

## **Report of Well Problems**

### **Colusa County Groundwater Commission**

Colusa County Department of Agriculture | 100 Sunrise Blvd., Suite F, Colusa, CA 95932

**Purpose:** *The Colusa County Groundwater Commission is asking landowners to report any well issues they are having this year. This information will help in our efforts to gain a better understanding of the groundwater system. If you are wary of reporting well problems on your property, you can just report the general area of the well but specific data is always appreciated. Specific well locations will not be made public. Thank you for your voluntary participation.*

### **Please provide the following information:**
