

Colusa county Ordinance Section 3-35: Rabies Vaccination Required

Every dog owner, after his dog attains the age of four (4) months, shall at such intervals of time as prescribed by the state department of health, procure a canine rabies vaccination from a licensed veterinarian. It is Animal Control's duty to impound all unvaccinated dogs. If a dog is impounded the owner has seventy-two (72) hours to cause the dog to be vaccinated. If the dog is not vaccinated within the seventy-two (72) hours then Animal Control shall humanely destroy the dog.

Dogs found to be running at large and/or without a license will be cited and impounded. Please make sure that your dog is properly licensed and confined at all times.
