shall review each use of force by any personnel within the Assistant Chief's command to ensure compliance with this policy.

300.8 TRAINING

Officers and supervisors will receive periodic training on this policy and demonstrate their knowledge and understanding (Government Code § 7286(b)).

Subject to available resources, the Training Supervisor should ensure that officers receive periodic training on de-escalation tactics, including alternatives to force.

Training should also include (Government Code § 7286(b)):

- (a) Guidelines regarding vulnerable populations, including but not limited to children, elderly persons, pregnant individuals, and individuals with physical, mental, and developmental disabilities.
- (b) Training courses required by and consistent with POST guidelines set forth in Penal Code § 13519.10.

See the Training Policy for restrictions relating to officers who are the subject of a sustained use of force complaint.

300.9 USE OF FORCE ANALYSIS

At least annually, the Assistant Chief should prepare an analysis report on use of force incidents. The report should be submitted to the Chief Probation Officer or the authorized designee. The report should not contain the names of officers, suspects, or case numbers, and should include:

Colusa County Probation Department

Probation Policy Manual

Use of Force

- (a) Identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

300.10 USE OF FORCE COMPLAINTS

The receipt, processing, and investigation of civilian complaints involving use of force incidents should be handled in accordance with the Personnel Complaints Policy (Government Code § 7286(b)).

300.11 POLICY REVIEW

The Chief Probation Officer or the authorized designee should regularly review and update this policy to reflect developing practices and procedures (Government Code § 7286(b)).

300.12 POLICY AVAILABILITY

The Chief Probation Officer or the authorized designee should ensure this policy is accessible to the public (Government Code § 7286(c)).

300.13 PUBLIC RECORDS REQUESTS

Requests for public records involving an officer's personnel records shall be processed in accordance with Penal Code § 832.7 and the Personnel Records, and Records Maintenance and Release policies (Government Code § 7286(b)).

Use of Force Review Boards

301.1 PURPOSE AND SCOPE

This policy establishes a process for the Colusa County Probation Department to review the use of force by its members.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or the evaluation of the use of force.

301.2 POLICY

The Colusa County Probation Department will objectively evaluate the use of force by its members to ensure that their authority is used appropriately and consistent with training and policy.

301.3 REMOVAL FROM LINE DUTY ASSIGNMENT

Generally, whenever a member's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that member will be placed in a temporary administrative assignment pending an administrative review. The Chief Probation Officer or the authorized designee may exercise discretion and choose not to place a member in an administrative assignment.

301.4 REVIEW BOARD

The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another person.

The Use of Force Review Board will also investigate and review the circumstances surrounding every discharge of a firearm, whether the member was on- or off-duty, excluding training or recreational use.

The Chief Probation Officer or the authorized designee may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The Chief Probation Officer or the authorized designee will convene the Use of Force Review Board as necessary. It will be the responsibility of the Assistant Chief or supervisor of the involved member to notify the Chief Probation Officer of any incidents requiring board review. The involved member's Assistant Chief or supervisor will also ensure that all relevant reports, documents, and materials are available for consideration and review by the board.

301.4.1 COMPOSITION OF THE BOARD

The Chief Probation Officer or the authorized designee should staff the Use of Force Review Board with five individuals from the following, as appropriate:

- Staff representative from the involved member's chain of command
- Training Supervisor

Colusa County Probation Department

Probation Policy Manual

Use of Force Review Boards

- Non-administrative supervisor
- A peer officer/department member
- A probation officer from an outside agency, as appropriate
- Department instructor for the type of weapon, device, or technique used

The Assistant Chief will serve as chairperson.

301.4.2 RESPONSIBILITIES OF THE BOARD

The Use of Force Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board's review, call persons to present information and request the involved member to appear. The involved member will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Chief Probation Officer or the authorized designee will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges, the decision not to file criminal charges, or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

Absent an express waiver from the involved member, no more than two designated board members may ask questions of the involved member. Other board members may provide questions to the designated board members.

The review shall be based on those facts that are reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures, and approved training to those facts. Facts later discovered but unknown to the involved member at the time shall neither justify nor call into question a member's decision regarding the use of force.

Any questioning of the involved member conducted by the board will be in accordance with Colusa County Probation Department disciplinary procedures, the Personnel Complaints Policy, the current memorandum of understanding, and any applicable state or federal law.

The board shall make one of the following recommended findings:

- (a) The member's actions were within department policy and procedure.
- (b) The member's actions were in violation of department policy and procedure.

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to consider whether training should be developed or revised, and policy reviews, as may be appropriate. The board chairperson will submit the written recommendation to the Chief Probation Officer.

Colusa County Probation Department

Probation Policy Manual

Use of Force Review Boards

The Chief Probation Officer shall review the recommendation, make a final determination as to whether the member's actions were within policy and procedure, and determine whether any additional actions, investigations, or reviews are appropriate. Those findings will be forwarded to the involved member's Assistant Chief for review and appropriate action. If the Chief Probation Officer concludes that discipline should be considered, a disciplinary process will be initiated.

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Chief Probation Officer.

Agent-Involved Shootings and Deaths

302.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of an officer.

In other incidents not covered by this policy, the Chief Probation Officer may decide that the investigation will follow the process provided in this policy.

302.2 POLICY

The policy of the Colusa County Probation Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair, and impartial manner.

302.3 TYPES OF INVESTIGATIONS

Agent-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation into policy compliance by involved officers.
- A civil investigation to determine potential liability.

302.3.1 CRIMINAL INVESTIGATIONS

The Chief Probation Officer may request that the law enforcement agency in whose jurisdiction the conduct occurred perform a criminal investigation into both the involved officer and the suspect.

302.3.2 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the Colusa County Probation Department should conduct an investigation of each officer-involved shooting.

302.4 INVESTIGATION PROCESS

These procedures are guidelines used in the investigation of an officer-involved shooting or death.

302.4.1 AGENT RESPONSIBILITIES

302.4.2 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the Colusa County Probation Department supervisor should ensure completion of the duties outlined above, plus:

- (a) In the event a law enforcement investigator has not arrived, attempt to obtain a brief overview of the situation from any uninvolved officers.
 1. In the event there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) Each involved Colusa County Probation Department officer should be given an administrative order not to discuss the incident with other involved officers or Colusa County Probation Department members pending further direction from a supervisor.
- (c) As soon as practicable, in coordination with the supervising officer of the law enforcement investigator in charge of the criminal investigation, request that involved officers are transported (separately, if feasible) to a suitable location for further direction.
 1. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that the officer is provided with appropriate security.

302.4.3 NOTIFICATIONS

The supervisor is responsible for notification to the following persons as soon as practicable:

- Chief Probation Officer
- District Attorney
- County Counsel
- Outside agency investigators
- County Administrative Officer
- Psychological/peer support personnel
- Clergy, if requested
- Presiding judge
- *Involved officer's agency representative, if requested*

302.4.4 INVOLVED OFFICERS

The following shall be considered for the involved officer:

- (a) Any request for legal representation will be accommodated.
 1. Involved Colusa County Probation Department officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.

Probation Policy Manual

Agent-Involved Shootings and Deaths

- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
- (c) Discussions with employee groups will be privileged only as to the discussion of non-criminal information.
- (d) A licensed psychotherapist should be provided by the Department to each involved Colusa County Probation Department officer. A licensed psychotherapist may also be provided to any other affected Colusa County Probation Department members, upon request.
 - 1. Interviews with a licensed psychotherapist will be considered privileged.
 - 2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, the involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
 - 3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
- (e) Peer counselors are cautioned against discussing the facts of any incident with an involved or witness officer (Government Code § 8669.4).

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until law enforcement investigators or lab personnel can properly retrieve it.

Each involved Colusa County Probation Department officer should be given reasonable paid administrative leave after an officer-involved shooting or death. It shall be the responsibility of the Chief Probation Officer to make schedule adjustments to accommodate such leave.

302.5 CRIMINAL INVESTIGATION

The District Attorney's Office is responsible for the determination as to whether criminal charges are filed as a result of any officer-involved shooting involving injury or death.

Criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

- (a) Colusa County Probation Department supervisors should not participate directly in any voluntary interview of Colusa County Probation Department officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) Any voluntary statement provided by an involved officer will be made available for any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

Agent-Involved Shootings and Deaths

302.5.1 REPORTS BY INVOLVED COLUSA COUNTY PROBATION DEPARTMENT OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved Colusa County Probation Department officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved Colusa County Probation Department officer may write the report, it is generally preferred that such reports be limited to the report completed by the criminal investigators.

Nothing in this section shall be construed to deprive an involved Colusa County Probation Department officer of the right to consult with legal counsel prior to completing any such criminal report.

302.6 ADMINISTRATIVE INVESTIGATIONS

In addition to all other investigations associated with the incident, this department will conduct an internal administrative investigation of involved Colusa County Probation Department officers to determine conformance with department policy. This investigation will be conducted under the supervision of the Chief Probation Officer or the authorized designee and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws (see the Personnel Complaints Policy).

- (a) Any involved officer may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.
- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
 - 1. If further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of the prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected not to provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
 - 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.
 - 2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, to maintain the integrity of each individual officer's statement, involved officers shall not consult

Colusa County Probation Department

Probation Policy Manual

Agent-Involved Shootings and Deaths

or meet with a representative collectively or in groups prior to being interviewed (Government Code § 3303(i)).

3. Administrative interviews should be recorded by the investigator. The officer may also record the interview (Government Code § 3303(g)).
4. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, the officer should be given *Lybarger* or *Garrity* rights and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.
5. The assigned investigator shall compile all relevant information and reports necessary for the Chief Probation Officer to determine compliance with policies.
6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings to whether there was compliance with the Use of Force Policy.
7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

302.7 AUDIO AND VIDEO RECORDINGS

Any officer involved in a shooting or death may be permitted to review any video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-department witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available video or audio recordings with the approval of assigned investigators or a supervisor.

Any video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or County Counsel, as appropriate.

302.8 DEBRIEFING

The Colusa County Probation Department should conduct both a critical incident stress debriefing and a tactical debriefing.

302.8.1 CRITICAL INCIDENT STRESS DEBRIEFING

A critical incident stress debriefing should occur as soon as practicable. The Assistant Chief is responsible for organizing the debriefing. Notes and recorded statements should not be taken because the sole purpose of the debriefing is to help mitigate the stress-related effects of a traumatic event.

The debriefing is not part of any investigative process. Care should be taken not to release or repeat any communication made during a debriefing unless otherwise authorized by policy, law, or a valid court order.

Colusa County Probation Department

Probation Policy Manual

Agent-Involved Shootings and Deaths

Attendance at the debriefing should only include those members of the Department directly involved in the incident. Family or other support personnel may attend with the concurrence of those involved in the incident. The debriefing shall be closed to the public and should be closed to all other members of the Department, including supervisory personnel and personnel assigned to conduct administrative investigations of this incident.

302.8.2 TACTICAL DEBRIEFING

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief Probation Officer should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to the criminal and/or administrative investigators.

302.9 MEDIA RELATIONS

Any media release shall be prepared with input and concurrence from the investigating law enforcement agencies. Releases will be available to the Chief Probation Officer and assigned investigators in the event of inquiries from the media.

No involved Colusa County Probation Department officer shall comment to the media unless authorized by the Chief Probation Officer and the assigned law enforcement agency.

302.10 REPORTING

If the death, or shooting, of an individual occurs in any incident involving an officer of the Colusa County Probation Department and qualifies to be reported to the state, the Chief Probation Officer will ensure that the Records Custodian is provided with enough information to meet the reporting requirements (Government Code § 12525.2; Government Code § 12525).

Firearms

303.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance, and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized by law and the Chief Probation Officer to carry firearms.

303.2 POLICY

The Colusa County Probation Department may authorize and equip certain members with firearms for specified duties. The Department will ensure firearms are appropriate and in good working order and that relevant training is provided as resources allow.

303.3 AUTHORIZED FIREARMS, AMMUNITION, AND OTHER WEAPONS

Members may carry firearms consistent with the written authorization of the Chief Probation Officer identifying when a firearm may be carried and any limitations.

Authorized members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Rangemaster. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized range.

All other weapons not provided by the Department, including but not limited to edged weapons, chemical or electronic weapons, impact weapons, or any weapon prohibited or restricted by law or that is not covered elsewhere by department policy, may not be carried by members in the performance of their official duties without the express written authorization of the Chief Probation Officer. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

303.3.1 HANDGUNS

The authorized department-issued handgun is the Glock, Model 22, .40. The following additional handguns are approved for on-duty use by authorized members:

MAKE	MODEL	CALIBER
Glock	22,23	9mm, .40

303.3.2 SHOTGUNS

Generally, shotguns may be authorized for carrying in the performance of the following types of duties:

- Participation in a high-risk warrant service or fugitive-apprehension team

Colusa County Probation Department

- Participation in specialized task force operations (e.g., drug task force operations, gang task force operations)
- Participation in a ready-response or security team
- Assignment as a specialized high-risk or apprehension officer working in that capacity

When not deployed, shotguns shall be properly secured consistent with department training in an approved locking weapons rack.

303.3.3 SHOTGUN DEPLOYMENT

Members should deploy a shotgun only in circumstances when the member can articulate a reasonable expectation that a shotgun may be needed. Members participating on a specialized team should refer to the Task Force Policy regarding authorization for specific operations.

Examples of some general guidelines for deployment of a shotgun may include but are not limited to:

- Situations when the member reasonably anticipates an armed encounter or an encounter with an individual wearing body armor.
- Situations when a member reasonably expects the need to meet or exceed an individual's firepower or may require long-range accuracy.
- When authorized or requested by a supervisor.

303.3.4 PERSONALLY OWNED DUTY FIREARMS

Members authorized by the Chief Probation Officer to carry a firearm in the performance of their duties who desire to carry a personally owned duty firearm must receive written approval from the Chief Probation Officer. Once approved, personally owned duty firearms are subject to the following restrictions:

- (a) The firearm shall be in good working order and on the department list of approved firearms.
- (b) The firearm shall be inspected by the Rangemaster prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
- (c) Prior to carrying the firearm, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the firearm functions properly.
- (d) Members shall provide written notice of the make, model, color, serial number, and caliber of the firearm to the Rangemaster, who will maintain a list of the information.

303.3.5 AUTHORIZED SECONDARY HANDGUN

Members authorized by the Chief Probation Officer to carry a firearm in the performance of their duties who desire to carry a secondary handgun must receive written approval from the Chief Probation Officer and are subject to the following restrictions:

- (a) The handgun shall be in good working order and on the department list of approved firearms.
- (b) Only one secondary handgun may be carried at a time.
- (c) The purchase of the handgun and ammunition shall be the responsibility of the member unless the handgun and ammunition are provided by the Department.
- (d) The handgun shall be carried concealed at all times and in such a manner as to prevent unintentional cocking, discharge, or loss of physical control.
- (e) The handgun shall be inspected by the Rangemaster prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
- (f) Ammunition shall be the same as department issue. If the caliber of the handgun is other than department issue, the Chief Probation Officer or the authorized designee shall approve the ammunition.
- (g) Prior to carrying the secondary handgun, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the handgun functions properly.
- (h) Members shall provide written notice of the make, model, color, serial number, and caliber of a secondary handgun to the Rangemaster, who will maintain a list of the information.

303.3.6 AMMUNITION

Members shall carry only department-authorized ammunition. Members shall be issued fresh duty ammunition in the specified quantity for all department-issued firearms during the member's firearms qualification. Replacements for unserviceable or depleted ammunition issued by the Department shall be dispensed by the Rangemaster when needed, in accordance with established policy.

Members carrying personally owned authorized firearms of a caliber differing from department-issued firearms shall be responsible for obtaining fresh duty ammunition in accordance with the above, at their own expense.

303.4 EQUIPMENT

Firearms carried on- or off-duty shall be maintained in a clean, serviceable condition. Maintenance and repair of authorized personally owned firearms are the responsibility of the individual member.

303.4.1 REPAIRS OR MODIFICATIONS

Each member shall be responsible for promptly reporting any damage or malfunction of an assigned firearm to a supervisor or the Rangemaster.

Colusa County Probation Department

Probation Policy Manual

Firearms

Firearms that are the property of the Department or personally owned firearms that are approved for department use may be repaired or modified only by a person who is department-approved and certified as an armorer or gunsmith in the repair of the specific firearm. Such modification or repair must be authorized in advance by the Rangemaster.

Any repairs or modifications to the member's personally owned firearm shall be done at the member's expense and must be approved by the Rangemaster.

303.4.2 HOLSTERS

Only department-approved holsters shall be used and worn by members. Members shall periodically inspect their holsters to make sure they are serviceable and provide the proper security and retention of the handgun.

303.4.3 TACTICAL LIGHTS

Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Once the approved tactical lights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

303.4.4 OPTICS OR LASER SIGHTS

Optics or laser sights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Any approved sight shall only be installed in strict accordance with manufacturer specifications. Once approved sights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.

303.5 SAFE HANDLING, INSPECTION, AND STORAGE

Members shall maintain the highest level of safety when handling firearms and shall consider the following:

- (a) Members shall not unnecessarily display or handle any firearm.
- (b) Members shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Rangemaster. Members shall not dry fire or practice quick draws except as instructed by the Rangemaster or other firearms training staff.
- (c) Members shall not clean, repair, load, or unload a firearm anywhere in the Department, except where clearing barrels are present.
- (d) Shotguns or rifles removed from vehicles or the equipment storage room shall be loaded and unloaded in the parking lot and outside of the vehicle, using clearing barrels.

Colusa County Probation Department

Probation Policy Manual

Firearms

- (e) Members shall not place or store any firearm or other weapon on department premises except where the place of storage is locked. No one shall carry firearms into a custodial facility when securing or processing an arrestee, but shall instead place all firearms in a secured location.
- (f) Members shall not use any automatic firearm, heavy caliber rifle, gas, or other type of chemical weapon or firearm except with approval of a supervisor.
- (g) Any firearm authorized by the Department to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Department or a Rangemaster approved by the Department for inspection and repair. Any firearm deemed in need of repair or service by the Rangemaster will be immediately removed from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

303.5.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. Inspection of the shotgun shall be done while standing outside of the department vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Personally owned firearms may be safely stored in lockers at the end of the shift. Department-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. Shotguns shall be unloaded in a safe manner outside the building and then stored in the appropriate equipment storage room.

303.5.2 STORAGE AT HOME

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles, or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department-issued firearms to be handled by anyone not authorized by the Department to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Penal Code § 25100).

303.5.3 STORAGE IN VEHICLES

When leaving a handgun in an unattended vehicle, members shall ensure that it is locked in the trunk, or in a locked container that is placed out of view, or in a locked container that is permanently affixed to the vehicle's interior and not in plain view, or in a locked toolbox or utility box permanently affixed to the vehicle (Penal Code § 16850; Penal Code § 25140; Penal Code § 25452).

If the vehicle does not have a trunk or a locked container, the firearm should be locked within the center utility console that can be locked with a padlock, keylock, combination lock, or other similar locking device (Penal Code § 25140).

Colusa County Probation Department

Probation Policy Manual

Firearms

Officers are exempt from these requirements during circumstances requiring immediate aid or action in the course of official duties (Penal Code § 25140).

303.5.4 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

303.6 FIREARMS TRAINING AND QUALIFICATIONS

All members who carry a firearm while on-duty are required to successfully complete training quarterly with their duty firearms. All members will qualify at least quarterly with their duty firearms. Members will also qualify with off-duty and secondary firearms at least quarterly. Training and qualifications must be on an approved range course (Penal Code § 830.5).

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations, including low-light shooting.

303.6.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status, or scheduling conflict, that member shall submit a memorandum to the immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for:
 - 1. Unauthorized range make-up.
 - 2. Failure to meet minimum standards or qualify after remedial training.

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

303.7 FIREARMS DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to the member's supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

Colusa County Probation Department

Probation Policy Manual

Firearms

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with the Assistant Chief or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, the member shall file a written report or provide a recorded statement no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

303.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., presence of local law enforcement or animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.

303.7.2 WARNING AND OTHER SHOTS

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective, and reasonably safe.

303.8 RANGEMASTER DUTIES

The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Training Supervisor after each range date. Failure of any member to sign in and out with the Rangemaster may result in non-participation or non-qualification.

The range shall remain operational and accessible to department members during hours established by the Department.

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Rangemaster has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to the personally owned firearm; it will not be returned to service until it has been inspected and approved by the Rangemaster.

The Rangemaster has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning, and safety of all firearms the member is authorized to carry.

Colusa County Probation Department

Probation Policy Manual

Firearms

The Rangemaster shall complete and submit to the Training Supervisor documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided, and, on a form that has been approved by the Department, a list of each member who completes the training. The Rangemaster should keep accurate records of all training shoots, qualifications, repairs, maintenance, or other records as directed by the Training Supervisor.

303.9 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Officers must carry their Colusa County Probation Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature, and the signature of the Chief Probation Officer or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver's license, passport).
- (c) The Colusa County Probation Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the Colusa County Probation Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief Probation Officer authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail the itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of the officer's assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on the officer's person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.

Colusa County Probation Department

Probation Policy Manual

Firearms

- (i) Officers should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative, or other management representative of the air carrier.
- (j) Officers shall not consume alcoholic beverages while aboard an aircraft or within eight hours prior to boarding an aircraft.

Handcuffing and Restraints

304.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

This policy does not address the handcuffing and restraint of juveniles appearing in court or those already detained in, or committed to, a local secure juvenile facility, camp, ranch, or forestry camp.

304.2 POLICY

The Colusa County Probation Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, and department training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

304.3 USE OF RESTRAINTS

Only members who have successfully completed Colusa County Probation Department-approved training (832 P.C.) on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include but are not limited to:

- The circumstances or crime or violation leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing in the front to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

304.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion on the detainee.

304.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be

Colusa County Probation Department

Probation Policy Manual

Handcuffing and Restraints

used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure herself or others, or damage property.

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, officers, or others.

304.3.3 RESTRAINT OF JUVENILES

A juvenile younger than 14 years of age should not be restrained unless the juvenile is suspected of a dangerous felony or when the officer reasonably suspects that the juvenile may resist, attempt escape, self-injure, injure the officer, or damage property.

304.3.4 NOTIFICATIONS

Whenever an officer transports a person in restraints other than handcuffs, the officer shall inform the detention facility staff upon arrival at the facility that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the detention facility.

304.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department unless required by law, other policy, or facility regulations. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

304.5 APPLICATION OF SPIT HOODS

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Handcuffing and Restraints

Spit hoods may be placed upon a person in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and so that the restrained person can breathe normally. Officers should provide assistance during the movement of a restrained person due to the potential for impairing or distorting that person's vision. Officers should avoid comingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations when the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after use.

304.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, but while permitting adequate movement, comfort, and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

304.7 APPLICATION OF LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a person.
- (b) Whether it is reasonably necessary to protect the person from the person's own actions (e.g., hitting head against the interior of the agency vehicle, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at the windows of the vehicle).

Colusa County Probation Department

Probation Policy Manual

Handcuffing and Restraints

304.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints, the following guidelines should be followed:

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be laid face-down for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain prone in a face-down position.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by emergency medical services, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

304.8 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report. The officer should include, as appropriate:

- (a) How handcuffs were applied (e.g., double locked and gapped).
- (b) The amount of time the person was restrained.
- (c) How the person was transported and the position of the person during transport.
- (d) Observations of the person's behavior and any signs of physiological problems.
- (e) Any known or suspected drug use or other medical problems.
- (f) Any complaint regarding restraints being too tight and how the complaint was resolved.

304.9 TRAINING

Subject to available resources, the Training Supervisor should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.

Colusa County Probation Department

Probation Policy Manual

Handcuffing and Restraints

- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

Control Devices

305.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

This policy does not address the application of a control device on a juvenile who has already been detained.

305.2 POLICY

In order to control individuals who are violent or who demonstrate the intent to be violent, the Chief Probation Officer may authorize officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

305.3 ISSUING, CARRYING, AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief Probation Officer or the authorized designee.

Only those members who have been authorized by the Chief Probation Officer and who have successfully completed department-approved training on this policy and the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain, or arrest a person who is violent or who demonstrates the intent to be violent and using the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

305.4 RESPONSIBILITIES

305.4.1 RANGEMASTER RESPONSIBILITIES

The Rangemaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated, or expended control devices are properly disposed of, repaired, or replaced.

Every control device will be periodically inspected by the Rangemaster or the designated instructor for a particular control device. The inspection minimum one time per year shall be documented.

305.4.2 USER RESPONSIBILITIES

All normal maintenance, charging, or cleaning shall remain the responsibility of personnel using the devices.

Any damaged, inoperative, outdated, or expended control devices, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster for disposition.

Control Devices

Documentation shall also be forwarded through the chain of command, when appropriate, explaining the cause of damage.

305.5 BATON GUIDELINES

The need to immediately control a subject must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys, and groin should not be intentionally targeted except when the officer reasonably believes the subject poses an imminent threat of serious bodily injury or death to self or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Non-uniformed and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignments or at the direction of their supervisors.

305.6 OLEORESIN CAPSICUM GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray may be considered for use to bring under control an individual engaging in, or about to engage in, violent behavior. OC spray should not be used against individuals who do not reasonably appear to present a risk to the safety of department members or the public.

305.6.1 TREATMENT FOR EXPOSURE

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those who complain of further severe effects shall be examined by appropriate medical personnel.

305.7 POST-APPLICATION NOTICE

Whenever OC has been introduced into a residence, building interior, vehicle, or other enclosed area, the owners or available occupants should be provided with notice verbal or written of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that cleanup will be at the owner's expense. Information regarding how and when the notice was delivered and the individuals notified should be included in related reports.

305.8 TRAINING FOR CONTROL DEVICES

The Training Supervisor shall ensure that those members who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the member's training file.
- (c) Members who fail to demonstrate proficiency with the control device or knowledge of the Use of Force Policy will be provided remedial training. If a member cannot demonstrate proficiency with a control device or knowledge of the Use of Force Policy

Colusa County Probation Department

Probation Policy Manual

Control Devices

after remedial training, the member will be restricted from carrying the control device and may be subject to discipline.

305.9 REPORTING USE OF CONTROL DEVICES

Any application of a control device shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Conducted Energy Devices

306.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of the Conducted Energy Device.

306.2 POLICY

The Conducted Energy Device is used to control a violent or potentially violent individual. The appropriate use of such a device should result in fewer serious injuries to officers and suspects.

306.3 ISSUANCE AND CARRYING CONDUCTED ENERGY DEVICES

Only members who have been authorized by the Chief Probation Officer and who have successfully completed department-approved training may be issued and may carry the Conducted Energy Device.

Conducted Energy Devices are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department inventory.

Officers shall only use the Conducted Energy Device and cartridges that have been issued by the Department. Officers who have been issued the Conducted Energy Device shall carry the device in an approved manner.

Members carrying the Conducted Energy Device should perform a spark test prior to every shift.

Officers who carry both a duty weapon and Conducted Energy Device shall carry the Conducted Energy Device in a weak-side holster on the side opposite the duty weapon.

