

**"One small step is worth more
than a thousand steps
planned."**

**"Successfully breaking free
from addiction requires taking
it one step at a time. You don't
have to get it right
immediately."**

**"Don't let the past steal your
present."**

**"Though no one can go back
and make a brand new start,
anyone can start from now
and make a brand new
ending."**

The Journey Begins Here

Substance Use Disorder Program

God is our refuge.

Colusa County Behavioral Health

ABOUT US

The Colusa County Department of Behavioral Health Substance Use Disorders Program is committed to serving individuals and families affected by alcohol and/or substance use. Our goal is to prevent, educate, and encourage. There is no fee for services and we serve all Colusa County residents.

We offer a variety of services including:

- Individual Counseling
- Group Counseling
- Perinatal Services
- Assistance with Referrals and Residential Treatment
- Prevention Services
- Medication Assisted Treatment

WHAT WE DO

INTAKES AND ASSESSMENTS

A Licensed Marriage Family Therapist, Certified Substance Use Disorders Counselor, or Psychiatrist will schedule an intake with the individual. These intakes are done weekly.

CASE MANAGEMENT AND MORE

Case management including transportation is offered daily. Individual counseling is offered as needed. Residential and Sober Living are offered out of county for clients needing this service.

PERINATAL SERVICES

If you are pregnant or a parenting mother and in need of support we provide a priority access for treatment and a variety of perinatal services. Please do not hesitate to contact us for this service, we are here to help. For more information on these services simply ask a staff member and they will guide you to the right person.