- (a) All Conducted Energy Devices shall be clearly and distinctly marked to differentiate them from a duty weapon and any other device.
- (b) Whenever practicable, officers should carry two or more cartridges on their person when carrying the Conducted Energy Device.
- (c) Officers shall be responsible for ensuring that the issued Conducted Energy Device is properly maintained and in good working order.
- (d) Officers should not hold a firearm and the Conducted Energy Device at the same time.

306.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the Conducted Energy Device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the Conducted Energy Device may be deployed.

Conducted Energy Devices

If, after a verbal warning, an individual fails to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, display the electrical arc (provided that a cartridge has not been loaded into the device) or the laser in a further attempt to gain compliance prior to the application of the Conducted Energy Device. The aiming laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented in the related report by the officer deploying the Conducted Energy Device.

306.5 USE OF THE CONDUCTED ENERGY DEVICE

The Conducted Energy Device has limitations and restrictions requiring consideration before its use. The Conducted Energy Device should only be used when its operator can safely approach the subject within the operational range of the device. Although the Conducted Energy Device is effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

306.5.1 APPLICATION OF THE CONDUCTED ENERGY DEVICE

The Conducted Energy Device may be used in any of the following circumstances, when the circumstances perceived by the officer at the time indicate that such application is reasonably necessary to control a person:

- (a) Who is violent or is physically resisting.
- (b) Who has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, self, or others.

Mere flight, without other known circumstances or factors, is not good cause for using the Conducted Energy Device.

The Conducted Energy Device shall not be used to psychologically torment, to elicit statements, or to punish any individual.

306.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the Conducted Energy Device on certain individuals should be avoided unless the totality of the circumstances indicates that other options reasonably appear ineffective or would present a greater danger to the officer, the subject, or others, and the officer reasonably believes that the need to control the individual outweighs the risk of using the device. This includes:

- (a) Individuals known to be pregnant.
- (b) Elderly individuals or obvious children.
- (c) Individuals with obviously low body mass.
- (d) Individuals handcuffed or otherwise restrained.
- (e) Individuals who have been recently sprayed with a flammable chemical agent or who are otherwise in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.

Conducted Energy Devices

- (f) Individuals whose position or activity may result in collateral injury (e.g., falls from a height, operating vehicles).

Because the application of the Conducted Energy Device in the drive-stun mode (i.e., direct contact without probes) relies primarily on pain compliance, the use of the drive-stun mode should be limited to supplementing the probe-mode to complete the circuit or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

306.5.3 TARGETING CONSIDERATIONS

The preferred targeting areas include the individual's back or front lower-center mass. The head, neck, chest, and groin should be avoided when reasonably practicable. If the dynamics of a situation or officer safety do not permit the officer to limit the application of the Conducted Energy Device probes to a precise target area, officers should monitor the condition of the subject if one or more probes strikes the head, neck, chest, or groin until the subject is examined by paramedics or other medical personnel.

306.5.4 MULTIPLE APPLICATIONS OF THE CONDUCTED ENERGY DEVICE

Officers should apply the Conducted Energy Device for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Officers should not intentionally apply more than one Conducted Energy Device at a time against a single individual.

If the first application of the Conducted Energy Device appears to be ineffective in gaining control of an individual, the officer should evaluate the situation and consider certain factors before additional applications of the Conducted Energy Device, including:

- (a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.
- (b) Whether the probes are making proper contact.
- (c) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (d) Whether verbal commands or other options or tactics may be more effective.

306.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Officers should take appropriate actions to control and restrain the individual to minimize the need for longer or multiple exposures to the Conducted Energy Device. As soon as practicable, officers shall notify a supervisor any time the Conducted Energy Device has been discharged. Confetti tags should be collected and the expended cartridge, along with both probes and wire, should be submitted into evidence. The cartridge serial number should be noted and documented on the evidence paperwork. The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

Colusa County Probation Department

Probation Policy Manual

Conducted Energy Devices

306.5.6 DANGEROUS ANIMALS

The Conducted Energy Device may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or likely would be ineffective.

306.5.7 OFF-DUTY CONSIDERATIONS

Officers are not authorized to carry department Conducted Energy Devices while off-duty.

Officers shall ensure that Conducted Energy Devices are secured while in their homes, vehicles, or any other area under their control, in a manner to keep the device inaccessible to others.

306.6 DOCUMENTATION

Officers shall document all Conducted Energy Device discharges in the appropriate report and the Conducted Energy Device report forms. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, laser activation, and arcing the device, other than for testing purposes, will also be documented on the report form.

306.6.1 CONDUCTED ENERGY DEVICE REPORT FORM

Items that shall be included in the Conducted Energy Device report form are:

- (a) The type and brand of Conducted Energy Device and cartridge and cartridge serial number.
- (b) Date, time, and location of the incident.
- (c) Whether any display, laser, or arc deterred a subject and gained compliance.
- (d) The number of Conducted Energy Device activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (e) The range at which the Conducted Energy Device was used.
- (f) The type of mode used (probe or drive-stun).
- (g) Location of any probe impact.
- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.
- (j) Whether medical care was provided to the subject.
- (k) Whether the subject suffered any injuries.
- (l) Whether any officers suffered any injuries.

The Training Supervisor should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Supervisor should also conduct audits of data

Conducted Energy Devices

downloads and reconcile Conducted Energy Device report forms with recorded activations. Conducted Energy Device information and statistics, with identifying information removed, should periodically be made available to the public.

306.6.2 REPORTS

The officers should include the following in their report:

- (a) Identification of all personnel firing Conducted Energy Devices
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication, or other medical problems

306.7 MEDICAL TREATMENT

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel should remove Conducted Energy Device probes from a person's body. Used Conducted Energy Device probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by Conducted Energy Device probes or who have been subjected to the electric discharge of the device or who experienced direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The Conducted Energy Device probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications (i.e., more than 15 seconds) shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the Conducted Energy Device (see the Medical Aid and Response Policy).

Conducted Energy Devices

306.8 SUPERVISOR RESPONSIBILITIES

When possible, supervisors should accompany officers in field enforcement when they reasonably believe there is a likelihood the Conducted Energy Device may be used. A supervisor should respond to all incidents where the Conducted Energy Device was activated.

A supervisor should review each incident where a person has been exposed to an activation of the Conducted Energy Device. The device's onboard memory should be downloaded through the data port by a supervisor or Rangemaster and saved with the related report. Photographs of probe sites should be taken and witnesses interviewed.

306.9 TRAINING

Personnel who are authorized to carry the Conducted Energy Device shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the Conducted Energy Device as a part of their assignments for a period of six months or more shall be recertified by a qualified Conducted Energy Device instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued Conducted Energy Devices should occur every year. A reassessment of an officer's knowledge and/or practical skills may be required at any time, if deemed appropriate, by the Training Supervisor. All training and proficiency for Conducted Energy Devices will be documented in the officer's training files.

The Chief Probation Officer, supervisors, and investigators should receive Conducted Energy Device training as appropriate for the investigations they conduct and review.

Officers who do not carry Conducted Energy Devices should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Supervisor is responsible for ensuring that all members who carry Conducted Energy Devices have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of Conducted Energy Devices during training could result in injuries and should not be mandatory for certification.

The Training Supervisor should ensure that all training includes:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes near the head, neck, chest, and groin.
- (e) Handcuffing a subject during the application of the Conducted Energy Device and transitioning to other force options.

- (g) Restraint techniques that do not impair respiration after applying the Conducted Energy Device.

Search and Seizure

307.1 PURPOSE AND SCOPE

Both the federal and state constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Colusa County Probation Department personnel to consider when dealing with search and seizure issues.

307.2 POLICY

It is the policy of the Colusa County Probation Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards, and prosecutorial considerations regarding specific search and seizure situations.

307.3 SEARCHES GENERALLY

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions to the rule that permit a warrantless search.

Examples of probation supervision activities that are exceptions to the general warrant requirement include but are not limited to searches pursuant to:

- Authorization under the terms or conditions of a person's release or supervision.
- Valid consent.
- Incident to a lawful arrest.
- Vehicle searches under certain circumstances.
- Exigent circumstances.

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and the member's familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

Colusa County Probation Department

Probation Policy Manual

Search and Seizure

307.4 SEARCH PROTOCOL

Although conditions will vary, and officer safety and other exigencies must be considered in every search situation, these guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations, or access codes when a search of locked property is anticipated.
- (e) Whenever practicable, a search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.
- (f) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, these guidelines should be followed:
 1. Another officer or a supervisor should witness the search.
 2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing, or clothing that could not reasonably conceal a weapon.

307.5 DOCUMENTATION

Officers are responsible for documenting any search and ensuring that any required reports are sufficient, including, at a minimum, documentation of:

- Reason for the search.
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys).
- What, if any, injuries or damage occurred.
- All steps taken to secure property.
- The results of the search, including a description of any property or contraband seized.
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer.

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented, and that current legal requirements and department policy have been met.

Mandatory Reporting

308.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for notification to the appropriate social services entities and local law enforcement in the case of encountered, reported, or suspected abuse.

This policy also addresses documentation specific to the discovery of abuse.

308.2 POLICY

It is the policy of the Colusa County Probation Department to ensure documentation and notification to the proper entity, as may be required by law, in the case of encountered, reported, or suspected abuse.

308.3 CHILD ABUSE

308.3.1 NOTIFICATION

Members of this department who are mandated reporters of child abuse pursuant to Penal Code § 11165.7 shall notify law enforcement or the County Welfare Office when the member has knowledge of or observes a child who the member knows or reasonably suspects has been the victim of child abuse or neglect (Penal Code § 11165.9; Penal Code § 11166).

When the Colusa County Probation Department receives a report of abuse or neglect, notification shall be made to the law enforcement agency having jurisdiction and the County Welfare Office.

The District Attorney's office shall also be notified in all instances of known or suspected child abuse or neglect reported to the Colusa County Probation Department, except the following (Penal Code § 11166; Penal Code § 11165.2; Penal Code § 11165.13).

- (a) A report of general neglect by a person who has the care or custody of a child to provide adequate food, clothing, shelter, medical care, or supervision, and where there is no physical injury to the child.
- (b) A report of a positive toxicology screen at the time of the delivery of an infant, unless there is an indication of maternal substance abuse.

When the abuse or neglect occurs at a licensed facility or is alleged to have resulted from the actions of a person who is required to have a state license (e.g., foster homes, group homes, day care), notification shall also be made to the California Department of Social Services or other applicable licensing authority. When the alleged abuse or neglect involves a child of a minor parent or a dependent adult, notification shall also be made to the attorney of the minor or the dependent adult within 36 hours (Penal Code § 11166.1; Penal Code § 11166.2).

For purposes of notification, abuse or neglect includes physical injury or death inflicted by other than accidental means upon a child by another person; sexual abuse (Penal Code § 11165.1); neglect (Penal Code § 11165.2); willful harm or injury to a child or endangering the person or health of a child (Penal Code § 11165.3); and unlawful corporal punishment or injury (Penal Code

Colusa County Probation Department

Probation Policy Manual

Mandatory Reporting

§ 11165.4). Child abuse or neglect does not include a mutual affray between minors, nor does it include an injury caused by reasonable and necessary force used by a peace officer acting within the course and scope of employment as a peace officer.

308.3.2 NOTIFICATION PROCEDURE

Notification should occur as follows (Penal Code § 11166):

- (a) When the member is making an initial notification:
 - 1. Notification shall be made immediately, or as soon as practicable, by telephone.
 - 2. A written follow-up mandated report shall be forwarded by fax or electronic transmission within 36 hours of receiving the information concerning the incident.
- (b) When the Colusa County Probation Department is making notification:
 - 1. Notification shall be made immediately, or as soon as practicable, by telephone, fax, or electronic transmission.

 - 4. For cases involving a child who is receiving child welfare services who is reasonably believed to be the victim of commercial sexual exploitation and is missing or has been abducted, notification shall be made to the appropriate law enforcement authority within 24 hours for entry into NCIC and to the National Center for Missing and Exploited Children.

308.3.3 EMERGENCY REMOVAL

An officer may take temporary custody of a minor without a warrant when the officer reasonably believes that the minor (Welfare and Institutions Code § 300; Welfare and Institutions Code § 305):

- (a) Is in immediate need of medical care.
- (b) Is in immediate danger of physical or sexual abuse.
- (c) Is in a physical environment that poses an immediate threat to the minor's health or safety.
- (d) Is left unattended, posing an immediate threat to the minor's health or safety.
 - 1. Officers shall attempt to contact the parent or guardian to take custody of the unattended child.
 - 2. If contact with the parent or guardian of the unattended minor cannot be made, the County Welfare Office shall be contacted to assume custody of the minor.
- (e) Is in the hospital and release to the parent poses an immediate threat to the minor's health or safety.

Colusa County Probation Department

Probation Policy Manual

Mandatory Reporting

- (f) Is a dependent of the juvenile court and the officer reasonably believes that the juvenile has violated an order of the court.
- (g) Has left any placement ordered by the juvenile court.
- (h) Requires medical or other care after having been found suffering from injury or sickness in a public place.

308.3.4 NOTIFICATION

Members of this department who are mandated reporters of child abuse pursuant to Penal Code § 11165.7 shall notify law enforcement or the County Welfare Office when the member has knowledge of or observes a child who the member knows or reasonably suspects has been the victim of child abuse or neglect (Penal Code § 11165.9; Penal Code § 11166).

When the Colusa County Probation Department receives a report of abuse or neglect, notification shall be made to the law enforcement agency having jurisdiction and the County Welfare Office.

The District Attorney's office shall also be notified in all instances of known or suspected child abuse or neglect reported to the Colusa County Probation Department, except the following (Penal Code § 11166; Penal Code § 11165.2; Penal Code § 11165.13).

- (a) A report of general neglect by a person who has the care or custody of a child to provide adequate food, clothing, shelter, medical care, or supervision, and where there is no physical injury to the child.
- (b) A report of a positive toxicology screen at the time of the delivery of an infant, unless there is an indication of maternal substance abuse.

When the abuse or neglect occurs at a licensed facility or is alleged to have resulted from the actions of a person who is required to have a state license (e.g., foster homes, group homes, day care), notification shall also be made to the California Department of Social Services or other applicable licensing authority (Penal Code § 11166.1; Penal Code § 11166.2).

308.4 ELDER AND ADULT DEPENDENT ABUSE

308.4.1 NOTIFICATION

Members of this department who are mandated reporters of elder or dependent adult abuse pursuant to Welfare and Institutions Code § 15630 shall notify the county adult protective services agency when the member reasonably suspects, has observed, or has knowledge of an incident that reasonably appears to be abuse of an elder or dependent adult, or are told by an elder or dependent adult that the individual has experienced abuse.

For purposes of notification, a dependent adult is an individual between 18 and 64 years of age who has physical or mental limitations that restrict the ability to carry out normal activities or to protect the individual's rights, including but not limited to persons who have physical or developmental disabilities or whose physical or mental abilities have diminished because of age. This also includes those admitted as inpatients to a 24-hour health facility, as defined in state law (Welfare and Institutions Code § 15610.23). An elder adult is an individual residing in this state who is age 65 or older (Welfare and Institutions Code § 15610.27).

Discriminatory Harassment

309.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law (Government Code § 12940(k); 2 CCR 11023).

309.2 POLICY

The Colusa County Probation Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits, and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights and privileges it is designed to protect.

The nondiscrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

309.3 DEFINITIONS

Definitions related to this policy include:

309.3.1 DISCRIMINATION

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes; stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or department equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to department policy and to a work environment that is free of discrimination.

309.3.2 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

309.3.3 SEXUAL HARASSMENT

The Department prohibits all forms of unlawful discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly as a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

309.3.4 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission and California Civil Rights Council guidelines.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with County or department rules or regulations, or any other appropriate work-related communication between supervisor and member.

309.4 RESPONSIBILITIES

This policy applies to all department members, who shall follow the intent of these guidelines in a manner that reflects department policy, professional standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief Probation Officer, the Director of Human Resources, or the County Administrative Officer.

Colusa County Probation Department

Probation Policy Manual

Discriminatory Harassment

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or retaliation, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with a resolution as stated below.

309.4.1 QUESTIONS OR CLARIFICATION

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief Probation Officer, the Director of Human Resources, the County Administrative Officer, or the California Civil Rights Department for further information, direction, or clarification (Government Code § 12950).

309.4.2 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors and managers shall include but are not limited to:

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.
- (c) Ensuring that their subordinates understand their responsibilities under this policy.
- (d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.
- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Chief Probation Officer or the Director of Human Resources in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

309.4.3 SUPERVISOR'S ROLE

Supervisors and managers shall be aware of the following:

- (a) Behavior of supervisors and managers should represent the values of the Department and professional standards.
- (b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline, in a manner that is consistent with established procedures.

309.5 INVESTIGATION OF COMPLAINTS

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination, retaliation, or harassment shall be fully documented, and promptly and thoroughly investigated.

309.5.1 SUPERVISOR RESOLUTION

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

309.5.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the supervisory resolution process, a formal investigation will be conducted.

The investigation will be coordinated with the Human Resources Department. The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint, and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Chief Probation Officer, the Director of Human Resources, or the County Administrative Officer.

309.5.3 ALTERNATIVE COMPLAINT PROCESS

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

309.7 TRAINING

All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. The members shall certify by signing the prescribed form that the member has been advised of this policy, is aware of and understands its contents, and agrees to abide by its provisions during the member's term with the Department.

Generally, reports requiring prompt follow-up action on active leads or arrest reports where the suspect remains in custody should not be held.

All reports shall accurately reflect the identity of the persons involved; all pertinent information seen, heard, or assimilated by any other sense; and any actions taken. Members shall not suppress, conceal, or distort the facts of any reported incident, nor shall any member make a false report orally or in writing. Generally, the reporting member's opinions should not be included in reports unless specifically identified as such.

313.4.1 HANDWRITTEN OR TYPED REPORTS

County, state, and federal agency forms may be block printed unless the requirement for typing is apparent. Supervisors may require block printing or typing of reports of any nature for department consistency.

Handwritten reports must be prepared legibly. If the report is not legible, the submitting member will be required by the reviewing supervisor to promptly make corrections and resubmit the report.

In general, the narrative portion of reports where an arrest is made or when there is a long narrative should be typed or dictated. Members who dictate reports shall use appropriate grammar, as the content is not the responsibility of the typist.

Members who generate reports on computers are subject to all requirements of this policy.

Media Relations

314.1 PURPOSE AND SCOPE

This policy provides guidelines for the release of official department information to the media.

314.2 POLICY

It is the policy of the Colusa County Probation Department to protect the privacy rights of individuals, while releasing non-confidential information to the media regarding topics of public concern. Information that has the potential to negatively affect inter- or intra-agency investigations will not be released.

314.3 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Chief Probation Officer. In situations not warranting immediate notice to the Chief Probation Officer and in situations where the Chief Probation Officer has given prior approval, a Assistant Chief and designated Public Information Officers may prepare and release information to the media in accordance with this policy and applicable laws regarding confidentiality.

314.4 PROVIDING ADVANCE INFORMATION

To protect the safety and rights of department members and other persons, advance information about planned actions by probation personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the media, nor should media representatives be invited to be present at such actions except with the prior approval of the Chief Probation Officer.

Any exceptions to the above should only be considered for the furtherance of legitimate probation purposes. Prior to approving any exception, the Chief Probation Officer will consider, at a minimum, whether the release of information or the presence of the media would unreasonably endanger any individual or prejudice the rights of any person or is otherwise prohibited by law.

314.5 MEDIA REQUESTS

Any media request for information or access to department members shall be referred to the Public Information Officer, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, members shall consider the following:

- (a) At no time shall any member of this department make any comment or release any official information to the media without prior approval from a supervisor or the Public Information Officer.
- (b) In situations involving multiple agencies or government departments, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this department.

Colusa County Probation Department

Probation Policy Manual

Media Relations

- (c) Under no circumstance should any member of this department make any comment to the media regarding any probation incident not involving this department without prior approval of the Chief Probation Officer. Under these circumstances the member should direct the media to the agency handling the incident.

314.6 CONFIDENTIAL OR RESTRICTED INFORMATION

It shall be the responsibility of the Public Information Officer to ensure that confidential or restricted information is not inappropriately released to the media. When in doubt, authorized and available legal counsel should be consulted prior to releasing any information.

314.6.1 EMPLOYEE INFORMATION

The identities of officers involved in shootings or other critical incidents may only be released to the media upon the consent of the involved officer or upon a formal request filed.

Any requests for copies of related reports or additional information not contained in the information log (see the Information Log section in this policy), including the identity of officers involved in shootings or other critical incidents, shall be referred to the Public Information Officer.

Requests should be reviewed and fulfilled by the Records Custodian or, if unavailable, the Chief Probation Officer or the authorized designee. Such requests will be processed in accordance with the provisions of the Records Maintenance and Release Policy and public records laws (e.g., California Public Records Act).

314.7 RELEASE OF INFORMATION

The Department may routinely release information to the media without receiving a specific request. This may include media releases regarding critical incidents, information of public concern, updates regarding significant incidents, or requests for public assistance in solving crimes or identifying suspects or probationers with warrants. This information may also be released through the department website or other electronic data sources.

Outside Agency Assistance

315.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or assistance from a law enforcement agency.

315.2 POLICY

It is the policy of the Colusa County Probation Department to respond to requests for mutual aid or assistance by law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this department.

315.3 ASSISTING OUTSIDE AGENCIES

Generally, requests for any type of assistance from a law enforcement agency should be routed to the Assistant Chief's office for approval. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

Mutual aid or assistance may be provided by this department when a law enforcement agency requests assistance. The Assistant Chief may authorize an appropriate number of available officers to assist. Officers rendering assistance shall comply with applicable laws and the policies of this department.

Only officers who have been approved by the Chief Probation Officer to respond to requests for mutual aid or assistance are authorized to participate in any response. Officers who respond to a request for assistance shall notify a supervisor of their activity as soon as practicable.

315.3.1 EMERGENCY ASSISTANCE

Officers should not respond to any emergency calls except as authorized in this policy. If an officer believes that an emergency response is required in any other situation, the officer should immediately request a response by local law enforcement.

Officers should only respond to a request for assistance as an emergency response when dispatched and when authorized by this agency to operate an emergency vehicle under emergency circumstances. Officers responding should notify a supervisor as soon as reasonably practicable. Officers responding to an emergency request for assistance from a law enforcement agency shall proceed immediately as appropriate and shall operate the emergency vehicle lighting and siren as required by law (Vehicle Code § 21055; Vehicle Code § 21056).

Officers not responding to a request for assistance as an emergency response shall observe all traffic laws and proceed without the use of emergency lights and siren. Officers responding to a request for assistance as an emergency response in a vehicle that is not equipped with lights and siren should observe all traffic laws.

Outside Agency Assistance

315.4 REQUESTING OUTSIDE ASSISTANCE

If assistance is needed from an outside agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

315.5 REPORTING REQUIREMENTS

Incidents of outside assistance shall be documented in a general case report or as directed by the Assistant Chief.

315.6 SHARED EQUIPMENT AND SUPPLIES

A plan should be prepared by the Administrative Assistant Chief or the authorized designee regarding equipment and supplies purchased with federal funds or grants that require such equipment and supplies be shared with other agencies.

The plan should include:

- (a) An itemization of the equipment.
- (b) The conditions relative to sharing.
- (c) The training requirements for:
 - 1. The use of the equipment and supplies.
 - 2. The members trained in the use of the equipment and supplies.
- (d) Any other requirements for use of the equipment and supplies.

Copies of the plan should be provided to the Assistant Chief to ensure use of the equipment and supplies complies with the sharing agreements.

The Training Supervisor should see that appropriate members have received the required training on the plan.

Major Incident Notification

316.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Colusa County Probation Department in determining when, how, and to whom notification of major incidents should be made.

316.2 POLICY

The Colusa County Probation Department recognizes that certain incidents should be brought to the attention of supervisors or other specified personnel of this department to facilitate the coordination of activities and ensure that inquiries from the media and the public may be properly addressed. Additional information regarding media inquiries is addressed in the Media Relations policy.

316.3 CRITERIA FOR NOTIFICATION

Most situations where the media show a strong interest are also of interest to the Chief Probation Officer, the affected Assistant Chief, and the appropriate County administrators. The following list of incident types is provided as a guide for notification and is not intended to be all-inclusive:

- Agent-involved shooting, whether on- or off-duty (see the Agent-Involved Shootings and Deaths Policy for special notification)
- Homicides, suspicious deaths, or other deaths related to probation activity
- Crimes or other behavior by probationers of unusual violence, or circumstances that may include hostages, barricaded persons, home invasions, armed robbery, or sexual assaults involving probationers
- In-custody deaths or in-custody serious injuries related to probationers
- Traffic accidents with fatalities or severe injuries involving department members or probationers
- Significant injury to or death of a member of the Department, whether on- or off-duty
- Arrest of a member of the Department
- Equipment failures, utility failures, and incidents that may affect staffing or pose a threat to basic probation services
- Any other incident that has attracted or is likely to attract significant media attention

316.4 ASSISTANT CHIEF RESPONSIBILITIES

The Assistant Chief is responsible for making the appropriate notifications. The Assistant Chief shall make reasonable attempts to obtain as much information on the incident as possible before notification and shall attempt to make the notifications as soon as practicable. Notification should be made by using the call notification protocol that should be posted in a readily available location.

Colusa County Probation Department

Probation Policy Manual

Major Incident Notification

316.4.1 AGENCYHEAD NOTIFICATION

In the event an incident occurs as identified in the Criteria for Notification section above, the Chief Probation Officer shall be notified along with the affected Assistant Chief and the supervisor of the affected division.

316.4.2 INVESTIGATOR NOTIFICATION

If the incident requires that an investigator respond from home, the Chief Probation Officer or the authorized designee shall be notified and will then assign the appropriate investigator (e.g., internal affairs investigations).

316.4.3 MEDIA RELATIONS

The Chief Probation Officer or the authorized designee should assign the Public Information Officer or an officer to respond to requests for information if it appears the media may have a significant interest in the incident.

Limited English Proficiency Services

317.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

317.1.1 DEFINITIONS

Definitions related to this policy include:

Authorized interpreter - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

Interpret or interpretation - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

Limited English proficiency (LEP) individual - Any individual whose primary language is not English and who has a limited ability to read, write, speak, or understand English. These individuals may be competent in certain types of communication (e.g., speaking, understanding) but still exhibit LEP for other purposes (e.g., reading, writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting, but these skills may be insufficient in other situations.

Qualified bilingual member - A member of the Colusa County Probation Department, designated by the Department, who has the ability to communicate fluently, directly, and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

Translate or translation - The replacement of written text from one language (source language) into an equivalent written text (target language).

317.2 POLICY

It is the policy of the Colusa County Probation Department to reasonably ensure that LEP individuals have meaningful access to probation services, programs, and activities while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights, or programs based on national origin or any other protected interest or right.

317.3 LEP COORDINATOR

The Chief Probation Officer shall delegate certain responsibilities to an LEP coordinator. The coordinator shall be appointed by, and directly responsible to, the Administrative Assistant Chief or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

Colusa County Probation Department

Probation Policy Manual

Limited English Proficiency Services

- (a) Coordinating and implementing all aspects of the Colusa County Probation Department's LEP services to LEP individuals.
- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Assistant Chief. The list should include information regarding:
 - 1. Languages spoken.
 - 2. Contact information.
 - 3. Availability.
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and data from community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by this department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing the department's efforts in providing meaningful access to LEP individuals, and, as appropriate, developing reports, developing new procedures, or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs, and activities.

317.4 FOUR-FACTOR ANALYSIS

Because there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of the following four factors, which are:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of this department or a particular geographic area.

Colusa County Probation Department

Probation Policy Manual

Limited English Proficiency Services

- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs, or services.
- (c) The nature and importance of the contact, program, information, or service provided.
- (d) The cost of providing LEP assistance and the resources available.

317.5 TYPES OF LEP ASSISTANCE AVAILABLE

Colusa County Probation Department members should never refuse service to an LEP individual requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will use all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include but are not limited to the assistance methods described in this policy.

317.6 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

317.7 AUDIO RECORDINGS

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals representative of the community being served.

317.8 QUALIFIED BILINGUAL MEMBERS

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members who provide LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence, or conveying rights or responsibilities.

When a qualified bilingual member from this department is not available, personnel from other County departments who have been identified by the Department as having the requisite skills and competence may be requested.

Limited English Proficiency Services

317.9 AUTHORIZED INTERPRETERS

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP coordinator that demonstrates their skills and abilities in the following areas:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

317.9.1 SOURCES OF AUTHORIZED INTERPRETERS

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other County departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

317.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted above), and have been approved by the Department to communicate with LEP individuals.

When qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called on when

Colusa County Probation Department

Probation Policy Manual

Limited English Proficiency Services

appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

317.10 CONTACT AND REPORTING

Although all probation contacts, services, and individual rights are important, this department will use the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation that involves a situation in which interpretation services were provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services used and whether the individual elected to use services provided by the Department or some other identified source.

317.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

The Colusa County Probation Department will take reasonable steps and will work with the Human Resources Department to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

317.12 FIELD SUPERVISION

Field supervision will generally include such contacts as home, school, or work visits and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and use the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information, and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

317.13 INVESTIGATIVE FIELD INTERVIEWS

In any situation where an interview may reveal information that could be used as the basis for revocation of probation or supervised release, or arrest, or prosecution of an LEP individual and a

Colusa County Probation Department

Probation Policy Manual

Limited English Proficiency Services

qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses, and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

An LEP individual's bilingual friends, family members, children, neighbors, or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

317.14 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal case. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter. To ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible.

317.15 COMPLAINTS

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during a complaint investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

Limited English Proficiency Services

317.16 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional probation duties. This department will continue to work with community groups, local businesses, and neighborhoods to provide equal access to such programs and services.

317.17 TRAINING

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Training Supervisor shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Supervisor shall maintain records of all LEP training provided and will retain a copy in each member's training file in accordance with the established records retention schedule.

317.17.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Supervisor shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

Communications with Persons with Disabilities

318.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

318.1.1 DEFINITIONS

Definitions related to this policy include:

Auxiliary aids - Tools used to communicate with people who have a disability or impairment. They include but are not limited to using gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

Disability or impairment - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

Qualified interpreter - A person who is able to interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters, and intermediary interpreters.

318.2 POLICY

It is the policy of the Colusa County Probation Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects, and arrestees, have equal access to probation services, programs, and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights, or programs based upon disabilities.

318.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief Probation Officer shall delegate certain responsibilities to an ADA coordinator (28 CFR 35.107). The coordinator shall be appointed by and directly responsible to the Chief Probation Officer or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Working with the County ADA coordinator regarding the Colusa County Probation Department's efforts to ensure equal access to services, programs, and activities.
- (b) Developing reports or new procedures or recommending modifications to this policy.

Colusa County Probation Department

Probation Policy Manual

Communications with Persons with Disabilities

- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs, and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each member of the department. The list should include information regarding:
 - 1. Contact information.
 - 2. Availability.
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas indicating that auxiliary aids are available free of charge to individuals with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs, and activities.

318.4 FACTORS TO CONSIDER

Because the nature of any probation contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs, and activities. These factors may include but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. That an individual appears to be nodding in agreement does not always mean the individual completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the probation contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

318.5 INITIAL AND IMMEDIATE CONSIDERATIONS

Recognizing that various probation encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

Colusa County Probation Department

Probation Policy Manual

Communications with Persons with Disabilities

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length, and complexity of the involved communication.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, is hard of hearing, or has impaired speech must be handcuffed while in the custody of the Colusa County Probation Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

318.6 TYPES OF ASSISTANCE AVAILABLE

Colusa County Probation Department members shall never refuse an available service to an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall it require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to disabled individuals through a variety of services.

Disabled individuals may choose to accept department-provided auxiliary aids or services, or they may choose to provide their own.

Department-provided auxiliary aids or services may include but are not limited to the assistance methods described in this policy.

318.7 AUDIO RECORDINGS AND ENLARGED PRINT

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form (e.g., a personnel complaint form) or provide forms with enlarged print.

Communications with Persons with Disabilities

318.8 QUALIFIED INTERPRETERS

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect, or arrestee) if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to probation matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide an interpreter (28 CFR 35.160).

318.9 TTY AND RELAY SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., booking, attorney contacts), members must also provide those who are deaf, are hard of hearing, or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

318.10 COMMUNITY VOLUNTEERS

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members

Colusa County Probation Department

Probation Policy Manual

Communications with Persons with Disabilities

must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

318.11 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect/probationer/person on supervised release).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

318.12 REPORTING

Whenever any member of this department is required to complete a report or other documentation and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

318.13 FIELD SUPERVISION

Field supervision will generally include such contacts as home, work, or school visits, street contacts, community encounters, and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity, and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information, and the meaning

Colusa County Probation Department

Probation Policy Manual

Communications with Persons with Disabilities

or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

318.13.1 FIELD RESOURCES

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, is hard of hearing, or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device, or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

318.14 CUSTODIAL INTERROGATIONS

In an effort to ensure that the rights of individuals who are deaf, are hard of hearing, or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that the individual understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided by a qualified interpreter or by providing a written *Miranda* warning card to suspects who are deaf or hard of hearing.

To ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible.

318.15 ARRESTS AND BOOKINGS

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual prefers a different auxiliary aid or service

Colusa County Probation Department

Probation Policy Manual

Communications with Persons with Disabilities

or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, are hard of hearing, have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, to protect the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information should be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

318.16 COMPLAINTS

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the ADA coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this department.

318.17 TRAINING

To ensure that all members who may have contact with disabled individuals are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms, and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The Training Supervisor shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including those who are deaf, are hard of hearing, have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Supervisor shall maintain records of all training provided and will retain a copy in each member's training file in accordance with the established records retention schedule.

318.17.1 TTY OR TDD TRAINING

Training should be mandatory for all members who have contact with probationers who are deaf, are hard of hearing, or have impaired speech. Refresher training should occur every six months. Such training and information should include:

Colusa County Probation Department

Probation Policy Manual

Communications with Persons with Disabilities

- (a) ASL syntax and accepted abbreviations.
- (b) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls and using proper syntax, abbreviations, and protocol when responding to TTY or TDD calls.
- (c) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Biological Samples

319.1 PURPOSE AND SCOPE

This policy provides guidelines for the collection of biological samples from those individuals required by California law to provide a biological sample to the Colusa County Probation Department as a result of a qualifying conviction or adjudication.

This policy does not apply to biological samples in conjunction with a criminal investigation, nor does it apply to biological samples collected from those required to register, for example, as sex offenders or arson offenders. Biological samples collected for purposes of drug and/or alcohol testing (e.g., urine, blood) are addressed in the Drug and Alcohol Testing Policy.

319.2 POLICY

The Colusa County Probation Department will assist in the collection of required biological samples from probationers and individuals subject to post-release community supervision or mandatory supervision in accordance with the laws of this state, including out-of-state transfer cases.

319.3 INDIVIDUALS SUBJECT TO BIOLOGICAL SAMPLE COLLECTION

The following individuals who are on probation or under supervision for any felony or misdemeanor offense are required by California law to submit a biological sample to an officer of the Colusa County Probation Department if the individual has a prior felony conviction or adjudication, including a conviction or adjudication for an equivalent out-of-state offense (Penal Code § 296.1):

- (a) Probationers
- (b) Individuals subject to post-release community supervision
- (c) Individuals subject to mandatory supervision pursuant to Penal Code § 1170(h)(5)

In addition, individuals who are accepted for supervision by this department from another jurisdiction and who are not confined are required to submit a biological sample if the individual has a prior felony conviction or adjudication, including a conviction or adjudication for an equivalent out-of-state offense (Penal Code § 296.1(a)(5)).

319.4 PROCEDURE

When an individual is required to provide a biological sample to a probation officer, subsequent to conviction, a probation officer of the Colusa County Probation Department should:

- (a) Verify the individual is required to provide a sample pursuant to California law.
 - 1. Verification includes querying the individual's criminal history record for a DNA collection flag or, during regular business hours, contacting the California Department of Justice (DOJ) designated laboratory to determine whether a biological sample has previously been collected from the individual. There is no need to obtain a sample if one has been previously obtained.

Colusa County Probation Department

Probation Policy Manual

Biological Samples

- (b) Notify the individual of the time and location to appear to submit a sample.
 - 1. The date to appear shall be, when practicable, within five days of notification to the individual of the requirement to submit a sample (Penal Code § 296.1).
 - 2. Collections from an individual accepted for supervision from another jurisdiction shall occur at a county jail facility located in the county where the person resides (Penal Code § 296.1).
 - 3. All other collections may occur at a county jail facility or at any other city, state, local, or private facility designated by the California DOJ for the collection of a sample (Penal Code § 296.1).
- (c) Provide or use the collection kit designated by the California DOJ for the collection of the sample.
- (d) Provide for a witness to be present at the collection of the sample.
- (e) Document in the individual's file that the sample was taken.
- (f) Forward the sample to the California DOJ as soon as practicable.

319.5 USE OF FORCE TO OBTAIN SAMPLES

If a probationer refuses to cooperate with the sample collection process, members should attempt to identify the reason for refusal and seek voluntary compliance without resorting to the use of force. Force will not be used in the collection of samples except as authorized by court order.

Methods to consider when seeking voluntary compliance include:

- (a) Communicating the possible consequences of a refusal.
- (b) Contacting the District Attorney to seek additional charges against the individual for failure to comply pursuant to Penal Code § 298.1 or bring the refusal before the appropriate court.
- (c) Notifying the court at the probationer's next court appearance, if any.
- (d) Contacting the probationer's attorney, if known.
- (e) Filing a violation report pursuant to the Violations Policy.

A supervisor shall review and approve any plan to use additional actions to compel a sample. Both the supervising officer and the supervisor should document the probationer's refusal to submit a sample and the steps taken in any attempt to obtain voluntary compliance.

319.5.1 USE OF FORCE DOCUMENTATION

A supervisor shall prepare prior written authorization for the use of any force (Penal Code § 298.1). The written authorization shall include information that the individual was asked to provide the requisite specimen, sample, or impression and refused, as well as the related court order authorizing the force.

Biological Samples

319.5.2 VIDEO RECORDING

A video recording should be made any time force is used to obtain a biological sample. The recording should document all persons participating in the process, in addition to the methods and all force used during the collection. The recording should be part of the probationer's file or otherwise retained in accordance with the established records retention schedule.

319.6 BLOOD SAMPLES

A blood sample should only be obtained under this policy when (Penal Code § 295; Penal Code § 298):

- (a) The California DOJ requests a blood sample and the subject consents.
- (b) A court orders a blood sample following a refusal.

The withdrawal of blood may only be performed in a medically approved manner by health care providers trained and qualified to draw blood. A California DOJ collection kit shall be used for this purpose (Penal Code § 298).

Child and Dependent Adult Safety

320.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult abuse investigation. These are covered in the Mandatory Reporting Policy.

320.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Colusa County Probation Department will endeavor to create a strong, cooperative relationship with local, state, and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

320.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases, this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the probationer has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider asking witnesses, neighbors, friends, and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should consider reasonable alternatives to arresting a parent, guardian, or caregiver in the presence of a child or dependent adult.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be nonproductive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that appropriate care will be provided.

320.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Colusa County Probation Department

Probation Policy Manual

Child and Dependent Adult Safety

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases, the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
 - 1. Officers should consider allowing the person to use the person's cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence that it would not be in the dependent person's best interest (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends who the person knows and trusts because familiarity with surroundings and consideration for comfort, emotional state, and safety are important.
 - 1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian, or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify Child Protective Services or the Adult Protective Services, if appropriate.
- (e) Notify the field supervisor or Assistant Chief of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

320.3.2 DURING THE BOOKING PROCESS

During the booking process, the arrestee should be allowed to make telephone calls to arrange for the care of any child or dependent adult.

If an arrestee is unable to arrange for the care of any child or dependent adult through this process, or circumstances prevent them from making such arrangements (e.g., their behavior prevents reasonable accommodations for making necessary calls), a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county, or state services agency.

Colusa County Probation Department

Probation Policy Manual

Child and Dependent Adult Safety

320.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting member will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Special needs(e.g.,medical,mental health)
 - 5. How, where, and with whom or which agency the child was placed
 - 6. Identities and contact information for other potential caregivers
 - 7. Notifications made to other adults(e.g.,schools,relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Whether the person reasonably appears able to engage in self-care
 - 5. Disposition or placement information if the person is unable to engage in self-care

320.3.4 SUPPORT AND COUNSELING REFERRAL

If the handling officers believe the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate, or a crisis response telephone number, they should provide appropriate referral information.

320.3.5 SELF-SURRENDER

If an officer allows a probationer to self-surrender, the officer should, where practicable, allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate.

320.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service agency to determine whether protective custody is appropriate.

Only when other reasonable options are exhausted should a child or dependent adult be transported to the Probation facility, transported in a marked law enforcement vehicle, or taken into formal protective custody.

Colusa County Probation Department

Probation Policy Manual

Child and Dependent Adult Safety

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

320.5 TRAINING

The Training Supervisor is responsible for ensuring that all members of this department who may be involved in arrests affecting children or dependent adults receive approved training on effective safety measures when a parent, guardian, or caregiver is arrested.

Service Animals

321.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to ensure that the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act (ADA).

321.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks to benefit an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104; Health and Safety Code § 113903).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size, and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

321.2 POLICY

It is the policy of the Colusa County Probation Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

321.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness, or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors, or flipping switches for people who have limited use of their hands, arms, or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities, or psychiatric disabilities, such as reminding a person with depression to take medication.

Colusa County Probation Department

Probation Policy Manual

Service Animals

- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

321.4 MEMBER RESPONSIBILITIES

Service animals assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Colusa County Probation Department affords to all members of the public (28 CFR 35.136).

321.4.1 INQUIRY

If it is apparent or if a member knows that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about the disability nor should the person be asked to provide any license, certification, or identification card for the service animal.

321.4.2 CONTACT

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting, or otherwise initiating contact with a service animal.

321.4.3 REMOVAL

If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, an officer may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually, and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services that are reasonably available to an individual with a disability, with or without a service animal.

Off-Duty Law Enforcement Actions

322.1 PURPOSE AND SCOPE

This policy is intended to provide guidelines for officers of the Colusa County Probation Department with respect to taking law enforcement action while off-duty.

322.2 POLICY

It is the policy of the Colusa County Probation Department that officers generally should not exercise their authority while off-duty. Officers are not expected to place themselves in unreasonable peril and should first consider recording the activity for the purpose of completing a report to be forwarded at a later time. However, any officer with authority to arrest who becomes aware of an incident or circumstance that the officer reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage or loss, may take reasonable action to minimize or eliminate the threat.

322.3 DECISION TO INTERVENE

There is no legal requirement for off-duty probation officers to exercise their authority. Officers should wait for on-duty uniformed law enforcement personnel to arrive instead of immediately taking action and, while waiting, gather as much information as possible. However, if an officer does take action, the officer must evaluate whether the action is necessary or desirable, and should take into consideration:

- (a) The potential to be misidentified by other law enforcement personnel.
- (b) The potential to be misidentified by members of the public, who may be armed or who may take action.
- (c) The tactical disadvantage of being alone and the possibility of multiple or hidden suspects.
- (d) Limited off-duty firearms capabilities and ammunition.
- (e) The inability to communicate with responding law enforcement personnel.
- (f) The lack of equipment, such as body armor, handcuffs, or control devices.
- (g) Unfamiliarity with the surroundings, including escape routes.
- (h) The potential for increased risk to bystanders by confronting a suspect or taking action.

322.3.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary, the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance and give the dispatcher a description of the off-duty probation officer for broadcast to responding law enforcement personnel.

Whenever practicable, the officer should loudly and repeatedly identify as an officer with the Colusa County Probation Department until acknowledged. Official identification should also be displayed when possible.

Off-Duty Law Enforcement Actions

322.4 NON-AGENT RESPONSIBILITIES

Members who have been trained in department procedures for collecting specimens may collect specimens consistent with the probationer's case management plan, a court order, the random screening protocol, or as otherwise specified in department procedure.

404.4.1 RESPONSIVE ACTION

When a probationer admits to the use of an unauthorized substance, refuses to submit a specimen when required, tests positive for an unauthorized substance, or provides an adulterated or diluted specimen, the supervising officer should consider whether:

- (a) Confirmation testing is appropriate.
- (b) The failure or refusal may be a violation of the conditions of supervision and take further action pursuant to the Violations Policy.
- (c) Officers may choose to handle a violation of conditions of supervision in an informal manner, in consideration of each probationer's individual needs, as long as the action complies with court mandates.

If a probationer tests positive, admits use, or refuses to provide a sample and the officer reasonably suspects the probationer arrived at the testing location or intends to leave the testing location by operation of a motor vehicle while impaired, the officer should proceed according to the Violations Policy.

404.4.2 CONFIRMATION TESTS

Supervising officers should perform testing of a probationer despite an admission of use.

When a specimen tests positive or is adulterated or diluted, regardless of any admission of use, reasonable efforts should be made to confirm whether the result occurred during the use of an authorized or prescribed medication or is the result of the use of a prohibited substance. This may include:

- (a) Administration of additional on-site screening.

Probation Policy Manual

Drug and Alcohol Testing

- (b) Verification of medical prescriptions or medical marijuana identification card if use is approved by the court or conditions of the probationer's supervision.
- (c) Submission of an appropriate specimen, following the established chain of custody, to an approved toxicology laboratory for confirmation testing.

404.5 TRAINING

Officers should receive training on this policy and related procedures.

Modification of Conditions of Supervision

405.1 PURPOSE AND SCOPE

The purpose of this policy is to provide general guidance for the modification of conditions of supervision.

405.2 POLICY

It is the policy of this department that officers will communicate with the courts and the probationer to modify conditions of supervision.

405.3 APPROVALS

Officers should not modify conditions of supervision without court approval unless the court has expressly delegated the authority to do so to the officer or Colusa County Probation Department.

If court approval is not required and the modification would decrease the intensity of supervision, officers should obtain supervisor approval prior to the modification.

405.4 MODIFICATIONS

When an officer determines modification of a probationer's conditions of supervision may be appropriate, the officer should within a reasonable time:

- Identify the proposed modification and document the reason(s) for the proposed modification.
- Notify the probationer of the proposed modification and ask whether the probationer will agree to the modification.
- If the probationer is a minor, proceed with the Modification Hearing subsection (even if the probationer agrees to the modification).

An agreement by the probationer to the modification should be in writing and witnessed by a supervisor and a third-party officer or staff member.

405.4.1 MODIFICATION WITHOUT HEARING

If the probationer agrees to the modification and the court has expressly authorized modifications without a hearing, the officer should (Penal Code § 1203.2; Penal Code § 3455):

- (a) Obtain a written waiver of the hearing from the probationer.
- (b) Submit to the court a copy of the modification along with the rationale for the modification and the probationer's agreement and waiver of hearing.

Prior to submission of court documents, the officer shall notify the probationer of the right to an attorney, and if indigent, the right to a court-appointed attorney (Penal Code § 1203.2). If a probationer waives the right to an attorney, the officer should obtain a signature from the individual on the written waiver. If the probationer consults with an attorney and thereafter agrees

Modification of Conditions of Supervision

to the modification and waiver of personal appearance at the hearing, the officer should obtain a signature from the attorney as to the agreement (Penal Code § 1203.2; Penal Code § 3455).

405.4.2 MODIFICATION HEARING

If the probationer does not waive a court hearing or a hearing is required under the circumstances, the officer should:

- (a) Arrange to have a court date set.
- (b) Prepare or assist in preparing any documents required by the court (Penal Code § 1203.2; Penal Code § 3455; Welfare and Institutions Code § 778).
- (c) Notify the probationer of the hearing date.
 - 1. Notice should be in writing signed by the probationer and the method of notice, or reason why notice was not given, should be documented.
 - 2. Officers filing a petition to juvenile court to modify or set aside a condition of probation should serve a copy of the petition on the District Attorney, the minor's attorney of record, or, if there is no counsel of record, to minor and the parents or guardians (Welfare and Institutions Code § 778; Welfare and Institutions Code § 776).

405.5 CASE MANAGEMENT PLAN

Officers should review any resulting modifications with the probationer.

The case management plan should be modified as appropriate. See the Supervision of Probationers Policy.

405.6 DOCUMENTATION

Documents associated with modifications of conditions of supervision, including any waivers and approvals, should be filed in the probationer's case file and retained in accordance with the Records Maintenance and Release Policy.

Violations

406.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for responding to and reporting violations of conditions of supervision.

406.2 POLICY

It is the policy of this department to respond to potential violation behavior with due diligence.

406.3 INVESTIGATIONS

Officers should begin an investigation into reported or suspected violation behavior within a reasonable time. Investigations into possible violations involving behavior reasonably believed to implicate a specific threat to public safety or to the safety of the probationer or another person should be given priority.

Suspected violations that may constitute additional criminal behavior should be documented sufficiently for presentation to outside agencies, such as local law enforcement for follow-up or the District Attorney for filing of additional charges. See the Report Preparation Policy.

All investigations should be documented, including whether the case was submitted to the court and/or the District Attorney and any reasons it was not.

406.4 PROCESSING VIOLATIONS

If as a result of an investigation, the officer reasonably believes violation proceedings are appropriate, the officer should make reasonable efforts to bring the matter before the court as soon as reasonably practicable.

406.4.1 REQUIRED VIOLATION REPORTING

Officers shall report any violation or breach of conditions imposed by the court to both the court that appointed the officer and the court that released the probationer, if different (Penal Code § 1203.7; Penal Code § 1203.12).

Officers who receive written notification that a probationer has been imprisoned for another offense shall submit a report to the court that released the probationer not later than 30 days after receiving notification of the imprisonment. Officers who otherwise discover that a probationer is incarcerated on another offense should make reasonable efforts to notify the releasing court of the information discovered (Penal Code § 1203.2a).

406.4.2 DISCRETIONARY VIOLATION REPORTING

Officers should consult with a supervisor in cases where they reasonably believe that despite violation behavior compliance with conditions may be achieved without court intervention. If modification of conditions is appropriate, officers should proceed in accordance with the Modification of Conditions of Supervision Policy.

Colusa County Probation Department

Probation Policy Manual

Violations

Officers who determine that intermediate sanctions are not appropriate for an individual who violated conditions of supervision on post-release community supervision (PRCS) pursuant to Penal Code § 3450 et seq. should submit a petition to the court to revoke or terminate PRCS, if appropriate, or proceed with the Modifications of Conditions of Supervision Policy (Penal Code § 3455).

406.4.3 FLASH INCARCERATION

Officers shall obtain supervisor approval prior to the imposition of flash incarceration. Officers shall notify the court, sheriff's office, District Attorney, and public defender as soon as practicable once a decision has been made to impose flash incarceration on a probationer (Penal Code § 1203.35). If a probationer does not agree to accept a recommended period of flash incarceration, the officer should report the violation to the court, if appropriate, or proceed with the Modification of Conditions of Supervision Policy, if applicable (Penal Code § 1203.35).

406.4.4 ADDITIONAL REQUIREMENTS FOR INDIVIDUALS ON POST-RELEASE COMMUNITY SUPERVISION

Officers should investigate suspected violation behavior of individuals on PRCS pursuant to Penal Code § 3450 et seq. and process violations per the Investigations and Processing Violations sections of this policy.

Officers who have a reasonable belief that an individual on PRCS has violated a condition of supervision should obtain supervisor approval prior to the implementation of flash incarceration (Penal Code § 3454).

If flash incarceration or another intermediate sanction is not appropriate, the officer should submit a petition to the court to revoke or terminate PRCS, if applicable, or proceed with the Modification of Conditions of Supervision Policy. The petition shall include a written report that contains the terms and conditions of PRCS, the circumstances of the violation, the history of the violator, and any recommendations (Penal Code § 3455). If a petition is submitted to the court, the officer should proceed with the Service of Documents, Notice to the District Attorney, Evidence Disclosure, and Notifications sections in this policy. If an arrest is appropriate, the officer should proceed with the Arrests section of this policy.

406.5 ARRESTS

Officers who reasonably believe that an arrest is appropriate based on violation behavior should take steps to initiate the arrest (i.e., by contacting local law enforcement, if appropriate under the circumstances; by obtaining an arrest warrant) within the scope of their authority and without unreasonable delay (Penal Code § 1203.2; Penal Code § 3455; Welfare and Institutions Code § 625) (see the Probation Authority policy.)

If an officer has a reasonable belief that an immediate arrest is warranted (e.g., the violation behavior implicates a specific threat (such as an intoxicated probationer close to operating a vehicle), abscondence is likely, the arrest is required by state law), the officer should initiate a warrantless arrest if legally permitted under the circumstances.

Colusa County Probation Department

Probation Policy Manual

Violations

If an arrest warrant is issued for the violation, the officers should request assistance from local law enforcement to serve the warrant, if appropriate.

406.6 SERVICE OF DOCUMENTS

Regardless of whether an arrest is made, the officer shall serve a copy of any petition filed with the court on the probationer or the attorney for the probationer, if known (Penal Code § 1203.2). The officer should also serve a copy of the violation report on the probationer or the probationer's attorney, if known.

A copy of the petition to revoke probation and/or violation report should be served personally on the probationer. If personal service cannot reasonably be made, service should be made by certified mail, return receipt requested.

If an officer reasonably believes that service may pose an unreasonable risk, the officer should request local law enforcement assistance.

406.6.1 NOTICE TO THE DISTRICT ATTORNEY

Officers shall provide a copy of the petition to revoke probation to the District Attorney (Penal Code § 1203.2). The copy should be provided as soon as practicable after filing the petition. The method of notification (e.g., personally, by certified mail) and the date should be documented.

406.6.2 EVIDENCE DISCLOSURE

Evidence that the officer intends to be used at a violation hearing should be disclosed prior to the hearing to the District Attorney. Information that is confidential or protected may have disclosure limitations and should be approved by a supervisor and/or the court prior to disclosure.

406.6.3 SUPPLEMENTAL PETITIONS IN JUVENILE COURT

Officers filing a supplemental petition to juvenile court shall serve notice of the date, time, and place of a Welfare and Institutions Code § 777 hearing to the minor's parents, foster parents, guardians, or the relatives providing care to the minor in the manner required by Welfare and Institutions Code § 658 or Welfare and Institutions Code § 660, as applicable (Welfare and Institutions Code § 777).

406.7 NOTIFICATIONS

Officers who initiate violation proceedings against probationers should consider whether notification should be made to a third party or the victim of the offense for which the probationer is on supervision. See the Victim and Witness Assistance Policy.

Subpoenas and Court Appearances

407.1 PURPOSE AND SCOPE

This policy establishes the guidelines for department members who must appear in court. It will allow the Colusa County Probation Department to cover any related work absences and keep the Department informed about relevant legal matters.

407.2 POLICY

Colusa County Probation Department members will respond appropriately to all subpoenas and any other court-ordered appearances.

407.3 SUBPOENAS

Only department members authorized to receive a subpoena on behalf of this department or any of its members may do so. This may be accomplished by personal service to the officer or by delivery of two copies of the subpoena to the officer's supervisor or other authorized department agent (Government Code § 68097.1; Penal Code § 1328).

The party that issues a civil subpoena to an officer to testify as a witness must tender the statutory fee of \$275 with the subpoena for each day that an appearance is required before service is accepted of the subpoena (Government Code § 68097.2).

An immediate supervisor or authorized individual may refuse to accept service for a criminal subpoena if (Penal Code § 1328):

- (a) The supervisor or authorized individual will be unable to deliver a copy of the subpoena to the named officer within sufficient time for the named officer to comply with the subpoena.
- (b) It is less than five working days prior to the date listed for an appearance and the supervisor or authorized individual is not reasonably certain that service can be completed.

If, after initially accepting service of a criminal subpoena, a supervisor or other authorized individual determines it is not possible to deliver a copy of the subpoena to the named officer within sufficient time for the named officer to comply with the subpoena, the supervisor or the subpoena clerk shall notify the server or the attorney named on the subpoena of such not less than 48 hours prior to the date listed for the appearance (Penal Code § 1328).

407.3.1 SPECIAL NOTIFICATION REQUIREMENTS

Any member who is subpoenaed to testify, agrees to testify, or provides information on behalf or at the request of any party other than the County Counsel or the prosecutor shall notify the member's immediate supervisor without delay regarding:

- (a) Any civil case where the County or one of its members, as a result of their official capacity, is a party.

Colusa County Probation Department

Probation Policy Manual

Subpoenas and Court Appearances

- (b) Any civil case where any other city, county, state, or federal unit of government or a member of any such unit of government, as a result of their official capacity, is a party.
- (c) Any criminal proceeding where the member is called to testify or provide information on behalf of the defense.
- (d) Any civil action stemming from the member's on-duty activity or because of their association with the Colusa County Probation Department.
- (e) Any personnel or disciplinary matter when called to testify or to provide information by a government entity other than the Colusa County Probation Department.

The supervisor will then notify the Chief Probation Officer and the appropriate prosecuting attorney as may be indicated by the case. The Chief Probation Officer should determine if additional legal support is necessary.

No member shall be retaliated against for testifying in any matter.

407.3.2 CIVIL SUBPOENA

The Department will compensate members who appear in their official capacities on civil matters arising out of their official duties, as directed by the current collective bargaining agreement or memorandum of understanding.

The Department should seek reimbursement for the member's compensation through the civil attorney of record who subpoenaed the member.

407.3.3 OFF-DUTY RELATED SUBPOENAS

Members receiving valid subpoenas for off-duty actions not related to their employment or appointment will not be compensated for their appearance. Arrangements for time off shall be coordinated through their immediate supervisors.

407.4 FAILURE TO APPEAR

Any member who fails to comply with the terms of any properly served subpoena or court-ordered appearance may be subject to discipline. This includes properly served orders to appear that were issued by a state administrative agency.

407.5 STANDBY

To facilitate standby agreements, members are required to provide and maintain current information on their addresses and contact telephone numbers with the Department.

If a member on standby changes location during the day, the member shall notify the designated department member of how the member can be reached. Members are required to remain on standby until released by the court or the party that issued the subpoena.

407.6 COURTROOM PROTOCOL

When appearing in court, members shall:

- (b) Appropriate business attire for the court room.
- (c) Observe all rules of the court in which they are appearing and remain alert to changes in the assigned courtroom where their matter is to be heard.

407.6.1 TESTIMONY

Before the date of testifying, the subpoenaed member shall request a copy of relevant reports and become familiar with the content in order to be prepared for court. The member should also contact the prosecuting attorney regarding testimony and evidence that might be needed in court.

407.6.2 EVIDENCE

When a member is directed by a subpoena to appear in court with evidence or the prosecuting attorney requests evidence that is available to the member, that member should:

- (a) Notify the Property/Evidence Room promptly after receiving the subpoena that the specified evidence is needed for court, and verify that the evidence is readily available.
- (b) Verify whether the evidence will be analyzed by the time of the court appearance, if applicable, and advise the prosecutor of any delay.
- (c) Check with the prosecuting attorney on a timely basis if in doubt about what items or materials to bring to court.
- (d) Notify the prosecuting attorney on a timely basis in the event that evidence has been lost, stolen, or misplaced, or if previously undisclosed information about the evidence has become available.

Cash Handling, Security, and Management

410.1 PURPOSE AND SCOPE

This policy does not address cash, checks, or money order handling issues specific to property, which are addressed in the Property Policy.

410.2 POLICY

It is the policy of the Colusa County Probation Department to properly handle and document transactions involving cash, checks, or money orders and to maintain accurate records of these transactions in order to protect the integrity of department operations and ensure the public trust.

Transactions that are not documented by a receipt, invoice, or cash transfer form require an expense report.

410.5 PETTY CASH AUDITS

The person responsible shall perform an audit no less than once every six months. This audit requires that the fund manager and at least one administrative staff member, selected by the Chief Probation Officer, review the transaction ledger and verify the accuracy of the accounting. The person responsible and the participating member shall sign or otherwise validate the ledger attesting to the accuracy of all documentation and fund accounting. A discrepancy in the audit requires documentation by those performing the audit and an immediate reporting of the discrepancy to the Chief Probation Officer.

Transference of fund management to another member shall require a separate petty cash audit and involve an administrative staff member.

Colusa County Probation Department

Probation Policy Manual

Cash Handling, Security, and Management

A separate audit of each petty cash fund should be completed on a random date, approximately once each year, by the Chief Probation Officer or the County.

410.7 OTHER CASH HANDLING

Members who, within the course of their duties, are in possession of cash, checks, or money orders that are not their property or that are outside their defined cash-handling responsibilities shall, as soon as practicable, verify the amount, summon another member to verify their accounting, and process the funds for safekeeping or as evidence or found property, in accordance with the Property Policy.

staff sexual abusers from contact with any probationer pending the outcome of an investigation or of a determination of whether and to what extent discipline is warranted (28 CFR 115.266).

Bias-Based Supervision

412.1 PURPOSE AND SCOPE

This policy provides guidance to Colusa County Probation Department members that affirms the County's commitment to supervision that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in probation activities designed to strengthen the department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, and partnerships).

412.1.1 DEFINITIONS

Definitions related to this policy include:

Bias-based supervision - An inappropriate reliance on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing supervision services or enforcement of court orders.

412.2 POLICY

The Colusa County Probation Department is committed to providing supervision services to the community with due regard for the racial, cultural, or other differences of those served. It is the policy of this department to provide probation services and to enforce the law and conditions set by the court equally, fairly, objectively, and without discrimination toward any individual or group.

412.3 BIAS-BASED SUPERVISION PROHIBITED

Bias-based supervision is strictly prohibited.

However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely, and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns, or specific schemes.

412.4 MEMBER RESPONSIBILITIES

Every member of this department shall perform their duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based supervision to a supervisor. Members should, when reasonable to do so, intervene to prevent any bias-based actions by another member.

412.4.1 REASON FOR CONTACT

Officers contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

Bias-Based Supervision

To the extent that written documentation would otherwise be completed (e.g., arrest report), the involved officer should include those facts giving rise to the contact.

Except for required data-collection forms or methods, nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

412.5 SUPERVISOR RESPONSIBILITIES

Supervisors should monitor those individuals under their command for compliance with this policy and shall handle any alleged or observed violations in accordance with the Personnel Complaints Policy.

- (a) Supervisors should discuss any issues with the involved officer and the officer's supervisor in a timely manner.
 - 1. Supervisors should document these discussions in the prescribed manner.
- (b) Supervisors shall initiate investigations of any actual or alleged violations of this policy.
- (c) Supervisors should take prompt and reasonable steps to address any retaliatory action taken against any member of this department who discloses information concerning bias-based supervision.

412.6 STATE REPORTING

The Assistant Chief shall ensure that all data required by the California Department of Justice (DOJ) regarding complaints of racial bias against officers is collected and provided to the Records Custodian for required reporting to the DOJ (Penal Code § 13012; Penal Code § 13020).

412.7 TRAINING

Training on fair and objective supervision and review of this policy should be conducted as directed by the Training Supervisor.

Chapter 5 - Field and Special Operations

Crime Scene Integrity and Investigation

500.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding the discovery of a crime or crime scene by department members and any corresponding investigation of a crime.

This policy is intended to address criminal investigations of new crimes or crime scenes, not specific violations of an offender's terms of probation. See the Violations Policy.

500.2 POLICY

It is the policy of this department to secure the safety of the public and the preservation of crime scenes, when reasonably practicable, until relieved by local law enforcement, a supervisor, or other designated person. It is also the policy of this department to cooperate with local law enforcement in the investigation of newly discovered crimes as set forth in this policy.

500.3 INITIAL CONSIDERATIONS

Officers who become aware of a crime or crime scene, including one that may involve probationers under the supervision of the Department, should contact the appropriate local law enforcement agency as soon as practicable.

If the crime involves a probationer under supervision by the Department, the officer should coordinate investigative responsibilities and share relevant information with the responding local law enforcement agency.

An officer who reasonably believes that an individual present during the commission of a crime or at a crime scene is under probation supervision by another officer or other department should take reasonable steps to notify the individual's supervising officer or the associated department to coordinate any necessary investigative responsibilities.

500.3.1 RESPONSE

Officers who encounter or who are first to arrive at a crime scene should:

- (a) Contact local law enforcement.
- (b) Contact other local agencies (e.g., emergency medical services, fire) and request additional assistance and resources, if appropriate.
- (c) Notify a supervisor.
- (d) When reasonably practicable, provide for the general safety of those within the immediate area by mitigating, reducing, or eliminating threats or dangers.
- (e) Evacuate the location safely as required or appropriate.
- (f) Identify potential witnesses.

Colusa County Probation Department

Probation Policy Manual

Crime Scene Integrity and Investigation

500.4 ARRESTS

An officer at the location of a crime or crime scene should not initiate an arrest unless the officer has a reasonable belief that an immediate arrest is appropriate and warranted to prevent imminent harm to others and only if legally permitted under the circumstances. Additional guidance regarding officer arrest authority under California law is provided in the Probation Authority Policy.

Circumstances involving domestic violence or the crime of possession of medical marijuana may require exceptional handling under California law.

500.4.1 ARRESTS AND INVESTIGATIONS INVOLVING DOMESTIC VIOLENCE

Absent extenuating circumstances involving an imminent threat of death or bodily injury to the officer or another person, officers who have probable cause to believe that an offense involving domestic violence has occurred within their presence should request response by the appropriate local law enforcement agency.

This should be considered even if the officer has arrest authority under California law. However, if the officer is authorized or required to take enforcement action, the officer shall take steps to reasonably ensure that appropriate action is taken, including an arrest when there is probable cause to do so. In such case, any decision not to arrest shall be made by the officer's supervisor.

Officers shall also take steps to reasonably ensure any other mandatory action related to domestic violence is accomplished. This may include mandates related but not limited to the following:

- (a) Required victim notifications or assistance.
- (b) The service of court orders.
- (c) Seizure of firearms or other deadly weapons in accordance with Penal Code § 18250 if the incident involved threats of bodily harm or physical assault and the firearm or weapon is discovered in plain view or pursuant to consent or other lawful search.

500.4.2 ARRESTS AND INVESTIGATIONS INVOLVING THE USE OF MEDICAL MARIJUANA

Officers shall not arrest a cardholder or designated primary caregiver in possession of an identification card solely for the crime of possession, transportation, delivery, or cultivation of medical marijuana at or below the statutory amount unless there is probable cause to believe that (Health and Safety Code § 11362.71; Health and Safety Code § 11362.78):

- (a) The information contained in the card is false or falsified.
- (b) The card has been obtained or used by means of fraud.
- (c) The person possesses marijuana, but not for personal medical purposes.

Officers should refer to the Violations Policy when a probationer alleges possession or use of marijuana for medicinal purposes and the probationer's terms of supervision do not allow for medicinal use or possession.

Crime Scene Integrity and Investigation

500.5 EVIDENCE

Officers should not conduct searches beyond the scope of their authority. Evidence discovered at a crime scene and that pertains to an officer's investigation of a probation violation should be documented and preserved as soon as practicable in accordance with the Search and Seizure Policy.

Officers who discover evidence that does not relate to a probation violation should defer to local law enforcement personnel for collection.

500.6 REPORTS

Reports should include adequate investigative information and reference to all evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in a related criminal case, as well as information that may adversely affect the credibility of a witness. If an officer learns of potentially incriminating or exculpatory information any time after submission of a report, the officer should prepare and submit a supplemental report documenting such information as soon as practicable.

Officers should proceed with the Violations Policy when the investigation involves a violation of probation conditions.

500.6.1 DISCLOSURE OF REPORTS

Upon completion, reports, including any supplemental reports, should be transmitted to the prosecutor's office and to any other agency to whom the original report was sent (e.g., local law enforcement agency). If information is believed to be privileged or confidential (e.g., informant or protected information), release should be approved by a supervisor prior to disclosure.

Disclosure of protected information in this context may be subject to the Records Maintenance and Release and Protected Information policies. See the Violations Policy, regarding information disclosure as part of a probation violation hearing.

500.7 RECORDS

Reports created in relation to a crime or crime scene investigation should be retained in accordance with the Records Maintenance and Release Policy.

Ride-Alongs

501.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for a ride-along with members of the Colusa County Probation Department. This policy provides the requirements, approval process, hours of operation, and member responsibilities for ride-alongs.

501.2 POLICY

Ride-along opportunities may be provided to members of the public, other County employees, and members of this department to observe and experience, firsthand, various functions of the Colusa County Probation Department. The term "ride-along" includes riding as a passenger with an officer performing field supervision or observing the work day of members engaging in other functions within the Department facility, such as office contacts with probationers or supervised persons.

501.3 ELIGIBILITY

A ride-along is available to residents and business owners, consultants, students currently attending class in County of Colusa, and individuals employed within the County of Colusa and individuals employed within. Efforts will be made to accommodate all interested persons. However, any applicant may be disqualified from participating without cause.

Factors that may be considered in disqualifying an applicant include but are not limited to:

- Being younger than 15 years of age.
- Prior criminal history.
- Pending criminal action.
- Pending lawsuit against this department or the County of Colusa.
- Denial by any supervisor.

501.4 AVAILABILITY

A ride-along or job observation is available most days of the week, from 8:00 a.m. to 5:00 p.m. Exceptions to this schedule may be made as approved by the supervisor.

501.5 REQUESTS TO PARTICIPATE

Generally, ride-along and job observation requests will be maintained and scheduled by the supervisor. The applicant will complete and sign a ride-along or job observation waiver form. If the applicant is younger than 18 years of age, a parent or guardian must be present to complete the waiver form. Information requested will include a valid state-issued identification card or driver's license number, birth date, address, and telephone number.

Colusa County Probation Department

Probation Policy Manual

Ride-Alongs

The supervisor will schedule a date, based on availability, generally one week after the date of application. If approved, a copy of the waiver form will be forwarded to the appropriate division as soon as possible for scheduling considerations.

If the request is denied, a representative of this department will advise the applicant of the denial.

501.6 PROCEDURES

Once approved, ride-along applicants will be allowed to participate no more than once every six months. An exception may apply to the following law enforcement-involved participants:

- Volunteers
- Chaplains
- Colusa County Probation Department applicants
- Any others with approval of the supervisor
- Student workers or interns

An effort will be made to ensure that no more than one member of the public will participate in a ride-along or job observation during any given time period. Normally, no more than one ride-along participant will be allowed in department vehicles at a given time.

501.6.1 OFF-DUTY PARTICIPATION

Off-duty members of this department or any other law enforcement agency, and employees of the County, will not be permitted to participate in a ride-along with on-duty members of this department without the express consent of the supervisor.

In the event that such participation is permitted, the off-duty department member, other law enforcement agency personnel, or County employee shall not:

- (a) Be considered on-duty.
- (b) Represent themselves as members of this department or any other law enforcement agency.
- (c) Participate in any law enforcement activity except as emergency circumstances may require.

501.6.2 CRIMINAL HISTORY CHECK

All ride-along applicants are subject to a criminal history check. The criminal history check may include a local records check and a Department of Justice Automated Criminal History System check prior to approval of the ride-along.

501.6.3 SUITABLE ATTIRE

Any person approved to participate in a ride-along is required to be suitably dressed in a collared shirt, blouse or jacket, slacks, and shoes. Sandals, T-shirts, tank tops, shorts, and ripped or torn pants are not permitted. Hats and ball caps will not be worn without the express consent of the

Colusa County Probation Department

Probation Policy Manual

supervisor. The supervisor, or a lead staff member in the absence of a supervisor, may refuse a ride-along to anyone who is not dressed appropriately.

501.7 MEMBER RESPONSIBILITIES

The assigned department member shall consider the safety of the ride-along or job observation participant at all times. The member shall maintain control over the participant and shall instruct the individual about conditions that necessarily limit participation. Instructions should include:

- (a) The participant will follow the directions of the department member.
- (b) The participant will not become involved in any investigation, handling of evidence, discussions with victims, probationers, supervised persons or suspects, reading an individual's criminal history or other protected information, or handling any probation department equipment.
- (c) Participation may be terminated at any time by the member if the participant interferes with the performance of the member's duties.
 - 1. If the ride-along is in progress, the member may return the participant to the point the ride originated.
- (d) Participants may be allowed to continue a ride-along during the transportation and booking process, provided it does not jeopardize their safety.
- (e) Members will not allow participants to be present in any location or situation that would jeopardize the participant's safety or cause undue stress or embarrassment to a victim or any other member of the public.
- (f) Participants who are not probation or law enforcement officers shall not be permitted to accompany the department member into a private residence without the express consent of the resident or other authorized person.

The member assigned to provide a ride-along shall advise the supervisor, or lead staff in the absence of a supervisor, that a ride-along participant is present in the vehicle before going into service. An officer with a ride-along participant should use sound discretion when encountering a potentially dangerous situation and, if feasible, let the participant out of the vehicle in a well-lit public place. The supervisor, or lead staff in the absence of a supervisor, will be advised of the situation and as soon as practicable have another department member respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

Conduct by a person participating in a ride-along that results in termination of the ride, or is otherwise inappropriate, should be immediately reported to the supervisor. The member should enter comments regarding the reasons for terminating the ride-along on the waiver form.

Upon completion of the ride-along, the member shall return the waiver form to the supervisor.

Hazardous Material Response

502.1 PURPOSE AND SCOPE

Exposure to hazardous materials presents potential harm to department members and the public. This policy outlines the factors that members should consider when they encounter hazardous material, including the reporting of exposures and supervisor responsibilities.

502.1.1 DEFINITIONS

Definitions related to this policy include:

Hazardous material - A substance that by its nature, containment, or reactivity has the capability of inflicting harm during exposure; is characterized as being toxic, corrosive, flammable, reactive, an irritant, or a strong sensitizer; and thereby poses a threat to health when improperly managed.

502.2 POLICY

It is the policy of the Colusa County Probation Department to immediately contact the appropriate local emergency services to respond to hazardous material emergencies in order to protect the safety of probationers, the public, and those members who may be exposed to such incidents.

502.3 HAZARDOUS MATERIAL EXPOSURE

Members may encounter situations involving suspected hazardous materials, such as a chemical spill in the workplace. When members come into contact with a suspected hazardous material, they should take certain steps to protect themselves and other persons.

The fire department is the agency trained and equipped to properly respond to and mitigate most incidents involving hazardous materials and biohazards.

Members should not perform tasks or use equipment without proper training. Officers present at a hazardous material incident may require decontamination before they are allowed to leave the scene and should be evaluated by appropriate technicians and emergency medical services personnel for signs of exposure.

502.4 CONSIDERATIONS

These steps should be considered at any scene involving suspected hazardous materials:

- (a) Make the initial assessment of a potentially hazardous material from a safe distance.
- (b) Notify appropriate supervisors, the appropriate fire department and hazardous response units, and local law enforcement.
 1. Provide weather conditions, wind direction, a suggested safe approach route, and any other information pertinent to responder safety.
- (c) Wear personal protective equipment (PPE), as available and as trained, being cognizant that some hazardous material can be inhaled.

Colusa County Probation Department

Probation Policy Manual

Hazardous Material Response

- (d) Remain upwind, uphill, and at a safe distance, maintaining awareness of weather and environmental conditions, until the material is identified and a process for handling has been determined.
- (e) Attempt to identify the type of hazardous material from a safe distance using optical aids (binoculars or spotting scopes) if they are available. Identification can be determined by:
 - 1. Placards or use of an emergency response guidebook.
 - 2. Driver's statements or shipping documents from the person transporting the material.
 - 3. Information obtained from any involved person with knowledge regarding the hazardous material. Information should include:
 - (a) The type of material.
 - (b) How to secure and contain the material.
 - (c) Any other information to protect the safety of those present, the community, and the environment.
- (f) Provide first aid to injured parties if it can be done safely and without contamination.
- (g) Make reasonable efforts to secure the scene to prevent access from unauthorized individuals and to protect and identify any evidence.
- (h) Begin evacuation of the immediate and surrounding areas, dependent on the material. Voluntary evacuation should be considered; mandatory evacuation may be necessary and will depend on the type of material.
- (i) Establish a decontamination area when needed.

502.5 REPORTING EXPOSURE

Department members who believe they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the member in an incident report that shall be forwarded via chain of command to the Chief Probation Officer as soon as practicable. If the affected member is unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the report.

Injury or illness caused or believed to be caused by exposure to hazardous materials shall be reported the same as any other on-duty injury or illness, in addition to a crime report or incident report as applicable.

502.5.1 SUPERVISOR RESPONSIBILITIES

When a supervisor has been informed that a member has been exposed to a hazardous material, the supervisor shall ensure that immediate medical treatment is obtained and appropriate action is taken to mitigate the exposure or continued exposure.

Colusa County Probation Department

Probation Policy Manual

Hazardous Material Response

To ensure the safety of members, PPE is available from supervisors. PPE not maintained by this department may be available through the appropriate fire department or emergency response team.

Hostage and Barricade Incidents

503.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain, or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

503.1.1 DEFINITIONS

Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is:

- Unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.
- Unlawfully held against the person's will under threat or actual use of force.

503.2 POLICY

It is the policy of the Colusa County Probation Department to address hostage and barricade situations by immediately contacting local law enforcement.

503.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. The focus of communication should be to stabilize the situation while awaiting local law enforcement.

503.4 CONSIDERATIONS

Officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

Officers should immediately contact local law enforcement when it is determined that a hostage or barricade situation exists.

The handling officer should brief the arriving local law enforcement officers of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

Colusa County Probation Department

Probation Policy Manual

Hostage and Barricade Incidents

503.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting local law enforcement, specialized personnel, and trained negotiators.

503.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of local law enforcement, specialized personnel, and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats.

503.5 RESPONSIBILITIES

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, establish a proper chain of command, and assume the role of Incident Supervisor until properly relieved by local law enforcement.

503.6 REPORTING

Unless otherwise relieved by a supervisor, the handling officer at the scene is responsible for completion of an incident report.

Response to Bomb Threat Calls

504.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Colusa County Probation Department in their initial response to incidents involving explosives or explosive devices, explosion/bombing incidents, or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

504.2 POLICY

It is the policy of the Colusa County Probation Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

504.3 RECEIPT OF BOMB THREAT

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement, and alleged detonation time of the device and should immediately contact the appropriate local law enforcement agency to convey the information.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

504.4 COLUSA COUNTY PROBATION DEPARTMENT FACILITY

If the bomb threat is against the department facility, the member who received the threat should immediately contact the appropriate local law enforcement agency and notify the supervisor as soon as practicable. The supervisor, in coordination with local law enforcement, will direct and assign officers as required for coordinating a general building search or evacuation of the department, as deemed appropriate.

504.5 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY

If the bomb threat is against a county or municipal facility within the jurisdiction of the County that is not the property of this department, assistance to the other entity may be provided as the supervisor deems appropriate once the appropriate local law enforcement agency has been notified of the threat.

504.6 FEDERAL BUILDING OR PROPERTY

If the bomb threat is against a federal building or property, local law enforcement and the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

Colusa County Probation Department

Probation Policy Manual

Response to Bomb Threat Calls

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to local law enforcement and the military police or other military security responsible for the installation.

504.7 PRIVATE FACILITY OR PROPERTY

When a member of this department receives notification of a bomb threat at a location in the CityCounty of County, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting law enforcement assistance at the facility.
- (f) Whether any internal facility procedures exist regarding bomb threats, such as:
 - 1. No evacuation of personnel and no search for a device.
 - 2. Search for a device without evacuation of personnel.
 - 3. Evacuation of personnel without a search for a device.
 - 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that local law enforcement is notified. Also notify the department supervisor immediately so that the supervisor can communicate with the person in charge of the threatened facility as necessary.

504.8 ASSISTANCE

The Chief Probation Officer or the authorized designee should be notified when department assistance is requested. The Chief Probation Officer or authorized designee will make the decision whether the Department will render assistance to responding law enforcement and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including evacuation and giving officers control over the facility.

Should the Chief Probation Officer or authorized designee determine that the department will assist law enforcement with such an incident, the Chief Probation Officer or authorized designee will determine:

- (a) The appropriate level of assistance.
- (b) The plan for assistance in consultation with responding local law enforcement.
- (c) Whether to evacuate and/or search the facility.

Colusa County Probation Department

Probation Policy Manual

Response to Bomb Threat Calls

- (d) Whether to involve facility staff in the search or evacuation of the building.
 - 1. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
 - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request local law enforcement's assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

504.9 SUSPECTED DEVICE

When handling an incident involving a suspected explosive device, the following guidelines, while not all-inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes:
 - 1. Two-way radios.
 - 2. Cell phones.
 - 3. Other personal communication devices.
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (h) Promptly relay available information to local law enforcement and the Chief Probation Officer or authorized designee including:
 - 1. The time of discovery.
 - 2. The exact location of the device.
 - 3. A full description of the device (e.g., size, shape, markings, construction).
 - 4. The anticipated danger zone and perimeter.
 - 5. The areas to be evacuated or cleared.

Colusa County Probation Department

Probation Policy Manual

Response to Bomb Threat Calls

504.10 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, the supervisor may be confronted with a multitude of considerations. As in other catastrophic events, a rapid evacuation may help to minimize injury to victims, contamination of the scene, or any additional damage from fires or unstable structures.

504.10.1 CONSIDERATIONS

Officers present at the scene of an explosion, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries, where safe and practicable.
- (b) Request through 9-1-1 additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens, and hazardous materials, where safe and practicable.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices only if trained to do so or where necessary to establish an evacuation route for self and others.
- (g) Preserve evidence, where safe and practicable.
- (h) Establish an outer perimeter and evacuate, if necessary.
- (i) Identify witnesses.

504.10.2 NOTIFICATIONS

When an explosion has occurred, the following people should be notified, as appropriate:

- Local law enforcement
- Supervisor
- Fire department
- Bomb squad
- Additional department personnel, as necessary
- Other government agencies, as appropriate

504.11 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene and only at the direction of local law enforcement. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

Response to Bomb Threat Calls

504.11 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. Pending the arrival of local law enforcement, the supervisor should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact evidence may be embedded in nearby structures or hanging in trees and bushes.

Crisis Intervention Incidents

505.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

505.1.1 DEFINITIONS

Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; noncompliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive, or dangerous behavior that may be accompanied by impaired judgment.

505.2 POLICY

The Colusa County Probation Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

505.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation, or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality, or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness, or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, or lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility, or paranoia

Crisis Intervention Incidents

Members should be aware that this list is not exhaustive. The presence or absence of any of these signs should not be treated as proof of the presence or absence of a mental health issue or crisis.

505.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS

The Chief Probation Officer should designate the Training Supervisor and appropriate supervisors to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources to guide department interaction with probationers who may be in crisis, and may also be used to develop case management plans for probationers suffering from mental illness.

505.5 CRISIS INTERVENTION RESPONSE

Safety is a priority during any crisis intervention. It is important to recognize that individuals under the influence of alcohol, drugs, or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises, and unusual behavior are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer interacting with a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request local law enforcement and/or available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible without compromising safety, turn off flashing lights, bright lights, or sirens.
- (d) Attempt to determine if weapons are present or available.
 - 1. Prior to making contact, and whenever possible and reasonable, conduct a search of the Department of Justice Automated Firearms System via the California Law Enforcement Telecommunications System (CLETS) to determine whether the person is the registered owner of a firearm (Penal Code § 11106.4).
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime and report the same to local law enforcement, if applicable.
- (i) Request a supervisor, as warranted.

Crisis Intervention Incidents

- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

505.6 DE-ESCALATION

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm and courteous, and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (i.e., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent, or suicidal.
- Argue, speak with a raised voice, or use threats to obtain compliance.

505.7 INCIDENT ORIENTATION

When encountering an incident that may involve mental illness or a mental health crisis, the officer should request critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication or may have failed to take medication.
- (b) Whether there have been prior incidents or suicide threats/attempts, and whether there has been previous probation or other law enforcement response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

Crisis Intervention Incidents

505.8 SUPERVISOR RESPONSIBILITIES

If possible, a supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Absent an imminent threat to the public, consider strategic disengagement. This may include removing or reducing department resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing and prepare an incident report to be forwarded to the supervisor.
- (f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

505.9 INCIDENT REPORTING

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

505.10 NON-SWORN INTERACTION WITH PEOPLE IN CRISIS

Members, including but not limited to clerical staff, may interact with persons in crisis in an administrative capacity, such as during records requests or phone calls.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If during an interaction, a member believes a person is in crisis, the member should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may self-harm or be harmful to others, an officer should be promptly summoned to provide assistance.

Crisis Intervention Incidents

505.11 EVALUATION

The supervisor designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, officers, or incidents and will be submitted to the Chief Probation Officer through the chain of command.

505.12 TRAINING

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

This department will endeavor to provide STC-approved advanced officer training on interaction with persons with mental disabilities, welfare checks, and crisis intervention (Penal Code § 11106.4; Penal Code § 13515.25; Penal Code § 13515.27; Penal Code § 13515.30).

Civil Commitments

506.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may take steps to place a probationer under mental health hold (5150 commitment) (Welfare and Institutions Code § 5150).

506.2 POLICY

It is the policy of the Colusa County Probation Department to protect the public and probationers through legal and appropriate use of the mental health hold process.

506.3 AUTHORITY

An officer having probable cause may take a probationer under the officer's supervision into custody and place the probationer in an approved mental health facility for 72-hour treatment and evaluation when the officer believes that, as a result of a mental health disorder, the probationer is a danger to self or others or the probationer is gravely disabled (Welfare and Institutions Code § 5150).

When determining whether to take a probationer into custody, officers are not limited to determining the probationer is an imminent danger and shall consider reasonably available information about the historical course of the probationer's mental disorder, which may include evidence presented from any of the following (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05):

- (a) An individual who is providing or has provided mental health treatment or related support services to the probationer
- (b) A family member
- (c) The probationer subject to the determination or anyone designated by the probationer

506.3.1 AUTHORITY FOR MINORS

An officer having probable cause may take a probationer under the officer's supervision into custody and place the probationer in an approved mental health facility for 72-hour treatment and evaluation when the officer believes that, as a result of a mental disorder, the probationer is a danger to self or others or the probationer is a gravely disabled minor and authorization for voluntary treatment is not available (Welfare and Institutions Code § 5585.50).

Gravely disabled minor means a minor who, as a result of a mental disorder, is unable to use the elements of life that are essential to health, safety, and development, including food, clothing, and shelter, even though provided to the minor by others. Intellectual disability, epilepsy, or other developmental disabilities, alcoholism, other drug abuse, or repeated antisocial behavior do not, by themselves, constitute a mental disorder (Welfare and Institutions Code § 5585.25).

Civil Commitments

506.3.2 VOLUNTARY EVALUATION

If an officer encounters a probationer who may qualify for a mental health hold or an involuntary commitment, the officer Should contact Colusa Mental Health Department and advised of the situation and may inquire as to whether the probationer desires to be voluntarily evaluated at an appropriate facility. If the probationer so desires, the officer should:

- (a) Transport the probationer to an appropriate facility that is able to conduct the evaluation and admit the person.
- (b) Document the circumstances surrounding the probationer's desire to pursue voluntary evaluation and/or admission.

If at any point the person withdraws an affirmative decision for a voluntary evaluation, the officer should proceed with the application for emergency mental health evaluation, if appropriate.

506.4 CONSIDERATIONS AND RESPONSIBILITIES

Any officer who comes into contact with a probationer who may qualify for detention for the purpose of a mental health hold or an involuntary commitment should consider, as time and circumstances reasonably permit:

- (a) Contacting local law enforcement for assistance, if appropriate.
- (b) Contacting the Colusa County Mental Health Crisis Worker.
- (c) Available information that might assist in determining the possible cause and nature of the person's actions or stated intentions.
- (d) Conflict resolution and de-escalation techniques.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others. See also the Risk and Needs Assessment, Supervision, Modification of Conditions of Supervision, and Violations policies.

Mental health holds should be preferred over arrest for people who have mental health issues and are suspected of committing minor crimes or creating other public safety issues.

506.4.1 SECURING OF PROPERTY

When a probationer is taken into custody for evaluation, or within a reasonable time thereafter, and unless a responsible relative, guardian, or conservator is in possession of the probationer's personal property, the officer shall take reasonable precautions to safeguard the personal property in the probationer's possession or on the premises occupied by the probationer (Welfare and Institutions Code § 5150).

The officer taking the probationer into custody shall provide a report to the court that describes the probationer's property and its disposition in the format provided in Welfare and Institutions Code § 5211, unless a responsible person took possession of the property, in which case the officer shall only include the name of the responsible person and the location of the property (Welfare and Institutions Code § 5150).

Civil Commitments

506.5 TRANSPORTATION

Upon a determination that a probationer will be detained pursuant to 5150 W&I, the transportation arrangements will be made by the mental health official.

506.6 DOCUMENTATION

The officer shall complete an Application for 72-Hour Detention for Evaluation and Treatment form, provide it to the facility staff member assigned to the probationer, and retain a copy of the application for inclusion in the case report.

The application shall include the circumstances for the officer involvement; the probable cause to believe the probationer is, as a result of a mental health disorder, a danger to others or self or gravely disabled; and all information used for the determination of probable cause (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.2).

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

506.6.1 ADVISEMENT

The officer taking a probationer into custody for evaluation shall advise the probationer of (Welfare and Institutions Code § 5150):

- (a) The Agent's name and agency.
- (b) The fact that the probationer is not under criminal arrest but is being taken for examination by mental health professionals and the mental health staff will advise the probationer of the probationer's rights.
- (c) The name of the facility to which the probationer is being taken.
- (d) If the probationer is being taken into custody at the probationer's residence, the probationer should also be advised to take a few personal items, which the officer must approve, and may make a telephone call or leave a note indicating where the probationer is being taken. The officer should also ask if the probationer needs assistance turning off any appliances or water.

The advisement shall be given in a language the probationer understands. If the probationer cannot understand an oral advisement, the information shall be provided in writing (Welfare and Institutions Code § 5150).

506.7 CRIMINAL OFFENSES

Officers investigating a probationer who is suspected of committing a minor violation and who is being taken into custody through a mental health hold, should resolve the violation by completing a report and forwarding the information, as appropriate.

When an officer discovers, during a home visit or otherwise, that a probationer has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility (e.g., domestic violence, child abuse, homicide), the officer should:

Colusa County Probation Department

Probation Policy Manual

Civil Commitments

- (a) Immediately contact the appropriate local law enforcement agency and inform them of the offense and reasons why a mental health hold may be appropriate.
- (b) Inform responding local law enforcement personnel of the facts supporting an arrest and the facts that would support a detention.
- (c) Notify the supervisor as soon as practicable.
- (d) Thoroughly document in the related reports the circumstances that indicate the probationer may qualify for a mental health hold.

506.8 FIREARMS AND OTHER WEAPONS

Whenever a probationer is taken into custody for a mental health hold or an involuntary commitment, the handling officers should seek to determine if the probationer owns or has access to any firearm or other deadly weapon as defined in Welfare and Institutions Code § 8100. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search unless lawful warrantless entry has already been made (e.g., entry is authorized under the terms and conditions of the person's probation; the person consents). A warrant may also be needed before searching for or seizing weapons.

The handling officer shall issue a receipt describing the deadly weapon or any firearm seized and list any serial number or other identification that is on the firearm.

The officer should further advise the probationer of the procedure for the return, sale, transfer, or destruction of any firearm or other weapon that has been taken into custody (Welfare and Institutions Code § 8102).

506.8.1 PETITION FOR RETURN OF FIREARMS AND OTHER WEAPONS

Whenever the handling officer has cause to believe that the future return of any confiscated weapon might endanger the probationer or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Chief Probation Officer or authorized designee who shall be responsible for initiating a petition to the superior court for a hearing in accordance with Welfare and Institutions Code § 8102(c) to determine whether the weapon will be returned.

The petition to the superior court shall be initiated within 30 days of the release of the probationer from whom such weapon has been confiscated, unless the Department makes an application to the superior court to extend the time to file such a petition, up to a maximum of 60 days (Welfare and Institutions Code § 8102).

At the time any such petition is initiated, the Department shall send written notice to the probationer about the right to a hearing on the issue, that the probationer has 30 days to confirm with the

Colusa County Probation Department

Civil Commitments

court clerk any desire for a hearing, and that the failure to do so will result in the forfeiture of any confiscated weapon (Welfare and Institutions Code § 8102).

506.9 TRAINING

This department will endeavor to provide department-approved training on interaction with individuals who may be experiencing mental illness, mental impairment, or mental disability, mental health holds, and crisis intervention.

Rapid Response and Deployment

507.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces, and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement and probation. The purpose of this policy is to identify guidelines and factors that will assist officers in situations that call for rapid response and deployment.

507.2 POLICY

The Colusa County Probation Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those who are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

507.3 CONSIDERATIONS

When dealing with a crisis situation, members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore, and analyze sources of intelligence and known information regarding the circumstances, location, and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing, or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

507.4 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent, or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat, or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to incidents at other locations.

When deciding on a course of action, officers should consider:

Colusa County Probation Department

Probation Policy Manual

Rapid Response and Deployment

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advancement or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the officers have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.
- (g) The availability of defensive weapons, control devices, and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In the case of a barricaded or trapped suspect, with no hostages and no immediate threat to others, officers should consider covering escape routes and evacuating persons as appropriate while summoning and waiting for additional assistance (e.g., special tactics and/or hostage negotiation team response).

507.5 PLANNING

The Chief Probation Officer or authorized designee should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites at the Colusa County Probation Department, such as buildings, including detention facilities, and parking areas.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.
- (e) Evacuation routes in critical incident target sites.
- (f) Field supervision first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.

507.6 TRAINING

The Training Supervisor should include rapid response to critical incidents in the training plan. This training should address:

- (a) Orientation to likely critical incident target sites at the Colusa County Probation Department, such as buildings, including detention facilities, and parking areas.

Colusa County Probation Department

Probation Policy Manual

Rapid Response and Deployment

- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Field supervision first-response training, including patrol rifle and shotgun familiarization, and control device training.
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

Immigration Violations

508.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Colusa County Probation Department relating to immigration and interacting with federal immigration officials.

508.1.1 DEFINITIONS

The following definition applies to this policy (Government Code § 7284.4):

Immigration enforcement – Any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal civil immigration law, including any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal criminal immigration law that penalizes a person's presence in, entry or reentry to, or employment in the United States.

508.2 POLICY

It is the policy of the Colusa County Probation Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

508.3 VICTIMS AND WITNESSES

To encourage cooperation, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of the Colusa County Probation Department will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or California constitutions.

508.4 IMMIGRATION STATUS AND DETENTIONS

Immigration status may be reported to the court as required. Any reasonably discovered change in the immigration status of any probationer or any discrepancy in the record about the person's immigration status should be documented and reported to the court.

No individual should be detained solely for the purpose of waiting for information from immigration officials (Government Code § 7284.6).

508.4.1 IMMIGRATION INQUIRIES PROHIBITED

Officers shall not inquire into an individual's immigration status for immigration enforcement purposes (Government Code § 7284.6).

Colusa County Probation Department

Probation Policy Manual

Immigration Violations

508.4.2 CALIFORNIA LAW ENFORCEMENT TELECOMMUNICATIONS SYSTEM (CLETS)

Members shall not use information transmitted through CLETS for immigration enforcement purposes except for criminal history information and only when consistent with the California Values Act (Government Code § 15160).

Additionally, members shall not use the system to investigate immigration violations of 8 USC § 1325 (improper entry) if that violation is the only criminal history in an individual's record (Government Code § 15160).

508.4.3 CALIFORNIA DEPARTMENT OF MOTOR VEHICLES

Members shall not obtain, access, use, or disclose noncriminal history information maintained by the Department of Motor Vehicles for immigration enforcement (Vehicle Code § 1808.48).

508.5 FEDERAL REQUEST FOR ASSISTANCE

Requests by federal immigration officials for assistance from this department should be directed to a supervisor. The supervisor is responsible for determining whether the requested assistance would be permitted under the California Values Act (Government Code § 7284.2 et seq.).

508.6 INFORMATION SHARING

No member of this department will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373):

- (a) Sending information to or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in department records
- (c) Exchanging such information with any other federal, state, or local government entity

Nothing in this policy restricts sharing information that is permissible under the California Values Act.

508.7 U VISA AND T VISA NONIMMIGRANT STATUS

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the appropriate prosecutor or the appropriate law enforcement agency.

508.8 TRAINING

The Training Supervisor should ensure officers receive immigration training on this policy. Training should include prohibitions contained in the California Values Act (Government Code § 7284 et seq.).

Public Recording of Probation Agent Activity

509.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record probation officer actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

509.2 POLICY

The Colusa County Probation Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully by local law enforcement having jurisdiction.

Officers should exercise restraint and should not resort to seeking highly discretionary arrests for offenses such as interference, failure to comply, or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

509.3 RECORDING PROBATION AGENT ACTIVITY

Members of the public who wish to record probation officer activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present.
- (b) Beyond the act of photographing or recording, individuals may not interfere with probation officer activity. Examples of interference include but are not limited to:
 - 1. Tampering with a witness or suspect.
 - 2. Inciting others to violate the law.
 - 3. Being so close to the activity as to present a clear safety hazard to the officers.
 - 4. Being so close to the activity as to interfere with an officer's effective communication with a probationer or other individual.
- (c) The individual may not present an undue safety risk to self, to the officer, or to others.

509.4 AGENT RESPONSE

Officers should promptly request if not on scene that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or

Public Recording of Probation Agent Activity

behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing individuals to clear the area, an officer could advise individuals they may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with probation officer activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

509.5 SUPERVISOR RESPONSIBILITIES

A supervisor if not on scene should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practicable, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure, or other actions are constitutional and consistent with this policy and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of department members, such as how and where to file a complaint.

509.6 SEIZING RECORDINGS AS EVIDENCE

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 - 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 - 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
 - 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the

Colusa County Probation Department

Probation Policy Manual

Public Recording of Probation Agent Activity

evidence is to transmit a copy of the recording from a device to a department-owned device.

Recording devices and media that are seized will be submitted within the guidelines of the Property Policy.

Medical Aid and Response

510.1 PURPOSE AND SCOPE

This policy recognizes that members may encounter persons in need of medical aid and establishes an appropriate response to such situations.

510.2 POLICY

It is the policy of the Colusa County Probation Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

510.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 - 1. Signs and symptoms as observed by the member.
 - 2. Changes in apparent condition.
 - 3. Number of patients, sex, and age, if known.
 - 4. Whether the person is conscious, breathing and alert, or is believed to have consumed drugs or alcohol.
 - 5. Whether the person is showing signs or symptoms of excited delirium or other agitated chaotic behavior.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

Colusa County Probation Department

Probation Policy Manual

Medical Aid and Response

510.4 TRANSPORTING ILL AND INJURED PERSONS

Except in exceptional cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries, or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes, or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

510.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive medical care or be transported.

However, members may assist EMS personnel when EMS personnel determine the person lacks the mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Civil Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, the officer should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

510.5.1 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, the arrestee should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Task Force

511.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members when participating in task force (TF) operations.

511.2 POLICY

It is the policy of the Colusa County Probation Department to improve public safety and reduce violent crime through proactive collaboration with law enforcement task forces.

511.3 AGENCY INVOLVEMENT

Participation in TF operations provides access to multi-jurisdictional resources for apprehending probationers who have absconded from supervision or who have otherwise violated the law and/or supervision conditions.

Department participation in TF operations is subject to the approval of the Chief Probation Officer or the authorized designee.

511.3.1 REQUESTS FOR AGENCY INVOLVEMENT

Initial requests for participation in a TF or TF operation should be routed to the Chief Probation Officer for approval. In some instances, a memorandum of understanding (MOU) or other established protocol may exist that eliminates the need for approval of individual requests.

511.3.2 AGENT OPERATIONAL ACTIVITY

Officers involved in TF operations should confirm the existence of, time period of coverage, and prior Chief Probation Officer approval for any MOU or established protocol prior to engaging in TF operational activity.

When engaged in TF operational activity or when rendering assistance pursuant to a TF agreement, officers must conform to applicable laws and the policies of this department unless previously approved by the Chief Probation Officer.

Requests for emergency assistance unrelated to TF operations and enforcement action taken outside the jurisdiction of the department unrelated to TF operations are governed by the Outside Agency Assistance and Probation Authority policies.

511.4 TEMPORARY DETENTION AND TRANSPORT

TF operation arrestees should only be temporarily detained and/or transported by this department pursuant to the Transporting Persons in Custody Policy unless previously approved by the Chief Probation Officer.

- (b) The training requirements for:
 - 1. The use of the equipment and supplies.
 - 2. The members trained in the use of the equipment and supplies.

Copies of this documentation should be maintained by the Chief Probation Officer or authorized designee.

The Training Supervisor should maintain documentation that the appropriate members have received the required training.

511.7 NEWS MEDIA

Media inquiries should be referred to the Task Force Coordinator of the agency responsible for coordinating the activities of the TF.

Operations Planning and Deconfliction

512.1 PURPOSE AND SCOPE

This policy provides guidelines for planning, deconfliction, and execution of high-risk operations.

512.1.1 DEFINITIONS

Definitions related to this policy include:

High-risk operations - Operations, including service of search and arrest warrants, that are likely to present higher risks than are commonly faced by officers on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation.

512.2 POLICY

It is the policy of the Colusa County Probation Department to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations, and prevent duplicating efforts.

512.3 DECONFLICTION

Deconfliction systems are designed to identify persons and locations associated with investigations or probation operations, and alert participating agencies when others are planning or conducting operations in close proximity or time or are investigating the same individuals, groups, or locations.

If any conflict is discovered, the supervisor will contact the involved jurisdiction and resolve the potential conflict before proceeding.

512.4 OPERATIONS PLAN

The Operations Director should ensure that a written operations plan is developed for all high-risk operations. Plans should also be considered for other operations that would benefit from having a formal plan.

The plan should address such issues as:

- (a) Operation goals, objectives, and strategies.
- (b) Operation location and people:
 - 1. The subject of investigation (e.g., history of weapon possession/use, known mental illness issues, known drug use, threats against police, gang affiliation, criminal history).
 - 2. The location (e.g., fortification, booby traps, reinforced doors/windows, surveillance cameras and/or lookouts, number/type of buildings, geographic

- and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals, or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations), including aerial photos, if available, and maps of neighboring yards and obstacles, diagrams, and other visual aids.
3. Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
 4. Identification of other people who may be present in or around the operation, such as other criminal suspects, innocent third parties, and children.
- (c) Information from the risk assessment form by attaching a completed copy in the operational plan.
1. The volume or complexity of the information may indicate that the plan includes a synopsis of the information contained on the risk assessment form to ensure clarity and highlighting of critical information.
- (d) Participants and their roles.
1. An adequate number of uniformed officers should be included in the operation team to provide reasonable notice of a legitimate probation operation.
 2. How all participants will be identified.
- (e) Whether deconfliction resources (e.g., databases, human intelligence, written reports) are current and all involved individuals, groups, and locations have been deconflicted to the extent reasonably practicable.
- (f) Identification of all communications channels and call-signs.
- (g) Use of force issues.
- (h) Contingencies for handling medical emergencies (e.g., services available at the location, closest hospital, closest trauma center).
- (i) Plans for detaining people who are not under arrest.
- (j) Contingencies for handling children, dependent adults, animals, and other people who might be at the location in accordance with the Mandatory Reporting and Child and Dependent Adult Safety policies.
- (k) Communications plan.
- (l) Responsibilities for writing, collecting, reviewing, and approving reports.

512.4.1 OPERATIONS PLAN RETENTION

Since the operations plan contains intelligence information and descriptions of law enforcement tactics, it shall not be filed with the report. The operations plan shall be stored separately and retained in accordance with the established records retention schedule.

Colusa County Probation Department

Probation Policy Manual

Operations Planning and Deconfliction

512.5 OPERATIONS BRIEFING

A briefing should be held prior to the commencement of any high-risk operation to allow all participants to understand the operation, see and identify each other, identify roles and responsibilities, and ask questions or seek clarification as needed. Anyone who is not present at the briefing should not respond to the operation location without specific supervisory approval.

- (a) The briefing should include a verbal review of plan elements, using visual aids, to enhance the participants' understanding of the operations plan.
- (b) All participants should be provided a copy of the operations plan and search warrant, if applicable. Participating personnel should be directed to read the search warrant and initial a copy that is retained with the operation plan. Any items to be seized should be identified at the briefing.
- (c) The Operations Director shall ensure that all participants are visually identifiable as probation officers.
 - 1. Exceptions may be made by the Operations Director for officers who are conducting surveillance or working undercover. However, those members exempt from visual identification should be able to transition to a visible law enforcement indicator at the time of enforcement actions, such as entries or arrests, if necessary.
- (d) The briefing should include details of the communications plan.
 - 1. It is the responsibility of the Operations Director to ensure that Dispatch is notified of the time and location of the operation, and to provide a copy of the operations plan prior to officers arriving at the location.
 - 2. If the radio channel needs to be monitored by Dispatch, the dispatcher assigned to monitor the operation should attend the briefing, if practicable, but at a minimum should receive a copy of the operations plan.
 - 3. The briefing should include a communications check to ensure that all participants are able to communicate with the available equipment on the designated radio channel.

512.6 MEDIA ACCESS

No advance information regarding planned operations shall be released without the approval of the Chief Probation Officer. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

512.7 OPERATIONS DEBRIEFING

High-risk operations should be debriefed as soon as reasonably practicable. The debriefing should include as many participants as possible.

Operations Planning and Deconfliction

512.8 TRAINING

The Training Supervisor should ensure officers and SORT team members who participate in operations subject to this policy receive periodic training, including but not limited to topics such as legal issues, deconfliction practices, operations planning concepts, and reporting requirements.

Transporting Persons in Custody

513.6 SPECIFIC TRANSPORTATION ISSUES

513.6.1 TRANSPORTING PERSONS WITH DISABILITIES

When transporting a person with a disability, a transporting member should request assistance as necessary to transport the person in a reasonable and safe manner. 600.2 POLICY

The Colusa County Probation Department will ensure that members are issued appropriate property and equipment necessary for the member's job function. The Department will take steps to minimize the cost associated with maintaining department property, including personal property authorized for use in the member's duties.

600.3 DEPARTMENT/AGENCY-ISSUED PROPERTY

The Chief Probation Officer or the designee should document all property and equipment issued by the Department in the appropriate file at the time of issuance. The member should submit a request that includes a description of the property and the reason and length of time it will be used. Personal property of the type routinely carried by persons who are not performing law enforcement duties, and that is not a weapon, is excluded from this requirement.

Colusa County Probation Department

Probation Policy Manual

Department-Owned and Personal Property

The Department will not replace or repair items (e.g., jewelry, expensive watches) that are not reasonably required as part of work.

600.4.1 FILING CLAIMS FOR PERSONAL PROPERTY

A member requesting reimbursement for damage to, or loss of, personal property must submit the request in writing to the member's immediate supervisor. The supervisor may require a separate written report.

Upon review by the Assistant Chief and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief Probation Officer, who will then forward the claim to the County department responsible for issuing payments.

600.5 SUPERVISOR RESPONSIBILITIES

The supervisor receiving a report that property, including personal property authorized for use, has been damaged should conduct an investigation and direct a memo to the Assistant Chief. The memo should include the result of the investigation and whether reasonable care was taken to prevent the loss, damage, or unserviceable condition.

Personal Communication Devices

601.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless-capable tablets, and similar wireless two-way communications and/or portable internet-access devices. PCD use includes but is not limited to placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games, and accessing sites or services on the internet.

601.2 POLICY

The Colusa County Probation Department allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, members are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the member and the member's PCD records to civil or criminal discovery or disclosure under the California Public Records Act (CPRA) (Government Code § 7920.000 et seq.).

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

601.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received, or reviewed on any PCD issued or funded by the Department and shall have no expectation of privacy in their location should the device be equipped with location-detection capabilities (see the Information Technology Use Policy for additional guidance).

601.3.1 CALIFORNIA ELECTRONIC COMMUNICATIONS PRIVACY ACT

No member is authorized to be the sole possessor of a department-issued PCD. Department-issued PCDs can be retrieved, reassigned, accessed, or used by any member as directed by a supervisor without notice. Member use of a department-issued PCD and use of a personal PCD at work or for work-related business constitutes specific consent for access for department purposes. Prior to conducting an administrative search of a PCD, supervisors should consult legal counsel

Colusa County Probation Department

Probation Policy Manual

Personal Communication Devices

to ensure access is consistent with the California Electronic Communications Privacy Act (Penal Code § 1546; Penal Code § 1546.1).

601.4 DEPARTMENT/AGENCY-ISSUED PCD

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. Department-issued or funded PCDs may not be used for personal business either on- or off-duty unless authorized by the Chief Probation Officer or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Chief Probation Officer or the authorized designee for off-duty use of the PCD, the PCD will be either secured in the workplace at the completion of the tour of duty or turned off when leaving the workplace.

601.5 PERSONALLY OWNED PCD

Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.
- (b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) The PCD and any associated services shall be purchased, used, and maintained solely at the member's expense.
- (d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of department communications). Members will have a reduced expectation of privacy when using a personally owned PCD in the workplace and have no expectation of privacy regarding any department business-related communication.
 - 1. Members may use personally owned PCDs on-duty for routine administrative work as authorized by the Chief Probation Officer.
- (e) The device shall not be utilized to record or disclose any department business-related information, including photographs, video, or the recording or transmittal of any information or material obtained or made accessible as a result of employment or appointment with the Department, without the express authorization of the Chief Probation Officer or the authorized designee.
- (f) Use of a personally owned PCD while at work or for work-related business constitutes consent for the Department to access the PCD to inspect and copy data to meet the needs of the Department, which may include litigation, CPRA retention and release obligations, and internal investigations. If the PCD is carried on-duty, members will provide the Department with the telephone number of the device.

Colusa County Probation Department

Probation Policy Manual

Personal Communication Devices

- (g) All work-related documents, emails, photographs, recordings, or other public records created or received on a member's personally owned PCD should be transferred to the Colusa County Probation Department and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Except with prior express authorization from their supervisors, members are not obligated or required to carry, access, monitor, or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing collective bargaining agreements, or if the member has prior express authorization from a supervisor, the member may engage in department business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty department-related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate record keeping.

601.6 USE OF PCD

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform, unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty, except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times, unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings, or making copies of any such picture or recorded media unless it is directly related to official department business. Disclosure of any such information to any third party through any means, without the express authorization of the Chief Probation Officer or the authorized designee, may result in discipline.
- (f) Members will not access social networking sites for any purpose that is not official department business.
- (g) Using PCDs to harass, threaten, coerce, or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

Personal Communication Devices

601.7 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.
- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
 - 1. An investigation into improper conduct should be promptly initiated when circumstances warrant.
 - 2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Chief Probation Officer or the authorized designee.

601.8 OFFICIAL USE

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while using PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other department communications network.

601.9 USE WHILE DRIVING

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions, and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Except in an emergency, members who are operating department vehicles that are not authorized emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use. Hands-free use should be restricted to business-related calls or calls of an urgent nature (Vehicle Code § 23123; Vehicle Code § 23123.5).

Vehicle Use, Safety, and Maintenance

602.1 PURPOSE AND SCOPE

The Department utilizes motor vehicles for a variety of applications. To maintain a system of accountability and ensure that department-owned vehicles are used and maintained appropriately, regulations relating to the use and maintenance of these vehicles have been established. The term “department-owned” as used in this section also refers to any vehicle leased or rented by the Department.

602.2 POLICY

The Colusa County Probation Department provides vehicles for official business use and may assign take-home vehicles based on its determination of operational efficiency, economic impact to the Department, tactical deployments, and other considerations. The department will provide service for department vehicles to ensure they remain operational and maintain their appearance, as resources allow.

602.3 USE OF DEPARTMENT AGENCY VEHICLES

Only authorized members should operate department vehicles. Members who operate department-owned vehicles must comply with all applicable state laws and must possess a valid driver's license endorsed for the type of vehicle operated.

Additionally, members are responsible for helping maintain department vehicles so they are properly equipped, maintained, refueled, and cleaned.

602.3.1 USE OF SAFETY BELTS

Members shall wear provided safety restraints as stated in the Safety Belts Policy.

602.3.2 KEYS

There shall be no modifications, additions, or removal of any equipment or accessories without written permission from the assigned vehicle program manager.

602.4 VEHICLE SECURITY

Department vehicles will be locked and the keys will be secured when not in use. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., equipment charging). Officers who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

Members shall ensure all weapons are secured while the vehicle is unattended.

602.4.1 REMOVAL OF WEAPONS

All firearms, weapons, and control devices shall be removed from a vehicle and properly secured in the department armory or designated storage area prior to the vehicle being released for maintenance, service, or repair.

602.5 INDIVIDUAL MEMBER ASSIGNMENT TO VEHICLES

Department vehicles may be assigned to individual members at the discretion of the Chief Probation Officer. Vehicles may be assigned for on-duty and/or on-call take-home use. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform the member's regular assignment.

602.5.1 ON-DUTY USE

Vehicle use shall be based on the nature of the member's duties, job description and essential functions, and employment or appointment status. Vehicles may be reassigned or utilized by other department members at the discretion of the Chief Probation Officer or the authorized designee.

602.5.2 UNSCHEDULED TAKE-HOME USE

Circumstances may arise where department vehicles must be used by members to commute to and from a work assignment. Members may take home department vehicles only with prior approval of a supervisor and shall meet the following criteria:

The Chief Probation Officer or the authorized designee shall verify that the personal vehicle meets the state's insurance requirements. A copy of the insurance card shall be retained in the vehicle and in a department file. All policies and procedures applicable to department vehicles shall apply to the personal vehicle while it is being used for official business.

602.6 MAINTENANCE

. The following should be performed as outlined below:

- (a) Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage.
- (b) It is the Department's responsibility to ensure the assigned vehicle is maintained according to the established service and maintenance schedule.
- (c) All scheduled vehicle maintenance and car washes shall be performed as necessary at a facility approved by the department person in charge of vehicle maintenance.
- (d) The Department shall be notified of problems with the vehicle and approve any major repairs before they are performed.

602.6.1 VEHICLE INSPECTIONS

Members shall be responsible for inspecting the interior and exterior of a vehicle before taking the vehicle into service and at the conclusion of their shifts. Any previously unreported damage, mechanical problems, unauthorized contents, or other problems with the vehicle shall be promptly reported to the Assistant Chief or authorized designee and documented as appropriate.

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any probationer, the transporting member shall search all areas of the vehicle that are accessible by the probationer before and after that person is transported.

Colusa County Probation Department

Probation Policy Manual

Vehicle Use, Safety, and Maintenance

All department-owned vehicles are subject to inspection and/or search at any time by a supervisor. No member operating a county vehicle shall be entitled to any expectation of privacy with respect to the vehicle or any of its contents, regardless of who owns the contents.

602.6.2 VEHICLE SAFETY REPAIRS

Anyone authorized to drive department vehicles is responsible for inspecting the interior and exterior of any vehicle before placing the vehicle into service and again at the conclusion of the shift. Any previously unreported damage, mechanical problems, unauthorized contents, or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

Vehicles that are deemed as unsafe shall not be used until necessary repairs are made.

The appropriate local law enforcement agency shall be summoned to conduct an investigation. A traffic accident report shall be filed with the agency having jurisdiction. The member shall complete this department's vehicle accident form.

An administrative investigation should be conducted to determine if the member acted within policy.

Personal Protective Equipment

603.1 PURPOSE AND SCOPE

This policy identifies the different types of personal protective equipment (PPE) provided by the Department as well as the requirements and guidelines for the use of PPE.

This policy does not address ballistic vests or protection from communicable disease, as those issues are addressed in the Body Armor and Communicable Diseases policies.

603.1.1 DEFINITIONS

Definitions related to this policy include:

Disposable particulate mask - A class of disposable respirators approved by the Food and Drug Administration (FDA) and the National Institute for Occupational Safety and Health (NIOSH) as suitable for use where fluid or particulate resistance is a priority. Examples are N95 and N100 masks.

Personal protective equipment (PPE) - Equipment that protects a person from serious workplace injuries or illnesses resulting from contact with chemical, radiological, physical, electrical, mechanical, or other workplace hazards.

Respiratory PPE - Any device that is worn by the user to protect from exposure to atmospheres where there is smoke, low levels of oxygen, high levels of carbon monoxide, or the presence of toxic gases or other respiratory hazards. For purposes of this policy, respiratory PPE does not include particulate-filtering masks such as N95 or N100 masks.

603.2 POLICY

The Colusa County Probation Department endeavors to protect members by supplying certain PPE to members as provided in this policy.

603.3 OFFICER/AGENT RESPONSIBILITIES

Members are required to use PPE as provided in this policy and pursuant to their training.

Members are responsible for proper maintenance and storage of issued PPE. PPE should be stored in an appropriate location so that it is available when needed.

Any member who identifies hazards in the workplace is encouraged to utilize the procedures in the Illness and Injury Prevention Policy to recommend new or improved PPE or additional needs for PPE.

603.4 HEARING PROTECTION

Approved hearing protection shall be used by members during firearms training.

Hearing protection shall meet or exceed the requirements provided in 8 CCR 5098.

Colusa County Probation Department

Probation Policy Manual

Personal Protective Equipment

603.5 EYE PROTECTION

Approved eye protection, including side protection, shall be used by members during firearms training or during situations in which eye protection may be warranted (e.g., cleaning areas where bloodborne pathogens were spilled, urine sample collections with probationers). Eye protection for members who wear prescription lenses shall incorporate the prescription (e.g., eye protection that can be worn over prescription lenses). Members shall ensure their eye protection does not interfere with the fit of their hearing protection.

The Rangemaster shall ensure eye protection meets or exceeds the requirements provided in 8 CCR 3382.

603.6 RESPIRATORY PROTECTION

The Chief Probation Officer or the authorized designee is responsible for ensuring a respiratory protection plan is developed and maintained by a trained and qualified member. The plan shall include procedures for (8 CCR 5144):

- (a) Selecting appropriate respiratory PPE based on hazards and risks associated with functions or positions.
- (b) Fit testing, including identification of members or contractors qualified to conduct fit testing.
- (c) Medical evaluations.
- (d) PPE inventory control.
- (e) PPE issuance and replacement.
- (f) Cleaning, disinfecting, storing, inspecting, repairing, discarding, and otherwise maintaining respiratory PPE, including schedules for these activities.
- (g) Regularly reviewing the PPE plan.
- (h) Remaining current with applicable National Institute for Occupational Safety and Health (NIOSH), American National Standards Institute (ANSI), Occupational Safety and Health Administration (OSHA), Environmental Protective Agency (EPA), and state PPE standards and guidelines.

603.6.1 RESPIRATORY PROTECTION USE

Disposable particulate masks should only be used to protect the member from particulate contaminants and are not suitable in an oxygen-deficient atmosphere or where an unsafe level of gases or fumes exists. See also the Communicable Diseases Policy.

Designated members may be issued respiratory PPE based on the member's assignment (e.g., narcotics task force).

Respiratory PPE may be worn when authorized by a scene commander who will determine the type and level of protection appropriate at a scene based upon an evaluation of the hazards present.

Colusa County Probation Department

Probation Policy Manual

Personal Protective Equipment

Scene commanders are responsible for monitoring members using respiratory PPE and their degree of exposure or stress. When there is a change in work area conditions or when a member's degree of exposure or stress may affect respirator effectiveness, the scene commander shall reevaluate the continued effectiveness of the respirator and direct the member to leave the respirator use area when the scene commander reasonably believes (8 CCR 5144):

- (a) The member's face and respirator facepiece need to be washed to prevent eye or skin irritation associated with respirator use.
- (b) The member detects vapor or gas breakthrough, a change in breathing resistance, or leakage of the facepiece.
- (c) The member needs to replace the respirator, filter, cartridge, or canister.

603.6.2 MEMBER RESPONSIBILITIES FOR RESPIRATORY PROTECTION

Members shall not use self-contained breathing apparatus (SCBA), full-face respirators, or cartridge respirators unless they have completed training requirements for the equipment.

Members exposed to environments that are reasonably known to be harmful due to gases, smoke, or vapors shall use respiratory PPE.

Members using respiratory PPE shall (8 CCR 5144):

- (a) Ensure that they have no facial hair between the sealing surface of the facepiece and the face that could interfere with the seal or the valve function. Members also shall ensure that they have no other condition that will interfere with the face-to-facepiece seal or the valve function.
- (b) Not wear corrective glasses, goggles, or other PPE that interferes with the seal of the facepiece to the face, or that has not been previously tested for use with that respiratory equipment.
- (c) Perform a user seal check per department-approved procedures recommended by the respirator manufacturer each time they put on a tight-fitting respirator.
- (d) Leave a respiratory use area whenever they detect vapor or gas breakthrough, changes in breathing resistance, or leakage of their facepiece and ensure that the respirator is replaced or repaired before returning to the affected area.

603.6.3 SELF-CONTAINED BREATHING APPARATUS

Scene commanders may direct members to use SCBA when entering an atmosphere that may pose an immediate threat to life, would cause irreversible adverse health effects, or would impair an individual's ability to escape from a dangerous atmosphere. These situations may include but are not limited to:

- (a) Entering the hot zone of a hazardous materials incident.
- (b) Entering any area where contaminant levels may become unsafe without warning, or any situation where exposures cannot be identified or reasonably estimated.
- (c) Entering a smoke- or chemical-filled area.

Colusa County Probation Department

Probation Policy Manual

Personal Protective Equipment

The use of SCBA should not cease until approved by a scene commander.

603.6.4 RESPIRATOR FIT TESTING

After initial testing, fit testing for respiratory PPE shall be repeated (8 CCR 5144):

- (a) At least once every 12 months.
- (b) Whenever there are changes in the type of SCBA or facepiece used.
- (c) Whenever there are significant physical changes in the user (e.g., obvious change in body weight, scarring of the face seal area, dental changes, cosmetic surgery, or any other condition that may affect the fit of the facepiece seal).

All respirator fit testing shall be conducted in negative-pressure mode.

603.6.5 RESPIRATORY MEDICAL EVALUATION QUESTIONNAIRE

No member shall be issued respiratory protection that forms a complete seal around the face until (8 CCR 5144):

- (a) The member has completed a medical evaluation that includes a medical evaluation questionnaire.
- (b) A physician or other licensed health care professional has reviewed the questionnaire.
- (c) The member has completed any physical examination recommended by the reviewing physician or health care professional.

603.7 RECORDS

The Training Supervisor is responsible for maintaining records of all:

- (a) PPE training.
- (b) Initial fit testing for respiratory protection equipment.
- (c) Annual fit testing.
- (d) Respiratory medical evaluation questionnaires and any subsequent physical examination.

1. These records shall be maintained in a separate confidential medical file.

The records shall be maintained in accordance with the Department records retention schedule and 8 CCR 5144.

603.8 TRAINING

Members should be trained in the respiratory and other hazards to which they may be potentially exposed during routine and emergency situations.

Colusa County Probation Department

Probation Policy Manual

Personal Protective Equipment

All members shall be trained in the proper use and maintenance of PPE issued to them, including when the use is appropriate; how to put on, remove and adjust PPE; how to care for the PPE; and the limitations (8 CCR 3380).

Members issued respiratory PPE shall attend annual training on the proper use of respiratory protection devices (8 CCR 5144).

The purpose of this policy is to provide officers with guidelines for the proper use of body armor.

604.2 POLICY

It is the policy of the Colusa County Probation Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

604.3 ISSUANCE

The Chief Probation Officer shall ensure that body armor is issued to all officers and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

Body armor shall be issued when an officer begins service at the Colusa County Probation Department and shall be replaced every five (5) years or damaged to the point that its effectiveness or functionality has been compromised.

The Chief Probation Officer may authorize issuing body armor to uniformed, non-sworn members whose jobs may make wearing of body armor advisable.

- (d) Members are not required to wear body armor when they are functioning primarily in an administrative or support capacity and would not reasonably be expected to take enforcement action.
- (e) Officers may be excused from wearing body armor when they are involved in undercover or plainclothes work that their supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.
 - 1. In those instances when body armor is not worn, officers should have reasonable access to their body armor.

604.3.2 INSPECTION

Supervisors should ensure through routine observation and periodic documented inspections that body armor is worn and maintained in accordance with this policy.

Colusa County Probation Department

Probation Policy Manual

 - 1. Body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer.
 - 2. Failure to follow manufacturer's care instructions may damage the ballistic performance capabilities of the body armor. If care instructions for the body armor cannot be located, the manufacturer should be contacted to request the instructions.
- (d) Body armor should be replaced in accordance with the manufacturer's recommended replacement schedule, or when its effectiveness or functionality has been compromised.

604.4 RANGEMASTER RESPONSIBILITIES

The responsibilities of the Rangemaster include but are not limited to:

- (e) Probationer education records (Family Education Rights and Privacy Act of 1974 (FERPA); Education Code § 49076).
- (f) Personnel records, medical records, or similar files that would involve an unwarranted invasion of personal privacy (Government Code § 7927.700; Penal Code § 832.8; Evidence Code § 1043 et seq.).
- (g) Home addresses, home telephone numbers, personal cellular telephone numbers, and birth dates of department members except as allowed by Government Code § 7928.300.
- (h) Criminal intelligence and criminal history information (Penal Code § 13102; Penal Code § 13300) (see also the Protected Information Policy).

701.5 SUBPOENAS AND DISCOVERY REQUESTS

Any member who receives a subpoena duces tecum or discovery request for records should promptly contact a supervisor and the Records Custodian for review and processing. While a subpoena duces tecum may ultimately be subject to compliance, it is not an order from the court that will automatically require the release of the requested information.

Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the appropriate prosecutor or the courts.

Colusa County Probation Department

Probation Policy Manual

Records Maintenance and Release

All questions regarding compliance with any subpoena duces tecum or discovery request should be promptly referred to legal counsel for the Department so that a timely response can be prepared.

701.6 RELEASED RECORDS TO BE MARKED

Each page of any written record released pursuant to this policy should be stamped in a colored ink or otherwise marked to indicate the department name and to whom the record was released.

Each audio/video recording released should include the department name and to whom the record was released.

701.7 SECURITY BREACHES

Members who become aware that any Colusa County Probation Department system containing personal information may have been breached should notify the Records Custodian as soon as practicable.

The Records Custodian shall ensure notice is given anytime there is a reasonable belief an unauthorized person has acquired either unencrypted personal identifying information or encrypted personal information along with the encryption key or security credential stored in any department information system (Civil Code § 1798.29).

Notice shall be given as soon as reasonably practicable to all individuals whose information may have been acquired. The notification may be delayed if the Department determines that notification will impede a criminal investigation or any measures necessary to determine the scope of the breach and restore the reasonable integrity of the data system (Civil Code § 1798.29).

If a single breach requires the Department to notify more than 500 California residents, the Department shall electronically submit a sample copy of the notification, excluding any personally identifiable information, to the California Attorney General (Civil Code § 1798.29).

For the purposes of the notice requirement, personal information includes (Civil Code § 1798.29):

- (a) An individual's first name or first initial and last name in combination with any one or more of the following data elements, when either the name or the data elements are not encrypted:
 - 1. Social Security number
 - 2. Driver's license number, California identification card number, tax identification number, passport number, military identification number, or other unique identification number issued on a government document commonly used to verify the identity of a specific individual
 - 3. Full account number, credit or debit card number, or any required security code, access code, or password that would permit access to an individual's financial account
 - 4. Medical information
 - 5. Health insurance information

6. Unique biometric data
7. Genetic data
- (b) A username or email address, in combination with a password or security question and answer that would permit access to an online account.

If the breach reasonably appears to have been made to protected information covered in the Protected Information Policy, the Records Custodian should promptly notify the appropriate member designated to oversee the security of protected information (see the Protected Information Policy).

701.8 SEALED RECORD ORDERS

Sealed record orders received by the Department shall be reviewed for appropriate action by the Records Custodian and, if appropriate, the member assigned to supervision of the probationer.

The Records Custodian shall seal such records as ordered by the court. Once a record is sealed, members shall respond to any inquiry as though the record did not exist (Penal Code § 851.8; Welfare and Institutions Code § 781; Welfare and Institutions Code § 786; Welfare and Institutions Code § 786.5).

701.8.1 SEALED JUVENILE ARREST RECORDS

The Records Custodian shall seal the arrest and other records in department custody relating to a juvenile's arrest and referral and participation in a diversion or supervision program as provided by Welfare and Institutions Code § 786.5.

The Records Custodian should ensure that an arresting law enforcement agency is notified to seal any arrest records required by Welfare and Institutions Code § 786.5. Within 30 days of receipt of notification from the arresting law enforcement agency that the records have been sealed, the Records Custodian should ensure that the involved minor receives written notification that their records have been sealed. If the records are not sealed, written notice shall inform the minor of their ability to petition the court directly to seal their arrest and other related records (Welfare and Institutions Code § 786.5).

701.9 RELEASE OF AUDIO OR VIDEO RECORDINGS RELATED TO CRITICAL INCIDENTS

Video and audio recordings related to critical incidents shall be released pursuant to a proper public record request and subject to delayed release, redaction, and other release restrictions as provided by law (Government Code § 7923.625).

For purposes of this section, a video or audio recording relates to a critical incident if it depicts an incident involving the discharge of a firearm at a person by any officer, or depicts an incident in which the use of force by any officer against a person resulted in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) (Government Code § 7923.625).

Colusa County Probation Department

Probation Policy Manual

Records Maintenance and Release

The Records Custodian should work as appropriate with the Chief Probation Officer or the Supervisor supervisor in determining what recordings may qualify for disclosure when a request for a recording is received and if the requested recording is subject to delay from disclosure, redaction, or other release restrictions.

701.9.1 DELAY OF RELEASE

Disclosure of critical incident recordings during active criminal or administrative investigations may be delayed if disclosure would substantially interfere with the investigation, such as by endangering the safety of a witness or a confidential source. Disclosure may be delayed up to 45 days from the date the Department knew or reasonably should have known about the incident. After the initial 45 days and up to one year, delayed disclosure may continue if the Department demonstrates substantial interference with the investigation. Any delayed disclosure longer than one year must be supported by clear and convincing evidence (Government Code § 7923.625).

701.9.2 NOTICE OF DELAY OF RELEASE

When there is justification to delay disclosure of a recording, the Records Custodian shall provide written notice to the requester as follows (Government Code § 7923.625):

- (a) During the initial 45 days, the Records Custodian shall provide the requester with written notice of the specific basis for the determination that disclosure would substantially interfere with the investigation. The notice shall also include the estimated date for the disclosure.
- (b) When delay is continued after the initial 45 days, the Records Custodian shall promptly provide the requester with written notice of the specific basis for the determination that the interest in preventing interference with an active investigation outweighs the public interest in the disclosure, and the estimated date for the disclosure. The Records Custodian should work with the Chief Probation Officer in reassessing the decision to continue withholding a recording and notify the requester every 30 days.

Recordings withheld shall be disclosed promptly when the specific basis for withholding the recording is resolved.

701.9.3 REDACTION

If the Records Custodian, in consultation with the Chief Probation Officer or the authorized designee, determines that specific portions of the recording may violate the reasonable expectation of privacy of a person depicted in the recording, the Department should use redaction technology to redact portions of recordings made available for release. The redaction should not interfere with the viewer's ability to fully, completely, and accurately comprehend the events captured in the recording, and the recording should not otherwise be edited or altered (Government Code § 7923.625).

If any portions of a recording are withheld to protect the reasonable expectation of privacy of a person depicted in the recording, the Records Custodian shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served (Government Code § 7923.625).

Probation Policy Manual

Records Maintenance and Release

701.9.4 RECORDINGS WITHHELD FROM PUBLIC DISCLOSURE

If the reasonable expectation of privacy of a person depicted in the recording cannot adequately be protected through redaction, and that interest outweighs the public interest in disclosure, the Department may withhold the recording from the public, except that the recording, either redacted or unredacted, shall be disclosed promptly, upon request, to any of the following (Government Code § 7923.625):

- (a) The person in the recording whose privacy is to be protected, or the authorized representative.
- (b) If the person is a minor, the parent or legal guardian of the person whose privacy is to be protected.
- (c) If the person whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased person whose privacy is to be protected.

If the Department determines that this disclosure would substantially interfere with an active criminal or administrative investigation, the Records Custodian shall provide the requester with written notice of the specific basis for the determination and the estimated date of disclosure (Government Code § 7923.625).

The Department may continue to delay release of the recording from the public for 45 days with extensions as provided in this policy (Government Code § 7923.625).

Protected Information

702.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the access, transmission, release, and security of protected information by members of the Colusa County Probation Department. This policy addresses the protected information used in the day-to-day operation of the Department and not the public records information covered in the Records Maintenance and Release Policy.

702.1.1 DEFINITIONS

Definitions related to this policy include:

Protected information - Any information or data collected, stored, or accessed by members of the Colusa County Probation Department and that is subject to any access or release restrictions imposed by law, regulation, order, or use agreement. This includes all information in federal, state, or local law enforcement databases that is not accessible to the public.

702.2 POLICY

Members of the Colusa County Probation Department will adhere to all applicable laws, orders, regulations, use agreements, and training related to the access, use, dissemination, and release of protected information.

702.3 RESPONSIBILITIES

The Chief Probation Officer shall select a member of the Department to coordinate the use of protected information.

The responsibilities of this position include but are not limited to:

- (a) Ensuring member compliance with this policy and with requirements applicable to protected information, including requirements for the National Crime Information Center (NCIC) system, National Law Enforcement Telecommunications System (NLETS), Department of Motor Vehicles (DMV) records, and California Law Enforcement Telecommunications System (CLETS).
- (b) Developing, disseminating, and maintaining procedures that adopt or comply with the U.S. Department of Justice's current Criminal Justice Information Services (CJIS) Security Policy.
- (c) Developing, disseminating, and maintaining any other procedures necessary to comply with any other requirements for the access, use, dissemination, release, and security of protected information.
- (d) Developing procedures to ensure training and certification requirements are met.
- (e) Resolving specific questions that arise regarding authorized recipients of protected information.
- (f) Ensuring security practices and procedures are in place to comply with requirements applicable to protected information.

Colusa County Probation Department

Probation Policy Manual

Protected Information

702.4 ACCESS TO PROTECTED INFORMATION

Protected information shall not be accessed in violation of any law, order, regulation, user agreement, Colusa County Probation Department policy, or training. Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access.

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution.

702.4.1 PENALTIES FOR MISUSE OF RECORDS

It is a misdemeanor to furnish, buy, receive, or possess Department of Justice criminal history information without authorization by law (Penal Code § 11143).

Authorized persons or agencies violating state regulations regarding the security of Criminal Offender Record Information (CORI) maintained by the California Department of Justice may lose direct access to CORI (11 CCR 702).

702.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Records Custodian for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from law enforcement agencies who are assisting in an investigation or conducting a related investigation. Any such information should be released through the Fiscal Program Analyst to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

702.5.1 TRANSMISSION GUIDELINES

Protected information, such as restricted Criminal Justice Information (CJI), which includes Criminal History Record Information (CHRI), should not be transmitted via unencrypted radio. When circumstances reasonably indicate that the immediate safety of officers, other department members, or the public is at risk, only summary information may be transmitted.

In cases where the transmission of protected information, other than CJI and CHRI, is necessary to accomplish a legitimate law enforcement purpose, and utilization of an encrypted radio channel is infeasible, a department-issued cellular telephone should be utilized when practicable. If neither are available, unencrypted radio transmissions shall be subject to the following:

- Elements of protected information should be broken up into multiple transmissions, to minimally separate an individual's combined last name and any identifying number associated with the individual, from either first name or first initial.

Colusa County Probation Department

Probation Policy Manual

Protected Information

- Additional information regarding the individual, including date of birth, home address, or physical descriptors, should be relayed in separate transmissions.

Nothing in this policy is intended to prohibit broadcasting warrant information.

702.5.2 REVIEW OF CRIMINAL OFFENDER RECORD

Individuals requesting to review their own California criminal history information shall be referred to the Department of Justice (Penal Code § 11121).

Individuals shall be allowed to review their arrest or conviction record on file with the Department after complying with all legal requirements regarding authority and procedures in Penal Code § 11120 through Penal Code § 11127 (Penal Code § 13321).

702.6 SECURITY OF PROTECTED INFORMATION

The Chief Probation Officer will select a member of the Department to oversee the security of protected information.

The responsibilities of this position include but are not limited to:

- (a) Developing and maintaining security practices, procedures, and training.
- (b) Ensuring federal and state compliance with the CJIS Security Policy and the requirements of any state or local criminal history records systems.
- (c) Establishing procedures to provide for the preparation, prevention, detection, analysis, and containment of security incidents, including computer attacks.
- (d) Tracking, documenting, and reporting all breach of security incidents to the Chief Probation Officer and appropriate authorities.

702.6.1 MEMBER RESPONSIBILITIES

Members accessing or receiving protected information shall ensure the information is not accessed or received by persons not authorized to access or receive it. This includes leaving protected information, such as documents or computer databases, accessible to others when it is reasonably foreseeable that unauthorized access may occur (e.g., on an unattended table or desk, in or on an unattended vehicle, in an unlocked desk drawer or file cabinet, on an unattended computer terminal).

702.7 CRIMINAL INTELLIGENCE SYSTEMS

No department member may create, submit to, or obtain information from a criminal intelligence system unless the Chief Probation Officer has approved the system for department use.

Any criminal intelligence system approved for department use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for supervising the use of any criminal intelligence system by members. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.

Colusa County Probation Department

Probation Policy Manual

Protected Information

- (c) Any system security issues are reasonably addressed.

702.7.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, case notes, a photo, or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Records Custodian. Any supporting documentation for an entry shall be retained by the Records Custodian in accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Custodian are appropriately marked as intelligence information. The Records Custodian may not purge such documents without the approval of the designated supervisor.

702.7.2 SHARED GANG DATABASE

Any shared gang database shall be accessed and maintained in accordance with state and federal law, guidelines, and regulations (Penal Code § 186.36).

702.8 TRAINING

All members authorized to access or release protected information shall complete a training program that complies with any protected information system requirements and identifies authorized access and use of protected information, as well as its proper handling and dissemination.

702.9 CALIFORNIA RELIGIOUS FREEDOM ACT

Members shall not release personal information from any agency database for the purpose of investigation or enforcement of any program compiling data on individuals based on religious belief, practice, affiliation, national origin, or ethnicity (Government Code § 8310.3).

Chapter 8 - Personnel

Colusa County Personnel Rules and Practices

800.1 PURPOSE AND SCOPE

All members of the Colusa County Probation Department will follow the directives set forth in the Colusa County Personnel Rules and Colusa County Policy and Procedure Manual (linked below).

<https://countyofcolusa.org/986/Personnel-Rules>

<https://countyofcolusa.org/639/Policies-Procedures>

Recruitment and Selection

801.1 PURPOSE AND SCOPE

This policy provides a framework for employee recruiting efforts and identifying job-related standards for the selection process. This policy supplements the rules that govern employment practices for the Colusa County Probation Department and that are promulgated and maintained by Human Resources Department.

The Colusa County Probation Department follows the Personnel Rules set forth by the Colusa County Human Resource Department.

The county Personnel Rules can be viewed utilizing the link below.

<https://countyofcolusa.org/986/Personnel-Rules>

Standards of Conduct

802.1 PURPOSE AND SCOPE

This policy establishes standards of conduct that are consistent with the values and mission of the Colusa County Probation Department and are expected of all department members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions, but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this department or a member's supervisors.

802.2 POLICY

The continued employment or appointment of every member of this department shall be based on conduct that reasonably conforms to the guidelines set forth herein. Failure to meet the guidelines set forth in this policy, whether on- or off-duty, may be cause for disciplinary action.

802.3 DIRECTIVES AND ORDERS

Members shall comply with lawful directives and orders from any department supervisor or person in a position of authority, absent a reasonable and bona fide justification.

802.3.1 UNLAWFUL OR CONFLICTING ORDERS

Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or department policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law, or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that conflicts with a previous lawful order, department policy, or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict will not be held accountable for disobedience of the lawful order or directive that was initially issued.

Colusa County Probation Department

Probation Policy Manual

Standards of Conduct

The person countermanding the original order shall notify, in writing, the person issuing the original order, indicating the action taken and the reason.

- (a) Failing to be reasonably aware of the performance of their subordinates or to provide appropriate guidance and control.
- (b) Failing to promptly and fully report any known misconduct of a member to the immediate supervisor or to document such misconduct appropriately or as required by policy.
- (c) Directing a subordinate to violate a policy or directive, acquiescing to such a violation, or exhibiting indifference to such a violation.
- (d) Exercising unequal or disparate authority toward any member for malicious or other improper purpose.

802.4 GENERAL STANDARDS

Members shall conduct themselves, whether on- or off-duty, in accordance with the United States and California constitutions and all applicable laws, ordinances, and rules enacted or established pursuant to legal authority.

Members shall familiarize themselves with policies and procedures and are responsible for compliance with each. Members should seek clarification and guidance from supervisors in the event of any perceived ambiguity or uncertainty.

Discipline may be initiated for any good cause. It is not mandatory that a specific policy or rule violation be cited to sustain discipline. This policy is not intended to cover every possible type of misconduct.

802.5 CAUSES FOR DISCIPLINE

The following are illustrative of causes for disciplinary action. This list is not intended to cover every possible type of misconduct and does not preclude the recommendation of disciplinary action for violation of other rules, standards, ethics, and specific action or inaction that is detrimental to efficient department service.

<https://countyofcolusa.org/639/Policies-Procedures>

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29 USC § 2601 et seq.), the California Family Rights Act, leave for victims of crime or abuse, or for organ or bone marrow donor procedures (Government Code § 12945.2; Labor Code § 230.1; Labor Code § 1510).

809.2 POLICY

It is the policy of the Colusa County Probation Department to provide eligible employees with a sick-leave benefit.

809.3 EXTENDED ABSENCE

Members absent from duty for more than three consecutive days may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return to work. Members on an extended absence shall, if possible, contact their supervisor at specified intervals to provide an update on their absence and expected date of return.

Nothing in this section precludes a supervisor from requiring, with cause, a health care provider's statement for an absence of three or fewer days after the first three days of paid sick leave are used in a 12-month period.

809.4 REQUIRED NOTICES

The Director of Human Resources shall ensure:

- (a) Written notice of the amount of paid sick leave available is provided to employees as provided in Labor Code § 246.

Exposure only includes those instances that occur due to a member's position at the Colusa County Probation Department (see the Exposure Control Plan for further details to assist in identifying whether an exposure has occurred).

810.2 POLICY

The Colusa County Probation Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

The Chief Probation Officer will assign a person as the Exposure Control Officer (ECO). The ECO shall develop an exposure control plan that includes:

- (a) Exposure prevention and decontamination procedures.
- (b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.

- (i) Avoiding eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.
- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (8 CCR 5193).

810.5 POST EXPOSURE

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practical.

Colusa County Probation Department

Probation Policy Manual

Communicable Diseases

- (e) Work being done during exposure
- (f) How the incident occurred or was caused
- (g) PPE in use at the time of the incident
- (h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Work-Related Illness and Injury Reporting and Illness and Injury Prevention policies).

810.5.3 MEDICAL CONSULTATION, EVALUATION, AND TREATMENT

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary (8 CCR 5193).

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information:

- (a) Whether the member has been informed of the results of the evaluation.
- (b) Whether the member has been notified of any medical conditions, resulting from exposure to blood or other potentially infectious materials, that require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

810.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate (8 CCR 5193). Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Complying with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.
- (c) Testing the exposed member for evidence of a communicable disease and seeking consent from the source individual to either access existing blood samples for testing or for the source to submit to testing (Health and Safety Code § 120262).

Colusa County Probation Department

Probation Policy Manual

Communicable Diseases

- (e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing a person when the exposed member qualifies as a crime victim (Penal Code § 1524.1).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the County Counsel to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if the individual refuses.

810.6 CONFIDENTIALITY OF REPORTS

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

Personnel Complaints

812.1 PURPOSE AND SCOPE

This policy provides guidelines for the reporting, investigation, and disposition of complaints regarding the conduct of members of the Colusa County Probation Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment, or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

The Colusa County Probation Department takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state, and local law and municipal and county rules and the requirements of any collective bargaining agreements.

It is also the policy of this department to ensure that the community can report misconduct without concern for reprisal or retaliation.

812.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or federal, state, or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy or federal, state, or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures, or the response to specific incidents by the Department.

812.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

Informal - A matter in which the Assistant Chief is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

Formal - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Supervisor, depending on the seriousness and complexity of the investigation.

Incomplete - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Supervisor, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs, or physical evidence may be obtained as necessary.

A complainant shall be provided with a copy of the statement at the time it is filed with the Department (Penal Code § 832.7).

Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Department should audit the log and send an audit report to the Chief Probation Officer or the authorized designee.

812.6 ADMINISTRATIVE INVESTIGATIONS

Allegations of misconduct will be administratively investigated as follows.

812.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief Probation Officer or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
 - 1. The original complaint form will be directed via the chain of command to the accused member's Assistant Chief, who will take appropriate action and/or determine who will have responsibility for the investigation.

- (h) Investigating a complaint as follows:
 - 1. Making reasonable efforts to obtain names, addresses, and telephone numbers of witnesses.
 - 2. When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.
- (i) Ensuring that the procedural rights of the accused member are followed (Government Code § 3303 et seq.).
- (j) Ensuring interviews of the complainant are generally conducted during reasonable hours.

812.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

Whether conducted by a supervisor or a member of the Supervisor, the following applies to members covered by the Public Safety Officers Procedural Bill of Rights Act (POBR) (Government Code § 3303):

- (a) Interviews of an accused member shall be conducted during reasonable hours and preferably when the member is on-duty. If the member is off-duty, the member shall be compensated.
- (b) Unless waived by the member, interviews of an accused member shall be at the Colusa County Probation Department or other reasonable and appropriate place.
- (c) No more than two interviewers should ask questions of an accused member.
- (d) Prior to any interview, a member should be informed of the nature of the investigation.
- (e) All interviews should be for a reasonable period, and the member's personal needs should be accommodated.
- (f) No member should be subjected to offensive or threatening language, nor shall any promises, rewards, or other inducements be used to obtain answers.
- (g) Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.
 - 1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after

the member has been given a *Lybarger* advisement. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).

2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.
- (h) The interviewer should record all interviews of members and witnesses. The member may also record the interview. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview.
- (i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, to maintain the integrity of each individual's statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (j) All members shall provide complete and truthful responses to questions posed during interviews.
- (k) No member may be compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

No investigation shall be undertaken against any officer solely because the officer has been placed on a prosecutor's *Brady* list or the name of the officer may otherwise be subject to disclosure pursuant to *Brady v. Maryland*. However, an investigation may be based on the underlying acts or omissions for which the officer has been placed on a *Brady* list or may otherwise be subject to disclosure pursuant to *Brady v. Maryland* (Government Code § 3305.5).

812.6.3 ADMINISTRATIVE INVESTIGATION FORMAT

Formal investigations of personnel complaints shall be thorough, complete, and essentially follow this format:

Introduction - Include the identity of the members, the identity of the assigned investigators, the initial date and source of the complaint.

Synopsis - Provide a brief summary of the facts giving rise to the investigation.

Summary - List the allegations separately, including applicable policy sections, with a brief summary of the evidence relevant to each allegation. A separate recommended finding should be provided for each allegation.

Evidence - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of member and witness statements. Other evidence related to each allegation should also be detailed in this section.

Probation Policy Manual

Personnel Complaints

Conclusion - A recommendation regarding further action or disposition should be provided.

Exhibits - A separate list of exhibits (e.g., recordings, photos, documents) should be attached to the report.

812.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

Unfounded - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded (Penal Code § 832.8).

Exonerated - When the investigation discloses that the alleged act occurred but that the act was justified, lawful, and/or proper.

Not sustained - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

Sustained - A final determination by an investigating agency, commission, board, hearing officer, or arbitrator, as applicable, following an investigation and opportunity for an administrative appeal pursuant to Government Code § 3304 and Government Code § 3304.5 that the actions of an officer were found to violate law or department policy (Penal Code § 832.8).

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

812.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation (Government Code § 3304).

In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d) or Government Code § 3508.1.

812.6.6 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS

The member conducting the investigation should provide the complainant with periodic updates on the status of the investigation, as appropriate.

812.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces, and other areas, including desks, offices, and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio, or other document or equipment.

Colusa County Probation Department

Probation Policy Manual

Personnel Complaints

Lockers and storage spaces may only be administratively searched in the member's presence; with the member's consent; with a valid search warrant; or where the member has been given reasonable notice that the search will take place (Government Code § 3309).

812.8 ADMINISTRATIVE LEAVE

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department, the Chief Probation Officer or the authorized designee may temporarily assign an accused member to administrative leave. Any member placed on administrative leave:

- (a) May be required to relinquish any department badge, identification, assigned weapons, and any other department equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The member may be required to remain available for contact at all times during such shift, and will report as ordered.

812.9 CRIMINAL INVESTIGATION

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief Probation Officer shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief Probation Officer may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be advised of the member's constitutional rights (Government Code § 3303(h)). The member should not be administratively ordered to provide any information in the criminal investigation.

The Colusa County Probation Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

812.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES

Upon completion of a formal investigation, an investigation report should be forwarded to the Chief Probation Officer through the chain of command. Each level of command should review the report and include their comments in writing before forwarding the report. The Chief Probation Officer may accept or modify any classification or recommendation for disciplinary action.

Probation Policy Manual

Personnel Complaints

812.10.1 ASSISTANT CHIEF RESPONSIBILITIES

Upon receipt of any completed personnel investigation, the Assistant Chief of the involved member shall review the entire investigative file, the member's personnel file, and any other relevant materials.

The Assistant Chief may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Chief Probation Officer, the Assistant Chief may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief Probation Officer, the Assistant Chief shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

812.10.2 AGENCYHEAD RESPONSIBILITIES

Upon receipt of any written recommendation for disciplinary action, the Chief Probation Officer shall review the recommendation and all accompanying materials. The Chief Probation Officer may modify any recommendation and/or may return the file to the Assistant Chief for further investigation or action.

Once the Chief Probation Officer is satisfied that no further investigation or action is required by staff, the Chief Probation Officer shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Chief Probation Officer shall provide the member with a written notice and the following:

- (a) Access to all of the materials considered by the Chief Probation Officer in recommending the proposed discipline.
- (b) An opportunity to respond orally or in writing to the Chief Probation Officer within five days of receiving the notice.
 - 1. Upon a showing of good cause by the member, the Chief Probation Officer may grant a reasonable extension of time for the member to respond.
 - 2. If the member elects to respond orally, the presentation shall be recorded by the Department. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed a response, or if the member has elected to waive any such response, the Chief Probation Officer shall consider all information received in regard to the recommended discipline. The Chief Probation Officer shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief Probation Officer has issued a written decision, the discipline shall become effective.

812.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT

The Chief Probation Officer or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint (Penal Code § 832.7(f)).

812.10.4 NOTICE REQUIREMENTS

The disposition of any civilian's complaint shall be released to the complaining party within 30 days of the final disposition. This release shall not include what discipline, if any, was imposed (Penal Code § 832.7(f)).

812.11 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief Probation Officer after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The employee may suggest that further investigation could be conducted, or the employee may offer any additional information or mitigating factors for the Chief Probation Officer to consider.
- (d) In the event that the Chief Probation Officer elects to conduct further investigation, the employee shall be provided with the results before the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief Probation Officer on the limited issues of information raised in any subsequent materials.

812.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

812.13 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement, memorandum of understanding and/or personnel rules.

In the event of punitive action against an employee covered by the POBR, the appeal process shall be in compliance with Government Code § 3304 and Government Code § 3304.5.

Colusa County Probation Department

Probation Policy Manual

Personnel Complaints

During any administrative appeal, evidence that an officer has been placed on a *Brady* list or is otherwise subject to *Brady* restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. Thereafter, such *Brady* evidence shall be limited to determining the appropriateness of the penalty (Government Code § 3305.5).

812.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS

At-will and probationary employees and those members other than non-probationary employees may be released from employment for non-disciplinary reasons (e.g., failure to meet standards) without adherence to the procedures set forth in this policy or any right to appeal. However, any probationary officer subjected to an investigation into allegations of misconduct shall be entitled to those procedural rights, as applicable, set forth in the POBR (Government Code § 3303; Government Code § 3304).

At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Chief Probation Officer or authorized designee for a non-evidentiary hearing for the sole purpose of attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Chief Probation Officer shall be final.

812.15 RETENTION OF PERSONNEL INVESTIGATION FILES

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

Seat Belts

813.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts. This policy will apply to all members operating or riding in department vehicles.

The Colusa County Probation Department also follows the Policy and Procedures set forth in the Colusa County Human Resources Policies and Procedures Manual (link below).

<https://www.countyofcolusa.org/639/Policies-Procedures>

813.2 POLICY

It is the policy of the Colusa County Probation Department that members use safety restraint systems to reduce the possibility of death or injury in a motor vehicle accident.

813.3 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased, or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including those who are not members of the Department, are properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seatbelt would endanger the department member or the public. Members must be prepared to justify any deviation from this requirement.

813.4 TRANSPORTING PERSONS IN CUSTODY

Persons in custody should be in a seated position and secured in the rear seat of any department vehicle with a transport restraint system or, when a transport restraint system is not available, by seat belts provided by the vehicle manufacturer. The transport restraint system is not intended to be a substitute for handcuffs or other appendage restraints. See the Transporting Persons in Custody Policy.

Persons in custody in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

813.5 INOPERABLE SEAT BELTS

Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated, or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief Probation Officer.

Seat Belts

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

813.6 VEHICLE AIRBAGS

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

Colusa County Probation Department

Probation Policy Manual

Personnel Records

3. If a member refuses to initial or sign an adverse comment, at least one supervisor should note the date and time of such refusal on the original comment, and the member should sign or initial the noted refusal. Such a refusal, however, shall not be deemed insubordination, nor shall it prohibit the entry of the adverse comment into the member's file (Government Code § 3305).
- (g) Commendations and awards.
- (h) Any other information, the disclosure of which would constitute an unwarranted invasion of personal privacy.

814.4 DIVISION MAJOR FILE

Division files may be separately maintained internally by a member's supervisor for the purpose of completing timely performance evaluations. The Division file may contain supervisor comments, notes, notices to correct, and other materials that are intended to serve as a foundation for the completion of timely performance evaluations.

All materials intended for this interim file shall be provided to the employee prior to being placed in the file in accordance with Government Code § 3305 and Government Code § 3306.

814.4 TRAINING FILE

An individual training file shall be maintained by the Training Supervisor for each member. Training files will contain records of all training; original or photocopies of available certificates, transcripts, diplomas, and other documentation; and education and firearms qualifications. Training records may also be created and stored remotely, either manually or automatically (e.g., Daily Training Bulletin (DTB) records).

- (a) The involved member is responsible for providing the Training Supervisor or immediate supervisor with evidence of completed training/education in a timely manner.
- (b) The Training Supervisor or supervisor shall ensure that copies of such training records are placed in the member's training file.

814.5 SUPERVISOR FILE

Internal affairs files shall be maintained under the exclusive control of the Supervisor in conjunction with the office of the Chief Probation Officer. Access to these files may only be approved by the Chief Probation Officer or the supervisor.

These files shall contain the complete investigation of all formal complaints of member misconduct, regardless of disposition (Penal Code § 832.12). Investigations of complaints that result in the following findings shall not be placed in the member's department file but will be maintained in the internal affairs file:

- (a) Not sustained
- (b) Unfounded

Colusa County Probation Department

Probation Policy Manual

Personnel Records

(c) Exonerated

Investigation files arising out of sustained civilian complaints involving misconduct shall be maintained pursuant to the established records retention schedule and for a period of at least 15 years. Investigations that resulted in other than a sustained finding may not be used by the department to adversely affect an employee's career (Penal Code § 832.5).

Investigation files arising out of internally generated complaints shall be maintained pursuant to the established records retention schedule and for at least four years (Government Code § 12946).

Investigation files arising out of a civilian complaint involving misconduct that was not sustained shall be maintained pursuant to the established records retention schedule and for at least five years (Penal Code § 832.5).

814.6 MEDICAL FILE

- (d) Medical release forms, doctor's slips, and attendance records that reveal a member's medical condition.
- (e) Any other documents or materials that reveal the member's medical history or medical condition, including past, present, or future anticipated mental, psychological or physical limitations.

814.7 SECURITY

Personnel records should be maintained in a secured location and locked either in a cabinet or access-controlled room. Personnel records maintained in an electronic format should have adequate password protection.

Personnel records are subject to disclosure only as provided in this policy, the Records Maintenance and Release Policy, or according to applicable discovery procedures.

Nothing in this policy is intended to preclude review of personnel records by the County Administrative Officer, County Counsel, or other attorneys or representatives of the County in connection with official business.

814.7.1 REQUESTS FOR DISCLOSURE

Any member receiving a request for a personnel record shall promptly notify the Records Custodian or other person charged with the maintenance of such records.

Colusa County Probation Department

Probation Policy Manual

Personnel Records

Upon receipt of any such request, the responsible person shall notify the affected member as soon as practicable that such a request has been made (Evidence Code § 1043).

The responsible person shall further ensure that an appropriate response to the request is made in a timely manner, consistent with applicable law. In many cases, this may require assistance of available legal counsel.

All requests for disclosure that result in access to a member's personnel records shall be logged in the corresponding file.

814.8 RELEASE OF PERSONNEL RECORDS AND RECORDS RELATED TO CERTAIN INCIDENTS, COMPLAINTS, AND INVESTIGATIONS OF OFFICERS/AGENTS

Personnel records and records related to certain incidents, complaints, and investigations of officers shall be released pursuant to a proper request under the Public Records Act and subject to redaction and delayed release as provided by law.

The Records Custodian should work as appropriate with the Chief Probation Officer or the Supervisor supervisor in determining what records may qualify for disclosure when a request for records is received and if the requested record is subject to redaction or delay from disclosure.

For purposes of this section, a record includes (Penal Code § 832.7(b)(3)):

- All investigation reports.
- Photographic, audio, and video evidence.
- Transcripts or recordings of interviews.
- Autopsy reports.
- All materials compiled and presented for review to the District Attorney or to any person or body charged with determining whether to file criminal charges against an officer in connection with an incident, whether the officer's action was consistent with law and department policy for purposes of discipline or administrative action, or what discipline to impose or corrective action to take.
- Documents setting forth findings or recommending findings.
- Copies of disciplinary records relating to the incident, including any letters of intent to impose discipline, any documents reflecting modifications of discipline due to the *Skelly* or grievance process, and letters indicating final imposition of discipline or other documentation reflecting implementation of corrective action.

Unless a record or information is confidential or qualifies for delayed disclosure as provided by Penal Code § 832.7(b)(8) or other law, the following records (hereinafter referred to as "qualifying records") shall be made available for public inspection no later than 45 days from the date of a request (Penal Code § 832.7(b)(1)):

- (a) Records relating to the report, investigation, or findings of:
 - 1. The discharge of a firearm at another person by an officer.

Colusa County Probation Department

Probation Policy Manual

Personnel Records

2. The use of force against a person resulting in death or in great bodily injury (as defined by Penal Code § 243(f)(4) by an officer.
 3. A sustained finding involving a complaint that alleges unreasonable or excessive force.
 4. A sustained finding that an officer failed to intervene against another officer using force that is clearly unreasonable or excessive.
- (b) Records relating to an incident where a sustained finding was made by the department or oversight agency regarding:
1. An officer engaged in sexual assault of a member of the public (as defined by Penal Code § 832.7(b)).
 2. Dishonesty of an officer relating to the reporting, investigation, or prosecution of a crime, or directly relating to the reporting of or investigation of misconduct by another officer, including but not limited to any false statements, filing false reports, destruction, falsifying, or concealing of evidence, or perjury.
 3. An officer engaged in conduct, including but not limited to verbal statements, writings, online posts, recordings, and gestures, involving prejudice or discrimination against a person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status.
 4. An officer made an unlawful arrest or conducted an unlawful search.

Qualifying records will be made available regardless of whether the officer resigns before the department or an oversight agency concludes its investigation (Penal Code § 832.7(b)(3)).

A record from a separate and prior investigation or assessment of a separate incident shall not be released unless it is independently subject to disclosure (Penal Code § 832.7(b)(4)).

When an investigation involves multiple officers, the department shall not release information about allegations of misconduct or the analysis or disposition of an investigation of an officer unless it relates to a sustained finding of a qualified allegation as provided by Penal Code § 832.7(b)(5). However, factual information about the action of the officer during an incident or the statements of an officer shall be released if the statements are relevant to a finding of a qualified allegation against another officer that is subject to release (Penal Code § 832.7(b)(5)).

814.8.1 REDACTION

The Records Custodian, in consultation with the Chief Probation Officer or the authorized designee, shall redact the following portions of qualifying records made available for release (Penal Code § 832.7(b)(6)):

- (a) Personal data or information (e.g., home address, telephone number, identities of family members) other than the names and work-related information of officers
- (b) Information that would compromise the anonymity of whistleblowers, complainants, victims, and witnesses

Colusa County Probation Department

Probation Policy Manual

Personnel Records

- (c) Confidential medical, financial, or other information where disclosure is prohibited by federal law or would cause an unwarranted invasion of personal privacy that clearly outweighs the strong public interest in records about possible misconduct and use of force
- (d) Where there is a specific, articulable, and particularized reason to believe that disclosure of the record would pose a significant danger to the physical safety of the officer or another person

Additionally, a record may be redacted, including redacting personal identifying information, where, on the facts of the particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosing it (Penal Code § 832.7(b)(7)).

814.8.2 DELAY OF RELEASE

Unless otherwise directed by the Chief Probation Officer, the Records Custodian should consult with a supervisor familiar with the underlying investigation to determine whether to delay disclosure of qualifying records due to any of the following conditions (Penal Code § 832.7):

- (a) Active criminal investigations
 - 1. Disclosure may be delayed 60 days from the date the misconduct or use of force occurred or until the District Attorney determines whether to file criminal charges, whichever occurs sooner.
 - 2. After the initial 60 days, delay of disclosure may be continued if the disclosure could reasonably be expected to interfere with a criminal enforcement proceeding against an officer or against someone other than an officer who engaged in misconduct or used the force.
- (b) Filed criminal charges
 - 1. When charges are filed related to an incident in which misconduct occurred or force was used, disclosure may be delayed until a verdict on those charges is returned at trial, or if a plea of guilty or no contest is entered, the time to withdraw the plea has passed.
- (c) Administrative investigations
 - 1. Disclosure may be delayed until there is a determination from the investigation whether misconduct or the use of force violated law or department policy, but no longer than 180 days after the date of the department's discovery of the misconduct or use of force or allegation of misconduct or the use of force.

814.8.3 NOTICE OF DELAY OF RECORDS

When there is justification for delay of disclosure of qualifying records, the Records Custodian shall provide written notice of the reason for any delay to a requester as follows (Penal Code § 832.7):

- (a) Provide the specific basis for the determination that the interest in delaying disclosure clearly outweighs the public interest in disclosure. The notice shall also include the estimated date for the disclosure of the withheld information.

Colusa County Probation Department

Probation Policy Manual

Personnel Records

- (b) When delay is continued beyond the initial 60 days because of criminal enforcement proceedings against anyone, at 180-day intervals provide the specific basis that disclosure could reasonably be expected to interfere with a criminal enforcement proceeding and the estimated date for disclosure.
 - 1. Information withheld shall be disclosed when the specific basis for withholding the information is resolved, the investigation or proceeding is no longer active, or no later than 18 months after the date of the incident, whichever occurs sooner, unless:
 - (a) When the criminal proceeding is against someone other than an officer and there are extraordinary circumstances to warrant a continued delay due to the ongoing criminal investigation or proceeding, then the Department must show by clear and convincing evidence that the interest in preventing prejudice to the active and ongoing criminal investigation or proceeding outweighs the public interest for prompt disclosure of records about misconduct or use of force by officers.

In cases where an action to compel disclosure is brought pursuant to Government Code § 7923.000, the Department may justify delay by filing an application to seal the basis for withholding if disclosure of the written basis itself would impact a privilege or compromise a pending investigation (Penal Code § 832.7(b)(8)).

814.9 MEMBERS' ACCESS TO THEIR PERSONNEL RECORDS

Any member may request access to the member's own personnel records during the normal business hours of those responsible for maintaining such files. Any member seeking the removal of any item from the member's personnel records shall file a written request to the Chief Probation Officer through the chain of command. The Department shall remove any such item if appropriate, or within 30 days provide the member with a written explanation of why the contested item will not be removed. If the contested item is not removed from the file, the member's request and the written response from the Department shall be retained with the contested item in the member's corresponding personnel record (Government Code § 3306.5).

Members may be restricted from accessing files containing any of the following information:

- (a) An ongoing internal affairs investigation to the extent that it could jeopardize or compromise the investigation pending final disposition or notice to the member of the intent to discipline
- (b) Confidential portions of internal affairs files that have not been sustained against the member
- (c) Criminal investigations involving the member
- (d) Letters of reference concerning employment/appointment, licensing, or issuance of permits regarding the member
- (e) Any portion of a test document, except the cumulative total test score for either a section of the test document or for the entire test document

- (f) Materials used by the Department for staff management planning, including judgments or recommendations concerning future salary increases and other wage treatments, management bonus plans, promotions and job assignments, or other comments or ratings used for department planning purposes
- (g) Information of a personal nature about a person other than the member if disclosure of the information would constitute a clearly unwarranted invasion of the other person's privacy
- (h) Records relevant to any other pending claim between the Department and the member that may be discovered in a judicial proceeding

814.10 RETENTION AND PURGING

Unless provided otherwise in this policy, personnel records shall be maintained in accordance with the established records retention schedule.

- (a) During the preparation of each member's performance evaluation, all personnel complaints and disciplinary actions should be reviewed to determine the relevancy, if any, to progressive discipline, training, and career development. Each supervisor responsible for completing the member's performance evaluation should determine whether any prior sustained disciplinary file should be retained beyond the required period for reasons other than pending litigation or other ongoing legal proceedings.
- (b) If a supervisor determines that records of prior discipline should be retained beyond the required period, approval for such retention should be obtained through the chain of command from the Chief Probation Officer.
- (c) If, in the opinion of the Chief Probation Officer, a personnel complaint or disciplinary action maintained beyond the required retention period is no longer relevant, all records of such matter may be destroyed in accordance with the established records retention schedule.

814.11 REQUESTS FOR DISCLOSURE

Any member receiving a request for a personnel record shall promptly notify the Records Custodian or other person charged with the maintenance of such records.

Upon receipt of any such request, the responsible person shall notify the affected member as soon as practicable that such a request has been made (Evidence Code § 1043).

The responsible person shall further ensure that an appropriate response to the request is made in a timely manner, consistent with applicable law. In many cases, this may require assistance of available legal counsel.

All requests for disclosure that result in access to a member's personnel records shall be logged in the corresponding file.

814.11.1 RELEASE OF PERSONNEL INFORMATION

Personnel records shall not be disclosed except as allowed by law (see the Records Maintenance and Release Policy) (Penal Code § 832.7; Evidence Code § 1043).

Colusa County Probation Department

Probation Policy Manual

Personnel Records

Any person who maliciously, and with the intent to obstruct justice or the due administration of the laws, publishes, disseminates, or otherwise discloses the residence address or telephone number of any member of this department may be guilty of a misdemeanor (Penal Code § 146e).

The Department may release any factual information concerning a disciplinary investigation if the member who is the subject of the investigation (or the member's representative) publicly makes a statement that is published in the media and that the member (or representative) knows to be false. The disclosure of such information, if any, shall be limited to facts that refute any such false statement (Penal Code § 832.7).

814.11.2 REQUESTS FOR DISCLOSURE OF FORMER EMPLOYEE FILES

Members receiving requests for information from another agency regarding allegations of sexual abuse or sexual harassment involving a former employee should work with counsel to ensure compliance with Prison Rape Elimination Act (PREA) requirements (28 CFR 115.317).

814.11.3 RELEASE OF LAW ENFORCEMENT GANG INFORMATION

Information relating to the termination of an officer from this department for participation in a law enforcement gang shall be disclosed to another law enforcement agency that is conducting a preemployment background investigation except where specifically prohibited by law (Penal Code § 13670).

814.11.4 RELEASE OF PEACE OFFICER RECORDS RELATING TO HATE COMPLAINTS

Records relating to an officer for an investigation of a hate complaint described in Penal Code § 13682 with a sustained finding that the officer engaged in membership in a hate group, participated in a hate group activity, or advocated public expressions of hate are not confidential and shall be made available for public inspection through a public records request (Penal Code § 13683).

Records disclosed may be redacted (Penal Code § 13683):

- (a) To remove personal data or information, such as a home address, telephone number, email address, or identities of family members.
- (b) To preserve the anonymity of complainants and witnesses.
- (c) To protect confidential medical, financial, or other information of which disclosure is specifically prohibited by federal law or where disclosure would cause an unwarranted invasion of personal privacy that clearly outweighs the strong public interest in records about misconduct and serious use of force by officers.
- (d) Where there is a specific, articulable, and particularized reason to believe that disclosing the record would pose a significant danger to the physical safety of the officer or another person.

Lactation Breaks

816.1 PURPOSE AND SCOPE

The Colusa County Probation Department follows the Policies and Procedures as set forth by the Colusa County Human Resources Policies and Procedures Manual ([link below](#))

Payroll Records

817.1 PURPOSE AND SCOPE

This policy provides the guidelines for completing and submitting payroll records of department members who are eligible for the payment of wages.

817.2 POLICY

The Colusa County Probation Department maintains timely and accurate payroll records.

817.3 RESPONSIBILITIES

Members are responsible for the accurate completion and timely submission of their payroll records for the payment of wages.

Supervisors are responsible for approving the payroll records for those under their direction.

817.4 TIME REQUIREMENTS

Members who are eligible for the payment of wages are paid on a scheduled, periodic basis, generally on the same day or date each period, with certain exceptions such as holidays. Payroll records shall be completed and submitted to the Administrative Assistant Chief as established by the County payroll procedures.

817.5 RECORDS

The Administrative Assistant Chief shall ensure that accurate and timely payroll records are maintained as required by 29 CFR 516.2 for a minimum of three years (29 CFR 516.5).

Overtime Compensation

818.1 PURPOSE AND SCOPE

This policy establishes guidelines and procedures regarding overtime for employees, in conformance with the Fair Labor Standards Act (FLSA) (29 USC § 201 et seq.).

818.2 POLICY

The Colusa County Probation Department will compensate nonexempt employees who work authorized overtime either by payment of wages or by the accrual of compensatory time (29 CFR 553.22). Employees who are salary exempt from FLSA are not compensated for overtime worked.

818.3 COMPENSATION

Payment of wages to nonexempt employees for overtime, or accrual of compensatory time in lieu of compensation for overtime worked, shall be at the rate of not less than one and one-half hours for each hour of employment for which overtime compensation is required (29 USC § 207(k)(2); 29 USC § 207(o)(1)).

Short periods of overtime worked at the end of the normal duty day (e.g., less than one hour in duration) may be handled informally by an agreement between the supervisor and the employee. In such cases, the supervisor shall document the overtime worked and schedule a subsequent shift adjustment within the same work period that the overtime was worked, rather than submit a request for overtime compensation (29 USC § 207(k)).

Salary exempt employees may be eligible for administrative leave, which may be granted at the discretion of the exempt employee's immediate supervisor.

818.4 REQUESTS FOR OVERTIME COMPENSATION

818.4.1 EMPLOYEE RESPONSIBILITIES

Generally, no employee is authorized to work overtime without the prior approval of a supervisor. If circumstances do not permit prior approval, approval shall be sought as soon as practicable during the overtime shift and in no case later than the end of the shift in which the overtime is worked.

Nonexempt employees shall:

- (a) Obtain supervisory approval, verbal or written.
- (b) Not work in excess of 16 hours, including regularly scheduled work time, overtime, and extra-duty time, in any consecutive 24-hour period without supervisory approval.
- (c) Record the actual time worked in an overtime status using the department-approved form or method. Informal notations on reports, logs, or other forms not approved for overtime recording are not acceptable.
- (d) Submit the request for overtime compensation to their supervisors by the end of shift or no later than the next calendar day.

Colusa County Probation Department

Probation Policy Manual

Overtime Compensation

818.4.2 SUPERVISOR RESPONSIBILITIES

Supervisors shall:

- (a) Prior to authorizing an employee to work overtime, evaluate the need for the overtime.
 1. Supervisors should not authorize any request to work overtime if the overtime would not be an appropriate use of department resources.
- (b) Upon receipt of a request for overtime compensation, confirm that the overtime was authorized and then verify the actual time worked.
 1. Supervisors identifying any unauthorized overtime or discrepancy shall initiate an investigation consistent with the Personnel Complaints Policy.
- (c) After verifying and approving the overtime amount, promptly forward the request for compensation to the employee's Assistant Chief for final approval.
 1. After the Assistant Chief has authorized compensation, the request shall be submitted to Administrative as soon as practicable.

Supervisors may not authorize or approve their own overtime.

818.5 ACCOUNTING FOR PORTIONS OF AN HOUR

Authorized overtime work shall be accounted in the increments as listed:

TIME WORKED	INDICATE ON CARD
Up to 15 minutes	.25 hour
16 to 30 minutes	.50 hour
31 to 45 minutes	.75 hour
46 to 60 minutes	1 hour

818.5.1 VARIATION IN TIME REPORTED

When two or more employees are assigned to the same activity, case or court trial, and the amount of time for which overtime compensation is requested varies among the officers, the Assistant Chief or other approving supervisor may require each employee to include the reason for the variation on the overtime compensation request.

818.6 REQUESTING USE OF COMPENSATORY TIME

Employees who have accrued compensatory time shall be allowed to use that time for time off within a reasonable period after making a request if the request does not unduly disrupt department operations. Requests to use compensatory time will be submitted to the employee's supervisor at least 24 hours in advance of its intended use. Supervisors may make exceptions in unusual or extraordinary circumstances.

Compensatory time may not be used for time off for a date and time when the employee is required to appear in court on department-related matters. Supervisors shall not unreasonably deny employee requests to use compensatory time (29 CFR 553.25).

Work-Related Illness and Injury Reporting

819.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding timely reporting of occupational diseases, mental health issues, and work-related injuries.

819.2 POLICY

The Colusa County Probation Department will address work-related injuries appropriately, and will comply with applicable state workers' compensation requirements (Labor Code § 3200 et seq.).

The Colusa County Probation Department follows the Policies and Procedures set forth in the Colusa County Policies and Procedures Manual (link below).

<https://countyofcolusa.org/573/Policies-Procedures>

Conflict of Interest

822.1 PURPOSE AND SCOPE

The purpose of this policy is to assist members in recognizing and avoiding potential conflicts of interest, thereby ensuring effective and ethical operating practices on the part of the Colusa County Probation Department.

822.1.1 DEFINITIONS

Definitions related to this policy include:

Conflict of interest - Any actual, perceived, or potential conflict in which it reasonably appears that a member's action, inaction, or decisions are or may be influenced by a personal or business relationship.

822.2 POLICY

Members of the Colusa County Probation Department are expected to conduct themselves with the utmost professional integrity and objectivity. Members will guard against actual or perceived conflicts of interest in order to ensure the fair and equitable treatment of department members and the public, and thereby maintain the trust of the public and other department members.

822.3 PROHIBITIONS

The Department prohibits the following types of personal or business relationships among members (Government Code § 12940):

- (a) Members are prohibited from directly supervising, occupying a position in the line of supervision, or being directly supervised by any other member who is a relative or with whom they are involved in a personal or business relationship.
 - 1. If circumstances require that such a supervisor/subordinate relationship exist temporarily, the supervisor shall make every reasonable effort to defer matters pertaining to the involved member to an uninvolved supervisor.
 - 2. When personnel and circumstances permit, the Department will attempt to make every reasonable effort to avoid placing members in such supervisor/subordinate situations. The Department, however, reserves the right to transfer or reassign any member to another position within the same classification to avoid conflicts with any provision of this policy.
- (b) Members are prohibited from participating in, contributing to, or recommending promotions, assignments, performance evaluations, transfers, or other personnel decisions affecting a member who is a relative or with whom they are involved in a personal or business relationship.
- (c) Whenever possible, field training officers (FTOs) and other trainers will not be assigned to train relatives. Department FTOs and other trainers are prohibited from entering into or maintaining personal or business relationships with any member they are assigned to train until such time as the training has been successfully completed and the person is off probation.

Conflict of Interest

822.4 MEMBER RESPONSIBILITIES

Members shall avoid situations that create a conflict of interest. Members should take reasonable steps to address a perception of a conflict of interest when such a perception is reasonably foreseeable and avoidable (e.g., deferring a decision to an uninvolved member).

Whenever any member is placed in circumstances that would require the member to take enforcement action or provide official information or services to any relative or individual with whom the member is involved in a personal or business relationship, that member shall promptly notify an uninvolved, immediate supervisor.

If no uninvolved supervisor is immediately available, the member shall promptly notify the Chief Probation Officer or the authorized designee to have another uninvolved member either relieve the involved member or, minimally, remain present to witness the action.

822.5 SUPERVISOR RESPONSIBILITIES

Upon being notified of or otherwise becoming aware of any circumstance that could result in or constitute an actual or potential violation of this policy, a supervisor shall take all reasonable steps to promptly mitigate or avoid such violations whenever possible. Supervisors shall also promptly notify the Chief Probation Officer or the authorized designee of such actual or potential violations through the chain of command.

823.1 PURPOSE AND SCOPE

823.2 POLICY

The Colusa County Probation Department issues each member appropriate identification, which may include a badge, logo, patch, and/or identification card, depending on the member's position within the Department.

823.3 MEMBER RESPONSIBILITIES

Members of the Colusa County Probation Department will use the CCPD badge, logo, patch, and identification card, as well as the likeness of these items, appropriately and professionally. The CCPD badge, logo, patch, and identification card shall only be displayed or used by a member when acting in an official or authorized capacity.

Department members shall not:

- (a) Display or use the CCPD badge, patch, or identification card for personal gain or benefit.
- (b) Loan the CCPD badge, patch, or identification card to others or permit these items to be reproduced or duplicated.
- (c) Use images of the CCPD badge, patch, or identification card, or the likeness thereof, or the Colusa County Probation Department name, for personal or private reasons including, but not limited to, letters, memoranda, and electronic communications, such as email, blogs, social networking, or websites.

823.4 LOST OR STOLEN BADGE, PATCH, OR IDENTIFICATION CARD

Department members shall promptly notify their supervisors whenever their CCPD badges, patches, or identification cards are stolen, lost, damaged, or are otherwise removed from their control.

823.5 BADGES

The Chief Probation Officer shall determine the number and form of badges authorized for use by department members.

823.5.1 RETIREE BADGES

The Chief Probation Officer may establish rules for allowing honorably retired members to keep their badges in some form or possess a retirement badge upon retirement.

Probation Policy Manual

Badges, Patches, and Identification

823.5.2 PERMITTED USE BY EMPLOYEE GROUPS

The likeness of the CCPD badge shall not be used for any purpose without the express authorization of the Chief Probation Officer and shall be subject to the following:

- (a) An authorized employee group may use the likeness of the CCPD badge for merchandise and official employee group business provided it is used in a clear representation of the employee group and not the Colusa County Probation Department. The following modification shall be included:
 - 1. Any text identifying the Colusa County Probation Department is replaced with the name of the employee group.
 - 2. A badge number is not included. That portion of the badge may display the acronym of the employee group.

823.6 PATCHES

The Chief Probation Officer shall determine the form of patches authorized for use by the Department. Any request to modify the authorized patches for specialty divisions (e.g., Interagency Task Forces, K-9) should be submitted to the Chief Probation Officer in writing.

Only patches issued by this department are authorized to be displayed or worn by members while on-duty or otherwise acting in an official or authorized capacity.

Members, with the written approval of the Chief Probation Officer, may request additional patches, at their own expense.

823.7 IDENTIFICATION CARDS

All members will be issued an official CCPD identification card bearing the member's name, full-face photograph, member identification number, member's signature, and signature of the Chief Probation Officer or the official seal of the Department. All members shall be in possession of their department-issued identification cards at all times while on-duty or in department facilities.

- (a) Whenever on-duty or acting in an official capacity representing the Department, members shall display their department-issued identification cards in a courteous manner to any person upon request and as soon as practicable.
- (b) Agent or other members working specialized assignments may be excused from the possession and display requirements when directed by a Assistant Chief.

823.8 BUSINESS CARDS

The Department will supply business cards to those members whose assignments involve frequent interaction with the public or who may require the use of a business card. The only authorized business cards are those issued or approved by the Department and should contain identifying information, including but, not limited to, the member's name, Division, badge or other identification number and contact information (e.g., telephone number, email address).

Members should provide a business card to any member of the public who requests one.

Temporary Modified-Duty Assignments

824.1 PURPOSE AND SCOPE

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, CityCounty rules, or current memorandums of understanding or collective bargaining agreements. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability that is protected under federal or state law.

824.2 POLICY

Subject to operational considerations, the Colusa County Probation Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work while providing the Department with a productive employee during the temporary period.

824.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the California Fair Employment and Housing Act shall be treated equally, without regard to any preference, for a work-related injury (Government Code § 12940 et seq.).

No position in the Colusa County Probation Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief Probation Officer or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle, or engaging in outside employment, or may otherwise limit them in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

824.4 PROCEDURE

Employees may request a temporary modified-duty assignment for short-term injuries or illnesses.

Colusa County Probation Department

Probation Policy Manual

Temporary Modified-Duty Assignments

Employees seeking a temporary modified-duty assignment should submit a written request to the Assistant Chief or the authorized designees. The request should, as applicable, include a certification from the treating medical professional containing:

- (a) An assessment of the nature and probable duration of the illness or injury.
- (b) The prognosis for recovery.
- (c) The nature and scope of limitations and/or work restrictions.
- (d) A statement regarding any required workplace accommodations, mobility aids, or medical devices.
- (e) A statement that the employee can safely perform the duties of the temporary modified-duty assignment.

The Assistant Chief will make a recommendation through the chain of command to the Chief Probation Officer regarding temporary modified-duty assignments that may be available based on the needs of the Department and the limitations of the employee. The Chief Probation Officer or the authorized designee shall confer with the Human Resources Department or the County Counsel as appropriate.

Requests for a temporary modified-duty assignment of 20 hours or less per week may be approved and facilitated by the Assistant Chief or Supervisor, with notice to the Chief Probation Officer or authorized designee.

824.5 ACCOUNTABILITY

Written notification of assignments, work schedules, and any restrictions should be provided to employees assigned to temporary modified-duty assignments and their supervisors. Those assignments and schedules may be adjusted to accommodate department operations and the employee's medical appointments, as mutually agreed upon with the Assistant Chief.

824.5.1 EMPLOYEE RESPONSIBILITIES

The responsibilities of employees assigned to temporary modified duty shall include but are not limited to:

- (a) Communicating and coordinating any required medical and physical therapy appointments in advance with their supervisors.
- (b) Promptly notifying their supervisors of any change in restrictions or limitations after each appointment with their treating medical professionals.
- (c) Communicating a status update to their supervisors no less than once every 30 days while assigned to temporary modified duty.
- (d) Submitting a written status report to the Assistant Chief that contains a status update and anticipated date of return to full duty when a temporary modified-duty assignment extends beyond 60 days.

Colusa County Probation Department

Probation Policy Manual

Temporary Modified-Duty Assignments

824.5.2 SUPERVISOR RESPONSIBILITIES

The employee's immediate supervisor shall monitor and manage the work schedule of those assigned to temporary modified duty.

The responsibilities of supervisors shall include but are not limited to:

- (a) Periodically apprising the Assistant Chief of the status and performance of employees assigned to temporary modified duty.
- (b) Notifying the Assistant Chief and ensuring that the required documentation facilitating a return to full duty is received from the employee.
- (c) Ensuring that employees returning to full duty have completed any required training and certification.

824.6 MEDICAL EXAMINATIONS

Prior to returning to full-duty status, employees shall be required to provide certification from their treating medical professionals stating that they are medically cleared to perform the essential functions of their jobs without restrictions or limitations.

The Department may require a fitness-for-duty examination prior to returning an employee to full-duty status, in accordance with the Fitness for Duty Policy.

824.7 PREGNANCY

If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth, or a related medical condition, the employee will be treated the same as any other employee with a temporary disability. A pregnant employee shall not be involuntarily transferred to a temporary modified-duty assignment (42 USC § 2000e(k)).

824.7.1 NOTIFICATION

Pregnant employees should notify their immediate supervisors as soon as practicable and provide a statement from their medical providers identifying any pregnancy-related job restrictions or limitations. If at any point during the pregnancy it becomes necessary for the employee to take a leave of absence, such leave shall be granted in accordance with the County's personnel rules and regulations regarding family and medical care leave.

824.8 PROBATIONARY EMPLOYEES

Probationary employees who are assigned to a temporary modified-duty assignment may have their probation extended by a period of time equal to their assignment to temporary modified duty.

824.9 MAINTENANCE OF CERTIFICATION AND TRAINING

Employees assigned to temporary modified duty shall maintain all certification, training, and qualifications appropriate to both their regular and temporary duties, provided that the certification, training, or qualifications are not in conflict with any medical limitations or restrictions. Employees who are assigned to temporary modified duty shall inform their supervisors of any inability to maintain any certification, training, or qualifications.

Illness and Injury Prevention

826.1 POLICY

The Colusa County Probation Department follows the policies and procedures set forth in the Colusa County Policy and Procedures Manual (link below).

<https://countyofcolusa.org/573/Policies-Procedures>

Line-of-Duty Deaths

827.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Colusa County Probation Department in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member's survivors.

The Chief Probation Officer may also apply some or all of this policy in situations where members are injured in the line of duty and the injuries are life-threatening.

827.1.1 DEFINITIONS

Definitions related to this policy include:

Line-of-duty death - The death of a sworn member during the course of performing probation-related functions while on- or off-duty, or a non-sworn member during the course of performing their assigned duties.

Survivors - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin, or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

827.2 POLICY

It is the policy of the Colusa County Probation Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

827.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Department.
 1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Public Information Officer section of this policy).
- (b) The Assistant Chief should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.
- (c) If the member has been transported to the hospital, the Assistant Chief or the designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.

Colusa County Probation Department

Probation Policy Manual

Line-of-Duty Deaths

- (d) The Chief Probation Officer or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

827.4 NOTIFYING SURVIVORS

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief Probation Officer or the authorized designee should review the deceased member's emergency contact information and emergency notification form, if one exists, and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Chief Probation Officer, Assistant Chief, or the authorized designee should select at least two members, or one member and a member of the clergy, to conduct notification of survivors.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity, and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles when possible. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital. Notifying members should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities, and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.
- (g) Offer to call other survivors, friends, or clergy to support the survivors and to avoid leaving survivors alone after notification.

Colusa County Probation Department

Probation Policy Manual

Line-of-Duty Deaths

- (h) Assist the survivors with meeting childcare or other immediate needs.
- (i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes, and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.
- (j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the Department Liaison.
- (k) Provide their contact information to the survivors before departing.
- (l) Document the survivors' names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.
- (m) Inform the Chief Probation Officer or the authorized designee once survivor notifications have been made so that other Colusa County Probation Department members may be apprised that survivor notifications are complete.

827.4.1 OUT-OF-AREA NOTIFICATIONS

The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.
- (b) The Department Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the Department to pay travel expenses without the authorization of the Chief Probation Officer.

827.5 NOTIFYING DEPARTMENT MEMBERS

Supervisors or members designated by the Chief Probation Officer are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shift. Members reporting for duty from their residence should be instructed to contact their supervisor as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., chaplain, counselor, peer support group, Employee Assistance Program, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Colusa County Probation Department

Probation Policy Manual

Line-of-Duty Deaths

Supervisors should direct members not to disclose any information outside the Department regarding the deceased member or the incident.

827.6 LIAISONS AND COORDINATORS

The Chief Probation Officer or the authorized designee should select members to serve as liaisons and coordinators to handle responsibilities related to a line-of-duty death including, but not limited to:

- (a) Department Liaison.
- (b) Hospital Liaison.
- (c) Survivor Support Liaison.
- (d) Critical Incident Stress Management (CISM) coordinator.
- (e) Funeral Liaison.
- (f) Mutual aid coordinator.
- (g) Benefits Liaison.
- (h) Finance coordinator.

Liaisons and coordinators will be directed by the Department Liaison and should be given sufficient duty time to complete their assignments.

Members may be assigned responsibilities of more than one liaison or coordinator position depending on available department resources. The Department Liaison may assign separate liaisons and coordinators to accommodate multiple family units, if needed.

827.6.1 DEPARTMENT AGENCY LIAISON

The Department Liaison should be a Assistant Chief or of sufficient rank to effectively coordinate Department resources and should serve as a facilitator between the deceased member's survivors and the Department. The Department Liaison reports directly to the Chief Probation Officer. The Department Liaison's responsibilities include but are not limited to:

- (a) Directing the other liaisons and coordinators in fulfilling survivors' needs and requests. Consideration should be given to organizing the effort using the National Incident Management System (NIMS).
- (b) Establishing contact with survivors within 24 hours of the incident and providing them contact information.
- (c) Advising survivors of the other liaison and coordinator positions and their roles and responsibilities.
- (d) Identifying locations that will be sufficient to accommodate visitation and presenting the options to the appropriate survivors, who will select the location.
- (e) Coordinating all official law enforcement notifications and arrangements.
- (f) Making necessary contacts for authorization to display flags at half-staff.
